The San Francisco Police Department would like to thank the public for their input on the redistricting process. The goal of the analysis and public engagement process was to improve policing services for San Francisco's residents and visitors.

On Sunday, July 19, 2015, the San Francisco Police Department will implement these new station boundaries. The changes are listed below:

- Bayview: Includes the northern border at Mariposa Street and Fallen Bridge Park
- Central: Expands to include Justin Herman Plaza and Union Square; moves the southern border to Mission Street
- Mission: Excludes Fallen Bridge Park
- Northern: Moves the western border to Divisadero Street; loses the Duboce Triangle; border with Tenderloin moves to Polk Street between Golden Gate Avenue and Geary Street
- Park: Expands footprint by adding the Duboce Triangle and North of Panhandle area between Stanyan Street – along Geary and Fulton – to Divisadero Street
- Richmond: Decreases footprint by removing the area between Stanyan Street on west – along Geary Street and Fulton Street – to Divisadero Street on east
- Southern: Moves the southern border for the new Southern Station to Mariposa Street
- Tenderloin: Moves the southern border to Mission Street – between 3rd Street and South Van Ness; portion of the western border moves to Polk Street; loses Union Square
- Ingleside: Unchanged
- Taraval: Unchanged

Attached are citywide and district maps to illustrate the new borders. The Department of Emergency Management will attempt to make the transition as seamless as possible, but issues may arise. If you reside in the new district areas, at times officers responding to calls for service may be from the prior district assignment. Rest assured that your call will be handled regardless of the new boundaries. Should any questions or concerns arise, please contact your district station Captain.
