On March 6, 2015 at approximately 5:00 PM, a 10 year old student was waiting for the bus at a MUNI Shelter on the northeast corner of Carl Street and Cole Street. The student was alone in the shelter when a car drove next to the bus stop. The driver and sole occupant of the car attempted to verbally coax the student into the vehicle four times. The student declined the ride and went to a nearby restaurant to get away from the person.

The driver is described as a white male adult, 30-40 years of age, black slicked back hair, medium height and weight, with 3-4 day facial hair growth. The person was wearing a black or brown 3/4 sleeved shirt. He spoke without an accent. The car is described as a shiny black Toyota Yaris or Honda Fit type of vehicle with 4 doors, unknown license plates.

Investigators would like to identify and interview the driver. A sketch of the driver accompanies this press release.

Anyone with information on this case is urged to contact Park Station SIT Sergeant Terry at (415) 242-3088, the Anonymous tip line at 415-575-4444 or text-a-tip to TIP411 with SFPD at the beginning of the message.
