Michael Sione Green

On Saturday night November 16, 2013, a long-time group of friends reconnected at a nightclub in the area of 6th Street and Jessie. At approximately 2:10 AM on Sunday morning, when the club let out, the group was in the process of saying their good-byes. One of the women in the group and her female passenger were involved in a minor traffic accident in a nearby parking lot. These two women ultimately became the victims in this senseless act of violence.

The driver of the victim's vehicle was first approached by a female described as Pacific Islander, over 6' tall, in her early 20's wearing a red dress. That female attempted to open the driver's door.

The victim passenger exited the car in an attempt to calm down the angry female suspect. A male armed with a gun appeared. The male, identified as Michael Sione Green, shot and killed the female passenger and wounded the driver of the car and is currently wanted by law enforcement.

Green is described as a Tongan male, 23 years of age, 5'11", 230 lbs, last seen wearing a beard and long hair past his shoulders. Anyone who knows Green's whereabouts is asked to call 911. Green is extremely dangerous. He may possibly be traveling in a 2001 Mercedes Ca license plate 4UIP704.

San Francisco Police are still trying to identify the Pacific Islander female, and anyone else that was with Green on the night of the murder. Any tips can be forwarded to the Anonymous Tip Line at 415-575-4444 or Text-A-Tip to TIP411 with "SFPD" on the subject line.
