4th of July is coming our way and I want you all to be prepared. 4th of July is a time of celebration but please do so safely.

We have included in this newsletter some information on Fireworks (pg. 3). I cannot emphasize enough the importance of safety around the use of fireworks and I cannot encourage you enough to just go see the public displays and avail of that experience rather than creating your own. Each year there are so many horrific incidents of people losing body parts and lives because of the misuse of fireworks. My advice is don't use them and avoid being a victim.
