In September of 2018, a series of strong-arm robberies occurred in the Mission, Ingleside and Taraval Districts of San Francisco. The suspect in these robberies entered various stores and forcefully opened cash registers, stealing the U.S. currency. On other occasions, the suspect would wait until the cash register was open and then forcefully take the U.S. currency out. In one incident, the suspect robbed a person on the street using a knife. Investigators received reports of incidents at the following locations:

Due to pending identification matters, Davis 's booking photo is not being released at this time. Holmes-Singletary's booking photo accompanies this news release.

This quick and successful completion of this investigation would not have been possible without the assistance of residents and business owners who provided surveillance video.
