On February 10, 2024, San Francisco Police officers from Central, Southern, Northern, and Taraval stations were working in plainclothes on a robbery and burglary abatement operation when they spotted a vehicle that was reported by a 911 caller who witnessed the occupants possibly committing criminal acts. During the investigation, officers discovered that the vehicle was stolen and was occupied by four people wearing masks.

The officers observed the vehicle near Alamo Square and in the Haight & Ashbury neighborhood casing parked vehicles to break into, but they also appeared to be casing pedestrians.

At approximately 2:53 p.m. the officers observed the occupants approach an adult male at Frederick St. and Masonic Ave. The male appeared to be carrying a camera when the subjects approached him, forced him to the

pavement, and stole the camera and the victim's personal property before returning to their vehicle. After the robbery, the vehicle fled the scene. The occupants abandoned the disabled vehicle at Ashbury St. and Clifford Terrace and fled the scene on foot.

A foot pursuit ensued, and officers were able to locate all four suspects who attempted to evade arrest. Officers were able to locate the victim's stolen camera and other property which were recovered and returned to the victim. The stolen vehicle was searched and processed for evidence. During the search officers located and seized a handgun loaded with a high-capacity magazine.

Officers developed probable cause to arrest the males for the robbery. Three male juveniles were booked into the Juvenile Justice Center for the felony charges listed below. An 18-year-old male from San Francisco, Jacarius Nierre Ragland was booked into County Jail for the felony charges listed below.

Booking charges for all four suspects are vehicle theft (10851(a) CVC), possession of stolen vehicle (496d(a) PC), resisting/delaying arrest (148(a)(1) PC), robbery (211 PC), conspiracy (182(a)(1) PC), possession of stolen property (496(a) PC), possession of burglary tools (466 PC), possession of firearm in a public place (25300 PC), concealed firearm in vehicle (25400(a)(1) PC), carrying a loaded firearm to commit a felony (25800 PC), minor in possession of a firearm (29610 PC), prohibited firearm access (29820 PC), using a firearm in commission of a felony (12022.5(a) PC), person armed with a firearm in the commission of a felony (12022(a)(1) PC), and possession of stolen property (496(a) PC).

Photographs of the firearm accompany this news release.
