On Friday, November 15, 2024, at approximately 10:50 a.m., San Francisco Police officers responded to the area of Ellis and Fillmore Streets on a report of three dogs attacking another dog.

When officers arrived on the scene, they observed one of the dogs actively attacking a pedestrian. Shortly thereafter, an officer-involved discharge occurred where one of the attacking dogs was fatally struck.

Within the vicinity, a second dog was corralled and taken into custody with the assistance of Animal Care and Control (ACC).

A foot pursuit ensued for several blocks while officers were attempting to detain the third dog. During the interaction, an officer discharged their firearm. Animal Care and Control (ACC) were able to place the dog into custody.

The pedestrian was transported by paramedics to a local hospital for severe physical trauma which is non-life-threatening.

The owner of the dog that was attacked transported their dog to a veterinary hospital for a medical evaluation.

Officers are still on the scene investigating the incident.

All information is preliminary.
