### **Captain's Message**

---

Hello to all Bayview residents, merchants, and visitors.

This past Sunday Bayview Station hosted the first of many forthcoming "Second Sunday" events. The events will take place on the 2nd Sunday of every month, from 12:00-2:00 pm, in the Bayview Station Community Room. These events are specifically designed to create an environment for families and children in particular to have an opportunity to meet and interact with officers assigned to Bayview Police Station. Attendees can participate in various activities such as face painting and games, as well as enjoy complimentary food and beverages.

"Second Sunday" is a family friendly community event so please spread the word! Building meaningful relationships with the Bayview District as a whole is critically important to me and is one of my main priorities.

I look forward to seeing you at the next "Second Sunday" event on March 11th!

For those that prefer coffee during the week, come by [Philz Coffee](#) at 1258 Minnesota on February 21st from 8am -10 am for "Coffee with a Cop". The flyer is in the Community section of this newsletter.

*"Stay safe, happy, and healthy"*  
Sincerely,

You are invited to attend “Chop Shop”, a Community and Law Enforcement Film Premiere. This documentary film facilitates a youth-lead dialogue between San Francisco residents of color and local law enforcement in barbershops across The City. The film highlights topics of implicit bias, people of color in law enforcement, violence and ways of moving forward together.

Following the screening will be a panel discussion with San Francisco law enforcement – a chance for audience members to confront issues affecting their communities, as well as make a tangible impression on youth, our future leaders. Constructive conversation in an open forum is the first step toward positive change, and a way to address misconceived notions between communities of color and law enforcement.

The objective is to address the tension and develop a set of recommendations to change the current culture, and it can't be done without you. Bring YOUR voice to the conversation.

There are 3 dates available: February 16, February 28 and March 8. Please choose the date and location that works for you. This event is provided through Young Community Developers. To secure your tickets to this free event please access [www.eventbrite.com](http://www.eventbrite.com).

"Beers for Bayview" is a wonderful clean-up campaign sponsored by the Bayview Brewery Seven Stills. Approximately a week or so ago, about 35 individuals met at Seven Stills and cleaned up 2 tons of garbage and waste near Yosemite Slough. Because of the success of the event the group has decided to make this a monthly gathering. The next clean-up is scheduled for Sunday, February 18<sup>th</sup> from 10am – 2pm.

DPW/Recology will provide gloves/shovels/trash bags/cherry pickers, etc. After the clean-up you are invited to grab a free beer and enjoy a barbeque!! Children and well-behaved dogs are welcomed!!

If you have any questions please contact Ann Dejesus at (415) 902-9049. Seven Stills is located at 1439 Egbert Ave., Unit C SF, CA 94124

### Details

To celebrate the conclusion of what has likely been a week long of debauchery for SF Beer Week we are going to do our part to help clean up the Bayview.

On our first cleanup we removed over 3400 pounds of garbage from the Bayview State Park and are hoping to bump that number to 5000 pounds this time!

As a thank you to all of the volunteers that come out to help we'll be holding a free BBQ with beers afterwards. See you all then!

### SFPD Safety Tips for Lunar New Year Festivities

#### Gung Hay Fat Choy!

The 2018 San Francisco Chinese New Year Parade will be held on Saturday, February 24, 2018. The parade, begun in the 1860's as a means to educate the community about Chinese culture, is the largest such lunar year celebration in the country and one of San Francisco's most popular and well-attended events.

With huge crowds expected, including guests from all over the world, public safety is the San Francisco Police Department's number one priority. There will be a significant police presence during Lunar New Year activities, with both uniformed and plainclothes officers on duty to monitor public events. As with any large event, safety is everyone's responsibility, including participants, organizers, security staff and law enforcement.

Lunar New Year celebrants can help avoid becoming a victim of a crime by keeping in mind the following safety tips:

- The festivities are about celebrating community. Look out for each other and report any suspicious persons or activity to event staff or a police officer. A good adage is, “If you see something, say something.” In an emergency, call 9-1-1. To provide an anonymous tip, call the SFPD Anonymous Tip Line at (415) 575- 4444.
- Stay informed by signing up for emergency text message alerts by texting the word AlertSF to 888-777. AlertSF allows us to notify you of emergencies in San Francisco.
- Keep your friends close and your drinks closer. Don’t accept drinks from strangers. Drink responsibly and don’t drink and drive- always use a designated driver.
- The San Francisco Bay Area has a host of public transit options that will get you to, from and around Lunar New Year events.
- If you drive to the festivities, remember to “Park Smart!” Take your valuables with you, don’t leave them inside your car.
- Maintain possession of your cell phone, wallet and other valuables.
- There is safety in numbers. Stay with a group when on the street or leaving bars and clubs. Be cautious about leaving a bar or club with a stranger. A rule of thumb is that if you feel “unsure” about someone, rely on that instinct and do not go with that person.

San Francisco Police also urge all members of the Chinese community to be suspicious of strangers claiming to provide relief from a curse or illness or those who provide “purification” ceremonies in which cash and valuable items must be offered as part of the process.

Please review the video below on various ways to identify potential scammers, how to protect yourself from a scam, and reporting resources available to scam victims.

Anyone who is confronted by scammers or anyone who knows of an elder who was approached by scammers is strongly advised to contact police. Reports can be made at any SFPD District Station or by calling Dispatch at (415) 553-0123 and requesting an officer to take a report.

Cantonese speakers can leave tips on a special tip line by calling (415) 553-9212 or 1-855-737-3847.

Information can also be called into the Anonymous Tip Line at (415) 575-4444 or via Text a Tip by texting a message to TIP411 and beginning the message with SFPD.

### Bayview Station Resource List

**EMERGENCY: 911**

**Note:** When calling 911 on a cellular phone near a highway, the call is connected to The California Highway Patrol (CHP) dispatch center. In other areas in San Francisco, the call will connect directly to SF dispatch. You can also dial directly to SF dispatch: **415-553-8090**

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. 311 relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, 311 operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the 311 call center will function as a back up.
