Captain Steven Ford

Captain's Message

On April 15th, the Bayview District had its turn to participate in the 10th annual Sunday Streets event! Sunday Streets is a program to help encourage community building through physical activity and to inspire people to think differently about their streets as public spaces. Through non-profit [Livable City](#), in partnership with the SFMTA, San Francisco Department of Public Health, and the City and County of San Francisco, neighborhoods most lacking recreational opportunities participate in a season of Sunday events that reclaim car-congested roads for a day and transform them into a temporary open space for all to enjoy. Community groups, small businesses and non-profits all get involved along the 1 to 4 mile routes with fun and free activities. SFPD participates as well in engaging the community with activities, our talking police car, our mounted and K-9 units, and an introduction to our [SFPD Cadet program](#). I would like to share some photos from the event with you with the hope of seeing everyone again next year!

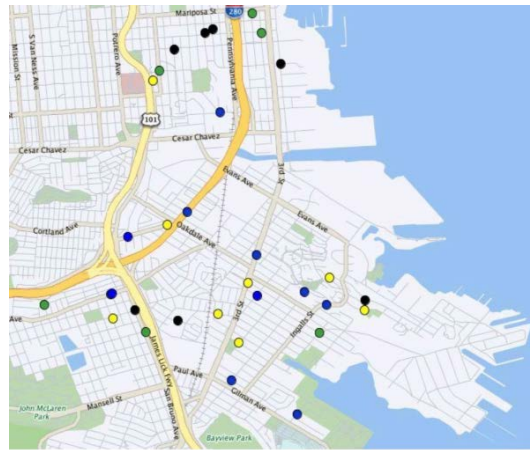

"Stay safe, happy, and healthy"
Sincerely,
Captain Steven A. Ford, M.S.
