Bayview Police Station

201 Williams Ave, S.F., CA 94124

(415) 671-2300

Captain Steven Ford

Captain's Message

Greetings to the Bayview Police District.

It is with great sadness that I share with you a tragic incident that took place the 1600 block of Quesada on April 20th:

Overview:

On April 20th at approximately 11:00 pm, officers responded to a ShotSpotter activation on the 1600 block of Quesada as calls of a shooting started coming in. Also being reported was that people were fleeing from the area on foot and in vehicles. The officers arrived and located a crime scene which they preserved as other units responded to San Francisco General Hospital where five victims of gunfire were being treated. Other officers responded to UCSF Mission Bay where a sixth victim of the shooting arrived. Resulting from this incident, one male victim suffered grave injuries to which he succumbed at the hospital. Officers preserved and collected all evidence and the incident is currently under active investigation.

As a result, Bayview Station will be increasing police presence in and around the affected area. In addition, other department resources are being utilized in the Bayview in an effort to provide a sense of increased safety and security for those who reside, work, and visit the Bayview District. I want to be very clear in saying the Bayview District is and will remain a safe environment. As a community we will not be deterred by a select few who choose to engage in criminal activity. I am absolutely dedicated and committed to maintaining a thriving healthy environment.

Moving forward the following protective measures will be in place for the foreseeable future. I will be conducting ongoing meetings in an attempt galvanize the community to pool our collective spirit, and supporting partnerships.

1. Fixed post on 3rd/Quesada - 3rd/Palou
2. Heavy and visible (pro-active) patrol presence by our Housing Units on 3rd St. between Underwood and La Salle
3. Sector car to establish a heavy patrol presence on 3rd St. between Underwood and

La Salle and surrounding streets.

4. Other SFPD resources are being brought in on an intermittent basis to assist with increased presence and vehicle stops, when appropriate.
5. Ongoing meetings with extended community members to educate and inform on the safety measures in place.
6. Coordination with allied law enforcement agencies.

I will be heading a peace gathering and walk at on Friday, April 27th that commence at 1:00 pm at 3rd and Quesada. Anyone who would like to participate is welcome to join us.

"Stay safe, happy, and healthy"

Sincerely,

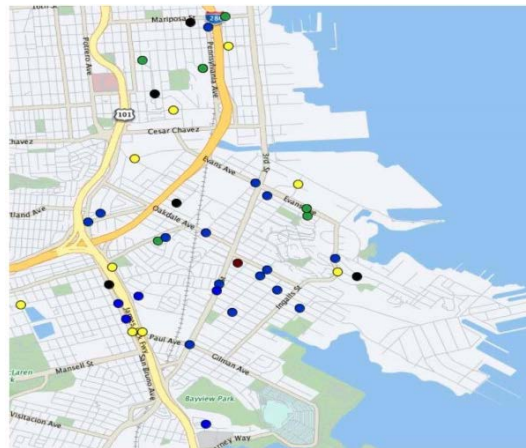

Captain Steven A. Ford, M.S.

The suspects were still on scene and the victim recognized one to be her daughter's ex-girlfriend. When the victim confronted her, the suspect produced a hammer and began to threaten the victim with it as they stood in the middle of the road. This is when the officers pulled up to the scene. They ordered the suspect to drop the hammer and she complied. As the officers began their investigation with the suspect, they heard the wheels screeching and turned to see the second suspect driving a vehicle directly at them at a high rate of speed. One officer ran to the north sidewalk to avoid getting hit while his partner pushed the first suspect out of harm's way and proceeded to the south sidewalk as the vehicle whizzed past. The suspect in the car then changed direction and drove straight at the officer across the street. He had to jump on top of a parked car to avoid being run over but was still grazed by the suspect's car on his leg. As the suspect vehicle drove off, the officer jumped down off the hood and chased the car until he could get license plate information to other units. The suspect in the vehicle then made a U-turn, revved the engine, and came barreling back down the street toward the officer again. He had to run out of the way again to avoid getting hit as the vehicle continued towards the other officer, who had to dive out of the way. The car made a brief stop where the first suspect, who had been previously detained, jumped head first into the open passenger window. The vehicle took off with both suspects.
