## **Captain's Message**

Good afternoon Bayview residents, merchants, and visitors. School is back in session and I wish all of our students a safe and happy school year. I want to encourage everyone to be mindful about keeping our youth upbeat and encouraged about their education, well being and overall health.

Moving forward into the school year I am planning to visit every school in District 10 in an effort to meet more of our youth who reside in and/or attend Bayview schools and meet our future leaders. Have a safe and happy Labor Day weekend and I look forward to the remaining months of 2018 being safe and productive for all.

*Sincerely,*

*Captain Steven A. Ford, M.S*

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city

services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the **311** call center will function as a back up.
