The Robbery Detail determined this to be a series committed by a lone suspect, their investigation leading to the identity of the suspect, the vehicle used, as well as an associated address for him Antioch.

A search warrant was obtained and on September 14th, the Investigating officers responded to Antioch where the suspect was located and the warrant was served. The suspect was arrested and transported back to San Francisco where he was ultimately charged with all five of the above robberies and booked.

An arrest has been made in the June 4th Bayview District Homicide

San Francisco Fire Department paramedics responded, rendered aid and transported Cael to the hospital. Unfortunately Cael succumbed to his injuries in the hospital

SFPD Homicide Investigators commenced an investigation that led to the identity of the suspect. On September 9th, 2018, the Sacramento Police Department located and arrested 37 year old San Francisco male resident, Cleavon Foster, on an outstanding Homicide Warrant.

After interviewing with Homicide Investigators, Foster was charged with murder and booked into San Francisco County Jail. Due to pending identification matters, Foster's booking photo will not be released at this time.

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back up.
