Captain Paul Yep's Message

Incident Reporting: How to Best Reach the SFPD

Here is some useful information for our Central residents about reporting crimes and obtaining police services. If you are reporting a crime that is *in progress*, dial 9-1-1 immediately. Also, call 9-1-1 to report fires, medical emergencies and any emergencies related to public safety.

To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 to have an Officer dispatched to meet with you.

You may also go to any SFPD district station to make a report. Central Station is located at 766 Vallejo Street.

For your convenience, the following crimes may be reported on-line using the SFPD's main website (<http://sanfranciscopolice.org/REPORTS>):

- Harassing Phone Calls: When you are experiencing annoying calls - with no known suspects; for example, hang-ups or heavy breathing.
- Lost Property: When property has disappeared and not stolen. If you think it could have been taken but you have no idea by who, you may enter the report online.
- Theft: When property is stolen and there is no information about the suspect.
- Vandalism/Graffiti: The act of changing, modifying or defacing public or private property, including graffiti.
- Vehicle Burglary: When property was stolen from a vehicle and there is no suspect information.
- Vehicle Tampering: Tampering with a motor vehicle, including vandalism/graffiti of the vehicle.

When you call 9-1-1 or the SFPD non-emergency number, you are actually calling the Department of Emergency Management (DEM) and a trained professional will prioritize your call and send you the closest and most appropriate resource(s). Important data and tracking information will also be captured to assist in getting help to you in the most efficient manner.

If you are concerned about a homeless person in San Francisco, call the Department of Emergency Management (DEM) at 3-1-1 or email healthystreets@sfgov.org.

The 3-1-1 staff will talk with you to determine the appropriate City Agency or combination of Agencies to respond for services. DEM houses a "Healthy Streets Operations Center" (HSOC) staffed with representatives from the Police Department, Department of Public Works (DPW), Department of Health (DPH), and the Department of Homelessness and Supportive Housing (DHS). The HSOC is operational Monday through Friday from 7:00 am to 4:00 pm

Featured Officer of the Month

Officer Sean Archini

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Sean Archini, a 1-year member of Central Police Station.

Officer Archini was born in Daly City at Mary's Help Hospital, now Seaton Medical Center. He graduated from Burlingame High School and went on to attend college at College of San Mateo.

Officer Archini joined the San Francisco Police Department in January 1999. After graduating from the Police Academy, he was assigned to Mission Station for field training. He was then assigned to Park Station for his probation station. After probation, he was assigned to Bayview Station. After working at Bayview Station for 7 years, he took his transfer to Northern Station and later to Central Station. He then took his transfer to the MUNI Division working in the city wide plainclothes unit. In October 2017, he took his transfer back to Central Station.

Officer Archini says, "I like Central Station because the people in the community work really well with the officers in the district. The community is very friendly, ask questions, and try to understand the process of law enforcement. They want to be part of the solution to the problems and makes the job easier to work. I enjoy getting coffee or lunch and getting to talk to the public as well as when I get a call from the public. I also like the district because my family had many functions at St. Peter and Paul's Church (marriages, baptisms) and many celebrations in the district. The district reminds me of the good times and fun we had."

Officer Archini likes being a patrol officer. He says, "I am a patrol officer which is great because I get to handle different problems that the public calls me for in all areas of the district, as well as getting to proactively stop crime before it happens throughout the district."

SAN FRANCISCO POLICE DEPARTMENT

Auxiliary Law Enforcement Response Team (ALERT)

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

Three Ways To Become An ALERT volunteer:

After clearing a basic background check you will be eligible to register for one of our triannual ALERT training classes as follows:
