## Captain Paul Yep's Message

### Incident Reporting: How to Best Reach the SFPD

Here is some useful information for our Central residents about reporting crimes and obtaining police services. If you are reporting a crime that is *in progress*, dial 9-1-1 immediately. Also, call 9-1-1 to report fires, medical emergencies and any emergencies related to public safety.

To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 to have an Officer dispatched to meet with you.

You may also go to any SFPD district station to make a report. Central Station is located at: 766 Vallejo Street.

For your convenience, the following crimes may be reported on-line using the SFPD's main website (<http://sanfranciscopolice.org/REPORTS>):

- Harassing Phone Calls: When you are experiencing annoying calls - with no known suspects; for example, hang-ups or heavy breathing.
- Lost Property: When property has disappeared and not stolen. If you think it could have been taken but you have no idea by who, you may enter the report online.
- Theft: When property is stolen but there has been no illegal entry or contact by the thief.

When you call 9-1-1 or the SFPD non-emergency number, you are actually calling the Department of Emergency Management (DEM) and a trained professional will prioritize your call and send you the closest and most appropriate resource(s). Important data and tracking information will also be captured to assist in getting help to you in the most efficient manner.

If you are concerned about a homeless person in San Francisco, call the Department of Emergency Management (DEM) at 3-1-1 or email [healthystreets@sfgov.org](mailto:healthystreets@sfgov.org).

The 3-1-1 staff will talk with you to determine the appropriate City Agency or combination of Agencies to respond for services. DEM houses a "Healthy Streets Operations Center" (HSOC) staffed with representatives from the Police Department, Department of Public Works (DPW), Department of Health (DPH), and the Department of Homelessness and Supportive Housing (DHS). The HSOC is operational seven days a week from 7:00 am to 11:00 pm

Please note, the Central District Police Station email account is NOT monitored daily and was not set up to take reports of criminal incidents or suspicious occurrences.

Additionally, although we post information on social media such as "Nextdoor" and "Twitter" for informational purposes, the Police Department does not and cannot view your neighborhood "Nextdoor" posts and chats, because of privacy concerns. Please encourage your "Nextdoor" contacts to report incidents to the Police when they post information regarding crimes and any public safety issues on "Nextdoor".
