Captain Jack Hart's Message

Wed, January 17, 2018

"It has always been my firm belief that policing is one of the noblest professions. The actions of any police officer—in an instant—can impact an individual for life, and even a community for generations. Given this realization, every police officer must be centered on what's important. Service, justice, fundamental fairness—these are the foundational principles in which every police action must be grounded." —Dr. Stephen R. Covey

What Dr. Covey reminds us with these words—that are as true today as they were 20 years ago—is that every interaction we have with members of the public must be grounded in high moral principles, beliefs, and ideals which serve a cause greater than self. I am proud to have taught the last 53 SFPD recruit classes, countless in-service trainings, and many Blue Courage courses to thousands of police officers around the country. In every opportunity I get, I share this quote and its challenge for us at Ingleside Station to be great because the stakes are that high. You count on us working hard every day to be more ready than we were yesterday to embody these ideals in service of keeping you, your families, and your property safe. In 2018, may you never need to call a police officer. If you do, I hope that you find us living up to these ideals and proving that we are, indeed, San Francisco's finest.

Featured Officer of the Month

Officer Francisco Morrow & Officer Darwin Naval

From Academy classmates to School Resource Officers (SRO's), an SFPD partnership was formed between Officer Darwin Naval and Officer Francisco Morrow ten years ago. They knew this partnership would last, as they are both great listeners. Officer Naval would have to endure Officer Morrow's long tales of living in Wisconsin as a kid and chasing wildland fires as a firefighter in Southern California. Officer Naval, in turn, would regale Francisco with stories of patrolling the Stonestown Galleria with his "mountie" hat in his former life as mall security.

Throughout the month of December, I personally witnessed Officers Morrow and Naval deeply engage their community of students, staff, and parents. Whether it was forging a new partnership with Visitacion Valley Middle School to enable police officers to help students with their reading skills to managing a safe campus and safe school dismissal after an unrelated shooting that occurred near a school, December was a busy month for them. Yet, their resolve—forged through their relationships—withstood the challenges.

They, as well as Ofc. Marie-France Conciecao (a fellow SRO who was in Europe during December), have accomplished these noteworthy heights through their relentless determination to solve community problems and by forging deep interpersonal connections grounded in the principles of respect, empathy, and trust. They are seen as tremendous role models both within the school district and in the police community. In 2018, they will continue to build on these relationships while tackling emerging issues such as cyber bullying, social media use, and campus security.

Featured Citizen of the Month

Roberto Pena

On 11/21/2017 at approximately 1418 hours, a 16-year-old named J. Calix was playing a pickup game of soccer at Crocker Amazon Playground with some friends. During play, the ball was kicked in the direction of a male, later identified as Eliezer Hechevarria, who was walking across the field. Calix went to pick up the soccer ball from the area of Hechevarria and suddenly, without warning or provocation, Hechevarria used a pair of surgical scissors to slash Calix in the upper arm twice. Hechevarria turned and fled across the field and onto Geneva Avenue. Mr. Roberto Pena observed the entire incident from approximately 50-60 yards away. He confirmed that Calix was stabbed, called 911, and then followed the suspect both on foot and in a vehicle continually updating dispatch on the suspect's location. When the suspect began to walk through the children's playground area of Crocker Amazon, he feared for the safety of the dozens of children that were playing there and who were unaware of what this violent felon just did. Without regard for his own safety, he exited the vehicle that he was safely inside of, grabbed a tree branch to defend himself and others in case Hechevarria attacked again, and chased after the subject ensuring that he left the playground onto Moscow Street. When officers arrived, he immediately identified Hechevarria as the stabbing suspect. This quick identification allowed officers to search the immediate area where Hechevarria was apprehended and locate the weapon, which was a pair of surgical-type scissors.

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

The following are some examples of Suspicious Activity that are “In progress” crimes, which demand an immediate call to 9-1-1:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on January 4th, 8th, 10th and 30th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
