Captain Jack Hart's Message

Wed, February 28, 2018

“It’s 3AM. I am on patrol, alone in a police car. My only company is the endless chatter on the radio. The streets are quiet and the houses I pass are dark. It is in moments like this that I realize what policing is truly about. The community sleeps in the quiet and comfort and safety of their homes because I am out here. I am awake, vigilant, ready, and prepared to protect and serve. The city sleeps and reenergizes itself for a new day while I work to keep it safe. As the dawn approaches, the houses begin to light up, and the city awakes and prepares for a new day. While the city works, I will sleep, renew, and prepare to guard it once again.” –Michael Nila from *The Nobility of Policing: Guardians of Democracy*.

This month’s ‘Officers of the Month’ are the embodiment of the above passage and reminder to all of us how fortunate we all are to have such dedicated officers that work the midnight shift here at Ingleside Station. **See page #2 to read their story.**

Featured Officer of the Month

Ofc. George & Ofc. Demkowski

Ofc. Demkowski and Ofc. George are extremely dedicated, passionate, and hard-working on the midnight watch at Ingleside Station. In addition to performing consistently well over a period of time, here are just a couple of examples why these officers are to be commended as Officers of the Month:

Ofc. Demkowski was assigned to solo patrol on the midnight watch at Ingleside Police Station. On 01/23/2018, she saw a suspicious vehicle operating in the area of Glen Park at 3:30 in the morning. After identifying probable cause to stop the vehicle, she determined that the occupants were on parole. With the assistance of additional officers, the vehicle was searched and a fully-loaded Glock firearm with a 30-round extended magazine were located and seized. It is hard to measure how many violent crimes were prevented by this stop, search, and seizure, but this result is very hopeful and rewarding.

Ofc. George was assigned as a solo patrol officer on the midnight watch at Ingleside Police Station and was assigned to the Glen Park area. Recognizing that there had been an increase in burglaries in both the Glen Park, Diamond Heights, and outer Noe Valley areas, Ofc. George was actively patrolling back and forth between these neighborhoods. On 01/16/2018 at 0448 hours, a report of a burglary was called in around the area of the 300-block of Valley Street. Ofc. George, already in the neighborhood on active patrol, heard the description and simultaneously saw the suspect in the area of 29th Street and Day Street. After a foot pursuit, the suspect—already wanted on a “no-bail” felony burglary warrant—fought with the police and ultimately was taken into custody.

These officers’ actions are just a small sample of heroic work done by midnight shift officers who keep us safe while our neighbors, families, and children sleep soundly in our beds. It is for these small and unseen—but heroic—acts, that they are our Officers of the Month.

She has held the position of Club President, District 4-C4 Zone Chairperson for two years and most recently she held the position of District Secretary until her passing this past November.

May was a fun loving and very cheerful person. She had a heart of gold and the most generous soul anyone could ever have. She was tenacious and energetic. Her loving spirit will live on forever.

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

The following are some examples of Suspicious Activity that are “In progress” crimes, which demand an immediate call to 9-1-1:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.

1:45pm 200 Blk. Addison Stolen Vehicle

We've written before about the likelihood that vehicles, with paper license plates, are likely to be stolen or involved in some crime. The vehicle code requires that all vehicles, not yet issued license plates, have a temporary registration tag in the front windshield or rear window. On this day, Ingleside Officers Peralta and Harper were on routine patrol when they spotted an older Toyota Camry with paper plates and no visible temporary registration tags. The officers noticed two men inside and a third talking to the occupants next to the passenger window. Peralta and Harper approached the Toyota and found the occupants smoking marijuana. A check of the Toyota's registration revealed it was reported stolen three days before. The driver was arrested and transported to the Juvenile Justice Center and booked on charges of possession of stolen property, possession of burglary tools, and for possession of marijuana in a vehicle by juveniles. His passenger was released to his parents and the third man was released at the scene. Report number: 180129716

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on February 13th, 20th, 23rd and 28th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

Homicide Investigation Leads to Officer Involved Shooting

On Friday, February 16, 2018 at approximately 6:28PM, SFPD officers responded to a shooting homicide at Oak and Stanyan Streets. Two adult males were shot and one died from his injuries.

Following that incident, a silver Toyota 4 Runner was taken in a carjacking. Through the course of an investigation, it was determined that the Toyota was stolen by the homicide suspect. The SFPD Homicide Detail issued a crime alert listing the suspect and vehicle description.

On Saturday, February 17, 2018 at approximately 12:13 AM, uniformed SFPD officers in a marked vehicle located the stolen Toyota on Alameda Street near De Haro Street. The Toyota was unoccupied and parked behind a recreational vehicle. Officers determined that the RV was occupied and contacted the occupants to conduct a wellbeing check. Multiple persons exited the RV. Officers determined that one person remained inside the vehicle.

Officers made contact with the subject who remained in the RV and an officer involved shooting occurred.

The officers established a perimeter and requested the Tactical Unit and Crisis/Hostage Negotiation Team. The occupant of the RV did not respond to officers' orders to exit the vehicle.

At approximately 2:20AM, the occupant exited the RV and was taken into custody. He was taken to a hospital for evaluation.

At approximately 3:05AM, the SFPD Tactical Unit determined that there were no additional occupants in the RV.
