## Captain Jack Hart's Message

Wed, May 9, 2018

We often equate the term “resilience” with the ability to bounce-back after a traumatic incident occurs. This leads many to believe that our greatest moments of testing will be whether or not we can pick ourselves “up off of the mat” when knocked down by the heavyweight title holder (or in the lens of Bay Area disaster management “The 10.0 magnitude ‘Haywired’ earthquake.” The Institute of Heartmath, the neuroscientists at the forefront of developing resilience in the systems of the human body that sustain life when in energetic coordination, defines “resilience” as: “The capacity to prepare for, adapt to, and recover from stress, adversity, or challenge.” This definition broadens the lens in which we view resilience, specifically that we can invest our energy, time, willingness, and commitment now, so that we are all more prepared today than we were yesterday when the unthinkable happens. Ingleside Station is working hard to be resilience partners with all of our neighbors and neighborhoods and looks forward to promoting NEN’s Neighborfest and other initiatives in support of Neighborhood Watch, NERT, ALERT, and other community-building programs already in progress.

## Featured Ingleside Officers of the Month **Ofc. Dungea & Ofc. Calupad**

The Featured Officers of the Month for May are Ofc. Jason Dungea # 1003 and Ofc. Oliver Calupad #4320. Jason and Oliver, (fourth and fifth from the left in this photograph) are partners on the 11AM-9PM watch, who tirelessly work to keep the streets of the Ingleside safe during the busiest times of day for calls for service.

They are particularly noteworthy for their proactive crime-fighting work during the month of April, 2018. Three times during the month of April, they received “Crime Bulletin” emails related to property and personal crimes sent out from investigators, recognized the suspects on the street from the online photos, and safely and effectively took them into custody.

Statistics alone cannot measure heart, drive, passion, engagement, willingness, selflessness, and tenacity that these officers possess, which is why their proactive work this month is worthy of particular note and praise.

## Featured Ingleside Community Member of the Month

# Daniel Homsey

Daniel Homsey, a fourth generation San Franciscan and graduate of San Francisco State University, is Ingleside Station's Featured Community Member of the Month.

He is particularly being recognized for his energetic, tireless, and passionate work to enhance the communication, connection, and capacity of neighborhoods, for neighbors, all over the City. As the Director and Hub Planner for the Neighborhood Empowerment Network, he has not only passionately advocated for stronger neighborhoods by planning, organizing, equipping, and inspiring everyday people to invest in themselves, their families, their neighbors, and the community, but to bring community-based organizations, government agencies, schools, elected officials, and public safety partners to the table with the purpose of enhancing cross-communication and collaboration so that all of our public safety and wellness goals can be met.

We are a better, safer City because of him.

Please visit [empowersf.org](http://empowersf.org) for more information and consider hosting a "Neighborfest" in the Fall!

**"The first 72 hours after a disaster are critical; organizations often must create collaborative strategies on the fly to meet the immediate needs of their community's residents, therefore having a culture of coordination and cooperation already in place is a big benefit." -Daniel Homsey**

## Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

## Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

The following are some examples of Suspicious Activity that are “In progress” crimes, which demand an immediate call to 9-1-1:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or

### Arrests:

**4:29pm      400 Blk. Capistrano      Burglary**

This is another case where home security cameras helped police capture a burglary suspect. In mid-December of last year, a homeowner's security video showed a suspect opening the home's front gate before taking two packages lying on the ground. The suspect then sat down on the front porch, opened the packages containing a pair of shoes and two lawn lamps. The suspect then got back on his bicycle, with the stolen merchandise, and rode away. He was also wanted for another package theft on the unit block of Ruden Street on the 10<sup>th</sup> of April. On this day, Ingleside Officers Archilla, Lustenberger, and Carew spotted the suspect standing outside his home on the 300 block of Delano. He was quickly arrested and driven back to Ingleside Station for booking. Report number: 171015445

### Arrests:

**6:20pm          2600 Blk. San Bruno          Narcotics**

Throwing garbage out the window of a moving car won't usually get you arrested. But on this night it did, but not for littering. Ingleside Officers Lee and Barajas were driving south on Girard when a passenger in a Toyota ahead of them threw a cup out a rear passenger window. The officers followed the vehicle until it parked at a parking lot in the 2600 block of San Bruno. The officers exited their car and approached the vehicle and asked for identification. One of the passengers had a criminal record including being arrested for carrying a concealed weapon. Inside one of his pockets was a quantity of methamphetamine and inside the car was a small scale used for weighing the drug for sale. The suspect was transported to Ingleside Station and booked possession of methamphetamine for sale. The driver and the other passenger were released at the scene after being admonished for littering. Report number: 180323485

### Serious Incidents:

**3:04am          3200 Blk. Folsom          Hot Prowl Burglary**

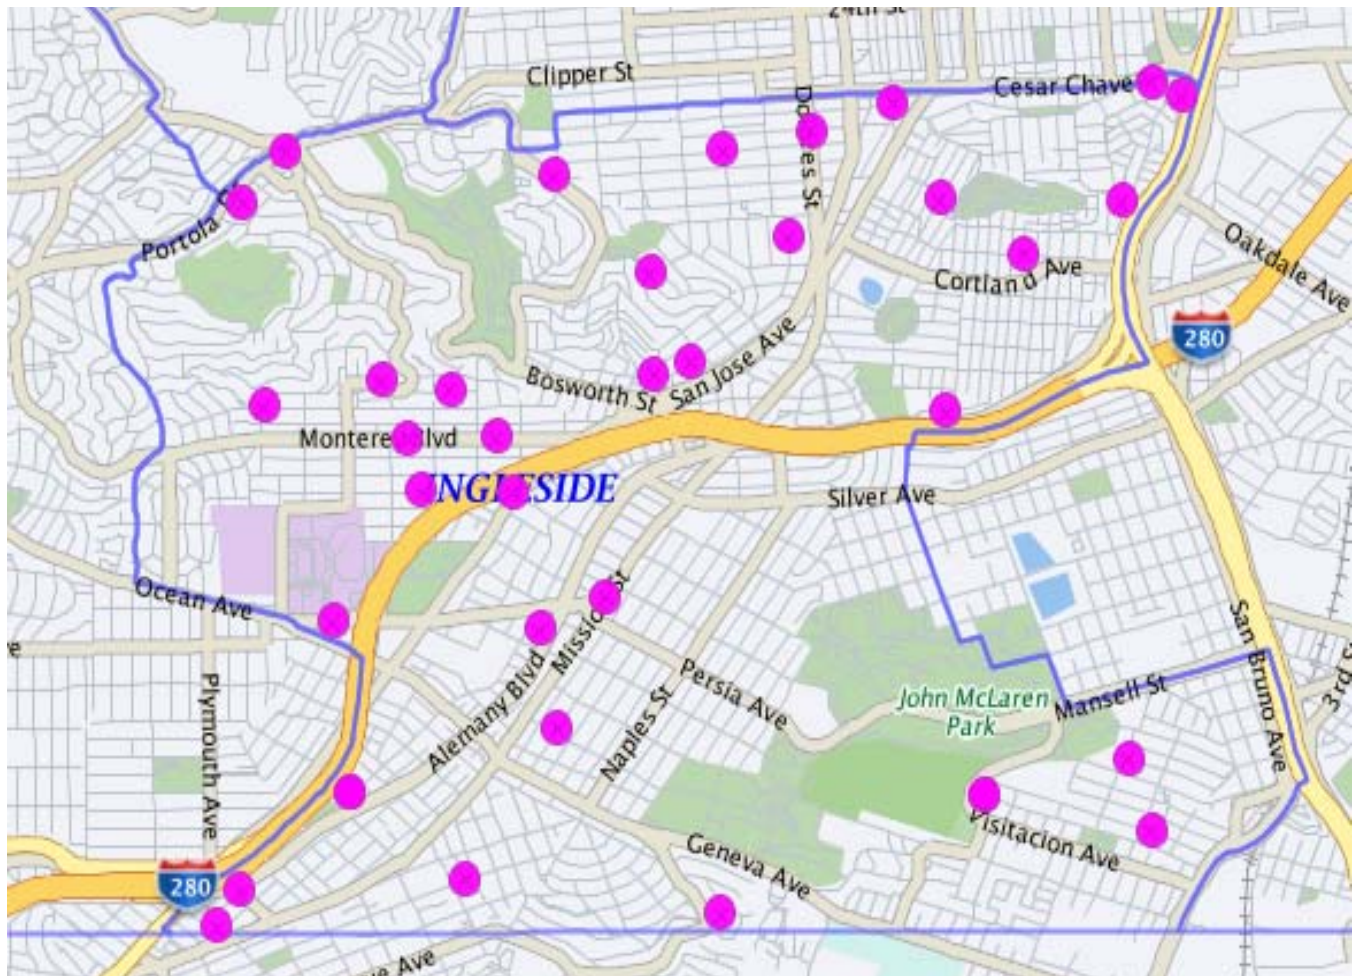

Quick acting burglars stole a pair of bicycles from a garage. The victim told Ingleside Officers Bell and Buckner that he awoke to the sound of breaking glass. He immediately got out of bed and ran downstairs to see his garage door open and his bicycles gone. He went back upstairs and asked his girlfriend to call the police. The victim said the suspects had broken a glass pane on the garage door, reached in and pulled the emergency cord on the door opener, went in and took the bicycles before escaping. ## NEWS RELEASE

May 4, 2018

### **Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant**

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on May 8th, 15th, 18<sup>th</sup>, 24th and 30th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

## Auxiliary Law Enforcement Response Team (ALERT)

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

## What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

### Three Ways To Become An ALERT volunteer:

After clearing a basic background check you will be eligible to register for one of our triannual ALERT training classes as follows:

1. Complete two 8 hour classes with ALERT, or,
