## Captain Jack Hart's Message

Wed June 27, 2018

Gordon Graham, a risk management expert, author, and speaker who coined the phrase "If it's predictable, it's preventable," reminded us in a leadership seminar to always participate in the airplane safety briefing before takeoff, so as to be ready if the unthinkable happens. Seizing the opportunity on a recent flight, I heard the United flight attendant announce, "If the oxygen mask comes down from the overhead bin, put the mask on yourself *first* before assisting others." Both Graham's and the flight attendant's words reflect the importance of enhancing personal capacity, so that we may be able to help others. Simply put, an empty well gives no water. This month's community meeting, held at Ingleside Police Station from 7-9PM on Tuesday, June 19<sup>th</sup>, will focus on training that will enhance personal, family, neighborhood, and community capacity and readiness. This "pre-NERT" training will be co-presented with the SF Fire Department's Neighborhood Emergency Response Team instructors. If you have already been NERT certified, bring an interested neighbor or friend for a comprehensive review of preparedness principles that will inspire them to seize upon future trainings (like the full NERT course) and events (like NEN's Neighborfest/Block Party program). Come get the knowledge, skills, and ability for yourself and your family's resilience, so that you may serve and protect your neighbors, neighborhoods, and community in times of stress.

Commanding Officer

## Featured Ingleside Officer of the Month **Sgt. Lisa Springer**

Jude, a City kid who worked really hard to save up money to buy his first car, found out on one cold Ingleside morning that he had been swindled. The car he bought suddenly--and without any fault of his own--fell apart just off of Alemany Boulevard. Officers responded to the scene, dealt with the vehicle, and worked hard to calm and reassure Jude, whose obvious sadness and frustration had boiled over.

Sgt. Lisa Springer, moved by his situation, decided to take action. She relayed Jude's situation to all of the officers at Ingleside and took up a voluntary collection. She raised \$800 for his next "down payment" and additionally pitched in for car cleaning supplies in anticipation of his future car's needs. On May 14th, Jude and his family came to Ingleside Station and were both surprised and heartened by the generosity of spirit from the officers and the sense of hope restored for Jude.

Lisa is an 18-year veteran of the Department. She's an amazing leader on-duty and wonderful mother off-duty. For all of these reasons, she is our featured officer of the month.

## Featured Ingleside Community Member of the Month

# The Friends of Kenny Alley

This month, we are featuring, honoring, respecting, and celebrating the amazing accomplishments of the “Friends of Kenny Alley.”

Kenny Alley, a public passage and stairway that connects London Street to Mission Street between France Avenue and Italy Avenue, appeared on San Francisco maps as early as 1911. Recognizing the need to beautify and rehabilitate the space, Friends of Kenny Alley was organized in 2015. Since then, they have installed a mural, mosaics, new signage, and planter boxes (amongst other things). Members of this group also serve the Excelsior community as members of EDIA, OMMRA, EAG, Excelsior Collaborative, and others.

We are grateful for all the blood, sweat, tears, love, artistry, donations, and support that made Kenny Alley what it is today; it is a shining example of what is possible when great people with a great vision do great work.

The officers summoned an ambulance which transported the victim to San Francisco General Hospital for treatment. Quick work by Ingleside officers resulted in the arrest of a burglary suspect. Ingleside officers Ahern and Duran were dispatched to a report of a burglary on the 600 block of Morse. While in route, the officers spotted a man matching the description of the suspect walking north bound on Mission Street, near Concord. Ahern and Duran broadcast that information and proceeded to the victim's home. They talked to the woman victim and viewed surveillance video showing the suspect struggling with the victim while trying to wrestle away her purse as she entered her garage. Meanwhile, Ingleside officers George and Billings detained the suspect who was brought back to the scene of the crime. The victim positively identified the suspect as the man who stole her purse. He was arrested for burglary and transported to Ingleside Station for booking. Report number: 180459121

Next, one of the suspects reached into his waistband and said "I have a gun. Give me the ice cream". The concession owner didn't comply even though he was scared for his life. The pair then grabbed a can of Sprite and walked away. Ingleside officers Camarra and Grabbe arrived and broadcast a description of the pair of suspects. ## Operation Kaboom

**Why:** To efficiently and effectively knockout those locations where illegal fireworks are ignited throughout the Ingleside District, so that we maintain peace, calm, and the quiet enjoyment of life for adults, children, and pets.

**What:** July 4<sup>th</sup> is prime time in the Ingleside Police District for illegal fireworks to be ignited between the hours of 5PM and 2AM. While 911 is the main number for emergencies in progress, including fires, serious injuries, and other criminal offenses, the non-emergency number, (415) 553-0123, had been the primary source of communication regarding fireworks complaints. This number has been inundated with calls regarding the sound of fireworks, making it harder for residents to contact police (and generate an effective response) when there is specific information regarding suspects and locations that are causing the biggest fireworks disturbances.

**How:**     Emergency     Dial: 911

              Non-Emergency     Dial: (415) 553-0123

**Operation Kaboom Dial: (415) 404-4052** when you can see and describe the suspect(s) at a certain location where illegal fireworks are being ignited. An SFPD PSA (Police Service Aide) will be staffing the line. Be prepared to provide the exact location and description of the subjects. The Operation Kaboom Task Force (OKTF) will have a small group of officers who will respond to specifically abate, admonish, and even arrest if the circumstance warrant. The OKTF may be delayed due to the volume of calls and may be needed if a shooting, riot, or other situation requiring an emergency police response occurs that takes precedence.
