## Captain Jack Hart's Message

Wed July 25, 2018

“A democracy cannot survive as a permanent form of government. The average age of the world’s greatest democratic nations has been 200 years. Each has been through the following sequence:

- From bondage to spiritual faith;
  - From faith to great courage;
  - From courage to liberty;
  - From liberty to abundance;
  - From abundance to complacency;
  - From complacency to selfishness;
  - From selfishness to apathy;
  - From apathy to dependency;
  - And from dependency back again into bondage.”
- British aristocrat Lord Macaulay; May 23, 1857

As we celebrate our 242nd year, may we have the wisdom to discern where we are on this list and the courage to wholeheartedly recommit to the virtues that prove Lord Macaulay wrong. While we take this Holiday as a celebration of our Independence, we must have the relentless determination to think, act, and forge deep bonds with one another as an interdependent whole, as one family, one neighborhood, one Ingleside District, one City, and one Nation.

**Captain Jack Hart**  
Commanding Officer

## Featured Ingleside Officer of the Month **Sgt. Carl Ueber**

With a decade's worth of training and experience with the SFPD, Sgt. Carl Ueber still consistently represents the best of what we have to offer: deep connection to public service, attention to detail, mindfulness of what each situation asks for, and the courage to do what's right, necessary, and selfless. San Francisco Chronicle writer Kevin Fisher-Paulson captured one of Carl's finest moments and reflected it in one of his recent columns. The words speak for themselves and clearly support why Sgt. Carl Ueber is July's Featured Officer of the Month. Please feel free to visit the link below to view the article.

## Featured Ingleside Community Member of the Month

### Coro's Exploring Leadership Youth Fellows Participants

The Coro Foundation was founded in 1942 by W. Donald Fletcher and Van Duyn Dodge, who were working on a political campaign in San Francisco and had deep discussions about effecting change through the cultivation of new generations of leaders. Over the coming decades, Coro Northern California have developed youth, women, emerging leaders, and neighborhood leadership academies. This summer, the Exploring Leadership Youth Program is training 24 bright and motivated Bay Area High School students to be active citizens and leaders in our community. Their focus is on studying the logic of a community, specifically what makes San Francisco's Excelsior District "tick." Jasmine, Lavender, Yunseo, Shreya, and Owen all visited with Capt. Hart, Ofc. Phillips, Ofc. Hauscarriague, and Ofc. Brandt for a 90-minute discussion on youth, police, and community relations in the Excelsior District, Ingleside Station, the SFPD, and across the profession nationwide. One student said, "I had a negative connotation with the police and even feared them, ...(this) put me in a different perspective—one of the realest interviews I had ever."

We are grateful for Coro's work, especially Clifford Yee the Director of Diversity and Inclusion Training who made this wonderful connection between participants and Ingleside Station. Congratulations to all the participants for working hard this summer to further their growth and development into future leaders.

## DMV Reminds Drivers of New Laws Taking Effect July 1

**Sacramento** – The Department of Motor Vehicles (DMV) reminds Californians about three laws designed to improve traffic safety that take effect July 1.

**Private Carriers of Passengers ([SB 19, Hill](#)):** This law transfers regulatory authority over the [Private Carrier of Passengers Program](#) from the California Public Utilities Commission to the DMV. A private carrier offers not-for-hire transportation services. Examples include a church bus and an employee shuttle. The DMV and the California Highway Patrol (CHP) will administer this program jointly. The DMV is responsible for issuing certificates for intrastate authority and verifying proof of liability insurance, while CHP regulates compliance and the safe operation of the vehicles. The purpose of the Private Carrier of Passengers program is to ensure that private carriers transporting passengers in California are operating in a safe manner and maintain adequate insurance coverage.

**Buses and Seatbelts ([SB 20, Hill](#)):** This law requires passengers in a bus equipped with seat belts to be properly restrained. Children between the ages of 8 and 15 traveling on a bus must wear a seat belt or be in an appropriate restraint that meets federal safety standards. A violation is punishable by a fine. Traveling by bus is overall a safe mode of transportation. The DMV is supportive of efforts to increase traffic safety, and this law contributes to reducing highway deaths and injuries as a result of large bus crashes by requiring the use of seatbelts on motor coaches and large buses, and requiring bus operators to inform passengers of the seatbelt requirement.

**Driving Under the Influence (DUI) Passenger for Hire ([AB 2687, Achadjian](#)):** This law prohibits a driver with a blood alcohol concentration (BAC) of 0.04 percent or more from transporting a passenger for hire. This lowers the legal limit from 0.08 to the same BAC standard for commercial drivers. The DMV wants to ensure the public understands drivers of passengers for hire will be held to a higher standard of safety while transporting people. The DMV will suspend a person's driver license if a conviction is added to their record. Commercial driver license holders will receive a disqualification.
