## Captain Jack Hart's Message

Wed Oct 10, 2018

### Captain's Message October 2018

As a San Franciscan, I don't do humidity.

A few days ago, I was walking through Balboa Park and was mentioning the stuffy humidity on a warm day and I heard someone say "earthquake weather." I immediately shuddered at the thought of a major earthquake occurring and the anger at someone who would even mention "earthquake" (as if he had 'jinxed' us and that the cosmos would now snap into action at this verbal faux pas.)

While we may be conditioned to fear the worst, we must all transcend fear into action. With the 29th anniversary of the Loma Prieta earthquake fast approaching, let's take time this month to empower ourselves.

- 1) To enhance district knowledge, go to [sfpdinglesidestation.com](http://sfpdinglesidestation.com) and signup for the station newsletter.
- 2) To enhance incident awareness, register for AlertSF notifications by texting your zip code to 888777. 3) To enhance capacity by gathering supplies and making a plan, go to: [www.sf72.org](http://www.sf72.org).
- 4) To enhance community:
  - a. Go to [sfsafe.org](http://sfsafe.org) and consider joining/starting a neighborhood watch group.
  - b. Go to [sf-fire.org](http://sf-fire.org) and consider becoming a NERT-Trained Volunteer.
  - c. Go to [sanfranciscopolice.org/alert](http://sanfranciscopolice.org/alert) and consider becoming an ALERT member.
  - d. Go to [empowers.org](http://empowers.org) and consider hosting a neighborhood block party.

Please take a little time to visit the above listed websites which will better prepare you if, and when a natural disaster strikes. Chance favors the prepared mind!

## Featured Ingleside Officer of the Month

# Leo Zandanel

Ofc. Eleonardo Zandanel was born in Pieve di Cadore Italy to an Italian father and a Brazilian mother, so he grew up speaking Italian and Portuguese. He migrated to the United States at age 10 and learned English, Spanish, and French along the way. After graduating from Northeastern University—with a double major in International Affairs and Economics—he then worked at the United Nations during 2 general assemblies in 2011 and 2014. Already an established world traveler, he then went on a motorcycle ride of a lifetime: from Boston to Brazil. There, he found a job at a non-profit. While visiting a friend in San Francisco, he noticed an ad on a Muni bus to join the SFPD and the rest is history.

During a recent stop at a block party in Bernal Heights, Ofc. Zandanel jumped into a soccer pickup game with kids and showed off a Ronaldo-esque back-heel kick (see pictures above).

Ofc. Zandanel has been with the SFPD for three years and enjoys Ingleside Station for the officers who deeply care about the community and the rich diversity of Ingleside's neighborhoods. He is currently assigned as a foot-beat officer and is doing an apprenticeship with the School Resource Officers (SRO's), where he is learning the dynamics of working with the parents, schools, and children in the Ingleside's 47 schools.

## Featured Ingleside Community Member of the Month

# Ernest Jones

Ernest Jones was born at St Luke's Hospital in the Ingleside District in 1985. EJ's home was at Arch and Holloway Street in the neighboring Taraval District. EJ's mother worked as an educator for the San Francisco Unified School District (SFUSD) for 45 years; his father worked for SF MUNI as an Inspector.

EJ attended St. Emydius Grammar School and later attended St Ignatius High School. EJ attended Dominican University for his undergraduate studies and received a Masters in Public Administration from the University of San Francisco.

EJ's professional career in Public Administration began with the SFUSD where he assisted families and students with their needs and education. EJ wanted to further his public service and have more tangible impact on families, so he began working at the Bernal Heights Neighborhood Center and with residents of the Alemany housing complex. There, he affected positive community engagement by starting the "City Eats Program" where 1,000 homeless people are fed nutritious meals every Saturday of each month. EJ continues to serve challenged and underserved communities and has a desire to make a positive impact on people's lives.

EJ takes great pride in planning block parties where residents from communities such as Holly Park and Alemany Housing Complex celebrate their neighborhood. When asked about the recent Holly Park Block Party, EJ took pride in the success of the event where residents, neighbors (including Mayor Breed), and neighborhoods came together in a spirit of collaboration, preparation, and connection. EJ is grateful for so many motivated, caring, and dedicated people, community members, community groups, and City government (with special thanks to Nick Chapman at ISCOTT/MTA and Daniel Homsey from NEN) coming together to plan the upcoming November 3rd Alemany Block Party on Ellsworth Street from 11AM-2PM. We are grateful for EJ's dedication, enthusiasm, collaboration, and support for community building!

If you are interested in supporting this amazing upcoming event, please call 415-206-2140 or visit [www.bhnc.org](http://www.bhnc.org).

He also had a window punch, which is a tool used to break into vehicles, along with a garage door opener, a key to a Land Rover, a social security card, a hotel key card, two ID cards, and two debit cards belonging to several different people. Report number: 180753666

The officers admonished him about the noise and were about to leave when the suspect reached into his pocket and threw change at the patrol car. After a short tussle, the suspect was quickly arrested for being drunk in public. While at the station the suspect had medical issues that needed tending too. The suspect was transported to the hospital to be evaluated and eventually released. Report number: 180756256

### Arrests:

The arrestee mistakenly believed he had permission from another tenant to remove a ceiling fan and take it with him. But when he couldn't get back into his old apartment, he used a screwdriver and other tools to break into the premises and remove the ceiling fan. Ingleside Officers Archilla, Lustenberger, and Sgt. Martin questioned the tenant and he freely admitted to the burglary. He was taken to Ingleside Station for booking. The irony of the event is that the ceiling fan was in public housing and belonged to the City and not the tenant. Report number: 180749201

## NEWS RELEASE

### **San Francisco Police Seek Public's Assistance in Locating Hit and Run Driver and Car**

On October 3, 2018 at approximately 9:11 PM, San Francisco Police officers responded to a vehicle versus pedestrian collision at Oak Street and Baker Street. Upon arrival officers located the pedestrian, a 60 year-old male San Francisco resident, suffering from life threatening injuries. The victim was transported to Zuckerberg San Francisco General Hospital (ZSFGH) where he remains hospitalized in life-threatening status.

Investigators from the SFPD Traffic Collision Investigation Unit (TCIU) determined that the suspect vehicle, a black or dark blue Toyota Prius ran a red traffic light while traveling eastbound on Oak Street at Baker Street. The Prius struck the pedestrian who was in the crosswalk while crossing Oak Street from the southeast to northeast corner.

The driver of the Prius stopped at the scene and briefly exited the vehicle, before fleeing in the Prius eastbound Oak Street to southbound Broderick Street. The Prius likely sustained front end damage as a result of the collision.

SFPD TCIU Investigators are asking the driver of the Toyota Prius to contact them by calling the SFPD 24 hour tip line at (415) 575-4444. Investigators are also asking residents and business owners in the area of the incident to check surveillance cameras for any images related to the incident. Anyone seeing a black or dark blue Toyota Prius with front end damage, or anyone with information regarding this incident is asked to call the SFPD 24 hour tip line at (415) 575-4444 or Text a Tip to TIP411 and being the text message with SFPD.
