Here is some useful information for our Park residents about reporting crimes and obtaining police services. If you are reporting a crime that is *in progress*, dial 9-1-1 immediately. Also, call 9-1-1 to report fires, medical emergencies and any emergencies related to public safety.

To report a non-emergency incident (a crime that has already occurred and the suspects are gone), please call the SFPD non-emergency phone number at 415-553-0123 to have an officer dispatched to meet with you.

You may also go to any SFPD district station to make a report. Park Station is located at: 1899 Waller Street.

For your convenience, the following crimes may be reported on-line using the SFPD's main website (<http://sanfranciscopolice.org/REPORTS>):

PARK STATION'S OFFICERS OF THE MONTH FOR FEBRUARY 2018

**In the above photo,
Officers Sung, Slomowitz, and Reilly**

It's a proven fact that police presence brings down crime, however, we know it is impossible to have police presence everywhere 24/7. Captain Bailey dedicated Officers Jeffery Sung, Ashley Slomowitz, and Michael Reilly as Park Station's homeless outreach officers. These three officers have been tasked with providing outreach to the homeless population within the Park district, with a focus on the parks in the district as well as high-traffic areas. The team performs well-being checks and attempts to engage individuals into services and other resources as identified by the community and their own daily observations. These officers are tasked with teaming up with Richmond Police Station Officers, the Department of Public Works, the Recreation & Parks Department, the Park Rangers, and SF HOT to reduce the number of calls for service and to improve the quality of life for everyone within the community. These officers are out on a daily basis maintaining a high-visibility police presence in providing admonishments, issuing citations, and making arrests when deemed appropriate. Their high-visibility and efforts to identify as many people as possible makes suspects think twice about committing crimes while visiting our neighborhoods.

PARK STATION'S CITIZEN OF THE MONTH FOR FEBRUARY 2018

**In the above photo,
Larry Rosenfeld**

Larry Rosenfeld was born in Southern California and acquired an appreciation for San Francisco and the Bay Area quite young. Larry had his eighth birthday in Cuernavaca, Mexico where his family lived during much of that year. After high school, Larry migrated around California attending different colleges, the last one being Stanford University, where he did his graduate work in Electrical Engineering. Larry spent the bulk of his professional career in Santa Rosa with Hewlett-Packard Company and its spin-off, Agilent Technologies. It was in Santa Rosa that his daughter was born.

Upon his retirement from Agilent in 2006, Larry and his wife moved to the Inner Sunset and he busied himself doing volunteer work at All Saints' Episcopal Church in the Upper Haight. Larry's daughter, son-in-law, and granddaughter live quite near him (although in the Taraval District). In 2009, Larry became treasurer and a board member of Inner Sunset Park Neighbors, and soon after, when then-Chief George Gascón, and then-Captain David Lazar asked all the district commanding officers to implement Community Police Advisory Boards at their stations, Larry became the representative from the Inner Sunset to Park Station.

In 2011, Larry took over from Richard Magary as representative from Park to the City-wide CPAB committee.

Captain Bailey and Park Station would like to thank Larry for his dedication, and generosity he has shown to the community, and all the officers at Park Station.

DEFINITION OF SUSPICIOUS ACTIVITY

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

DEFINITION OF COMMUNITY POLICING

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Park Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Park Station runs full time beat officers assigned to Haight Street.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Weekly Email Updates: Park Station sends out weekly email newsletter updates to residents in the District that alerts residents to crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

COFFEE WITH A COP

On Thursday, 1/25/18, from 9:30am to 10:30am, SFPD’s Park Station held their “Coffee with a Cop” event at Duboce Park Cafe, located at 2 Sanchez Street, where officers, and the Duboce Triangle community members conversed over their beverage of choice. This “Coffee with a Cop” event went well, and had numerous members of the community attend, and engage in conversations regarding quality of life issues, and concerns pertaining to the Duboce Triangle neighborhood. Captain Bailey was accompanied by Lieutenant Santos, Officers Sung, Wu, Abaunza, Aguilar, Reilly, and Deignan. These officers fielded questions about law enforcement issues and quality of life concerns pertaining to the surrounding neighborhoods. Park Station appreciates the members of the community, especially Community Police Advisory Board (CPAB) member and Duboce Triangle Neighborhood Association (DTNA) member, Mark Scheuer, the President of DNTA, Kimyn Braithwaite, and her daughter, Savannah, who participated, and engaged in several substantive conversations about the Park District.

With the approval of Sergeant Kim, the subject was booked for the two (2) warrants, and sleeping in the park, and later was transported to County Jail #1.

PREVENTING CRIMES

Twin Peaks Viewpoint, a destination frequented by numerous tourists on a daily basis for the beautiful view of the city, is well known to SFPD's Park Station and the surrounding neighbors as a hotspot for crimes. Because of this, Captain Sanford #657 requested Sergeant Kim #4171, to conduct crime abatement operations to attempt to reduce the crimes committed in the surrounding area of Twin Peaks.

In the month of August 2017, Sergeant Kim conducted several crime abatement operations in the Twin Peaks area. The crime abatement operations were successful in identifying several career vehicle burglars that are active in the Twin Peaks area.

Park Station would like to remind the community to please report any suspicious activity so we can do our best to address the problem. Park Station would also like to remind the community to please keep valuables out of view of the public and also to refrain from placing valuables in their cars unattended!!

HELPFUL TIPS**DON'T BE CAUGHT EMPTY-HANDED!!!!**

1. When placing an online or phone order, **request signed confirmation upon delivery**
2. Deliver packages to your office if at all possible; if not, deliver to a neighbor who will be home to sign for your package
3. If ordering from Amazon, use a self-service Amazon locker located throughout San Francisco; they will send you a notification email when the package is received. Go to Amazon.com and search for "Amazon Locker"
4. For U.S. Postal Service deliveries, you can authorize USPS to have certain deliveries left in a garage, with your neighbor, etc.; first you will need to create an account at USPS.com. Also check out "UPS My Choice" where you can log on to UPS.com and track your package to reroute, reschedule, or authorize a shipment release for your delivery. Get a PO box for deliveries for extra security
5. Shipping via UPS? Go online to UPS.com and search for "UPS Access Point"; neighborhood stores that will hold your packages for you
6. There are several apps available in San Francisco that allow you to ship to a package destination, and then will schedule the delivery to your home once you are available
7. Set up a delivery alert by email or text as to when your package has been delivered
8. Pay for insurance to cover the cost of the item shipped if lost, damaged or stolen
9. **Never let a package sit unattended on your doorstep**; package theft is very high in San Francisco.

COMMUNITY POLICE ADVISORY BOARD

We have continued to facilitate and sustain on-going dialogues with the members of the community to cultivate and expand the regional Community Policing Advisory Board (CPAB). CPAB has routinely contributed to facilitating many community events, discussions, and informal outreach with all members of the community. Since the onset of this larger project, we have held many community engagement events, which have been successfully facilitated by law enforcement personnel from Park Station with the assistance of members of CPAB such as: as “National Night Out”, the ‘Meet the Beat” neighborhood forum series, Community meetings, and the “Coffee with a Cop” outreach series . We have also promoted and provided updates on these CPAB-facilitated events in our station’s Newsletter, with upbeat and informative articles that describe the work of our officers alongside CPAB members. As mentioned previously, CPAB consists of senior leaders in the community who are invested in and committed to enriching the relationship between law enforcement and the community it serves. CPAB is an integral part of the dynamic evolution of this community engagement project.

These weekly and monthly events, which encourage all members of the community to participate and engage with Police, provide us with a direct opportunity to listen to people, and to hear their concerns and perspectives, which we in turn share with the committee for further review and consideration. Our commitment to community policing is enriched tremendously by these engagements and ultimately assist our goal in providing the highest level of public service and safety to the communities we serve.

PARK STATION'S VISION & VALUES

**In the above photos,
Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
