Hello all,

Park Station's officers continue to do great work to ensure the safety of our community, and to increase everyone's sense of security and safety. We continue to pay special attention to the community's concerns within the Panhandle, and its surrounding areas. We hope that our efforts in the Park District are making a difference, because it's our main goal to ensure everyone in our community feels safe.

I want to review with everyone how you can best avoid being a victim of a burglary. Please ensure that you are taking basic security measures i.e. locking and securing all doors and windows. Be mindful of this security even when at home do not leave a window or door open that is easily accessible from the ground floor. Always remember to keep your garage doors closed and secured. Do not leave a hide-a key. Suspects are very in tune with where people leave spare keys. Do not leave your garage door opener in your car or at least keep it out of view. Please think about installing a security camera and motion activated lights. Of course a big deterrent of burglaries is having a dog but I know not all of us can be lucky enough to have our furry friends on guard each day and night. Please immediately call 911 if you think you see a crime in progress or a suspicious person in your neighborhood. This month, we had four individual arrests of suspects caught breaking into vehicles and all because citizens called 911 to report the crime in progress. Our officers responded quickly and were able to take these suspects into custody. This just goes to show how we can work together to make our community safer just by calling 911 when you see a crime in progress.

Please everyone take good care and be safe.

Captain Una Bailey

CAPTAIN BAILEY'S TIP OF THE WEEK TO PREVENT OR SOLVE CRIME

I want to take this time to remind everyone to record the serial numbers of all your valuables i.e. bikes, tools etc. You can do this by simply taking a photo of the item and then zoom in to take a photo of the serial number. Most people have smart phones and you can easily use your phone camera to achieve this. This is really great information for you to have in the event you are a victim of a theft. We can post the photos on flyers and record the serial numbers of your possessions so that in the event we make an arrest of an individual with stolen items your items will be easily recognizable. Officers can also identify them easily if they are being sold at any location. Bottom line having this information increases your chances of being reunited with your stolen items. It also increases the chances of these thieves being held accountable for their crimes.

Please take the time, and review the SF SAFE form on the next page (page 3) for helpful residential safety tips.

Please everyone take good care and be safe.

Captain Una Bailey

LOCATION OF SERIAL NUMBER ON AFFECTED BICYCLES

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

OFFICERS VISIT BACICH ELEMENTARY SCHOOL

On Friday, 3/30/18, from 10:15am to 12:30am, Officer Ari Zuckerman, and Officer Jennifer Granucci visited Bacich Elementary School in Greenbrae, Ca. Officer Zuckerman and Officer Granucci addressed the Pre-Kindergarten and Kindergarten classes regarding the duties of police officers, safety around dangerous items, and stranger danger. Officer Zuckerman stated that the class discussions were the best part. All the students were engaged in the discussions, helping problem solve what they should do if they happened to get lost, and how to identify a police officer to assist them. All the students were ecstatic regarding the officers visit, and did an amazing job participating with the officers. Officer Zuckerman and Officer Granucci were thrilled to field questions about law enforcement and importance of safety.

Officer Zuckerman and Officer Granucci provided the students a tour of a patrol vehicle, which included lights and sirens. Officer Zuckerman finger printed each student, and had them sign by their fingerprint to bring home as a souvenir.

Special thanks to Bacich Elementary School for allowing SFPD's Park Station Officer Zuckerman and Officer Granucci to converse with the Pre-Kindergarten, and Kindergarten classes. Also, a special thanks to the teachers, Jennifer Wallen and Amber Smith, for permitting the time.

REC & PARK EGGSTRAVAGANZA RIB COOK— OFF

On Saturday, 3/31/18, Park Station's very own, Lieutenant Ed Santos and Officer Ryan Crockett, were in full force, and ready to take on this year's San Francisco Rec & Park Eggstravaganza Rib Cook-Off. Lieutenant Santos and Officer Crockett are known through the SFPD for their culinary skills, and were excited to participate in the Rib Cook-Off. Lieutenant Santos and Officer Crockett prepped, rubbed, and smoked the ribs the night before the competition. They also prepared delicious sides for the competition, which included Cole Slaw, corn bread, and cookies. Unfortunately, Park Station did not win best ribs, but did win best side dish for the Cole Slaw. As shown in the photo below, the best side dish award was presented to Officer Crockett.

Great job Lieutenant Santos and Officer Crockett for all your hard work... Park Station will win next year!!!

COFFEE WITH A COP

On Wednesday, 3/28/18, at approximately 9:30am to 10:30am, SFPD's Park Station held the "Coffee with a Cop" event at Peet's Coffee & Tea, located at 919 Cole Street, where officers, and the Cole Valley community members conversed over their selected beverage of choice. This "Coffee with a Cop" went well, and had approximately 15 members of the community attend, and engage in conversations regarding quality of life issues, and concerns pertaining to the neighborhood. In attendance from Park Station was Sergeant Meyer, Sergeant Morris, Officer Wu, Officer Deignan, Officer Chicas, Officer Zuckerman, and Officer Villatoro. Officers fielded questions about law enforcement issues and quality of life concerns pertaining to the neighborhood. Park Station appreciates the members of the community, who participated, and engaged in several substantive conversations about the Park District.

Special thanks to the manager, Katrina, of Peet's Coffee & Tea for being so accommodating, and allowing Park Station to have our "Coffee with a Cop" at the Peet's establishment. Thank you to all who participated with this "Coffee with a Cop" event!!!

SAFETY TIP FROM S.F. SAFE

Safety tip for your home:

Help first responders by making sure your address numbers are mounted on a high-contrast background, and that they're illuminated when it's dark.

HELPFUL TIPS**DON'T BE CAUGHT EMPTY-HANDED!!!!**

1. When placing an online or phone order, **request signed confirmation upon delivery**
2. Deliver packages to your office if at all possible; if not, deliver to a neighbor who will be home to sign for your package
3. If ordering from Amazon, use a self-service Amazon locker located throughout San Francisco; they will send you a notification email when the package is received. Go to Amazon.com and search for "Amazon Locker"
4. For U.S. Postal Service deliveries, you can authorize USPS to have certain deliveries left in a garage, with your neighbor, etc.; first you will need to create an account at USPS.com. Also check out "UPS My Choice" where you can log on to UPS.com and track your package to reroute, reschedule, or authorize a shipment release for your delivery. Get a PO box for deliveries for extra security
5. Shipping via UPS? Go online to UPS.com and search for "UPS Access Point"; neighborhood stores that will hold your packages for you
6. There are several apps available in San Francisco that allow you to ship to a package destination, and then will schedule the delivery to your home once you are available
7. Set up a delivery alert by email or text as to when your package has been delivered
8. Pay for insurance to cover the cost of the item shipped if lost, damaged or stolen
9. **Never let a package sit unattended on your doorstep**; package theft is very high in San Francisco.

WHO AND WHEN TO CALL?

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

PARK STATION'S VISION & VALUES

**In the above photo,
Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
