Hello all,

What a great national night out we had on Tuesday night. A great big thank you to all of Park CPAB members and all of my staff for putting on such a great event. There was everything from turtles to snakes along with amazing dancers, a dog show not to mention exhibits from many of our city agencies i.e. the District Attorney's Office, the Sheriff's Department, the Park Police, Department of Park and Recreation, California Highway Patrol, S.F. safety awareness for everyone, City College to mention a few. Thank you all for making this event so great.

I want to thank all the community members who came and enjoyed the festivities, all the local businesses who contributed prizes and food, the great jazz music provided by our band, led by Officer Riley Bandy and Officer Oliver, all the wonderful people who attended and were so very complimentary of the work my officers are doing in our District.

Thank you to all our supervisors, Supervisors Brown, Fewer, Yee and Mandelman and DA Gascon for taking the time to stop by to say hello.

Thank you again to Sutro Towers and SFSAFE for their generous donations to fund this event. We here at Park Station appreciate all who contributed to making this event such a success and we appreciate the community's support and involvement.

Thank you all and be safe.  
Captain Una Bailey

## NATIONAL NIGHT OUT

On Tuesday, August 7, 2017, the Park Police Station celebrated **National Night Out**, an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer. The goal of National Night Out is to enhance the relationship between neighbors and law enforcement while also facilitating a meaningful sense of community.

The festivities took place at Duboce Park located at 50 Scott Street, and approximately 500 - 600 community members attended our event to enjoy a variety of fun activities. Park District residents mingled with many Law Enforcement personnel, who were in attendance, including SFPD Deputy Chief Moser, Commander Mannix, and two officers on motorcycles from SFPD's Honda Unit. **District 1 Supervisor Sandra Lee Fewer, District 5 Supervisor Vallie Brown, District 7 Supervisor Yee's assistant, Jarlene Choy, and District 8 Supervisor Rafael Madelman** also were in attendance, and were seen conversing with community members, who were excited to meet their local representative of San Francisco City Hall. Park Station's National Night Out was primarily organized and master-minded by the exemplary team of volunteers from the station's **CPAB members and Sergeant Ron Meyer.**

Park Station's Community Police Advisory Board (**CPAB**) members worked diligently to coordinate and raise funds for this event. Park Station wishes to thank our **CPAB** members for their enormous effort and commitment to this event, specifically: Tricia Stauber, Christin Evans, Rick Johnson, Lena Emmery, Mark Scheuer, Linda Dunn, Charles Dupigny, David Bolaffi, and Michelle Leighton. Thank you to CPAB member, Charles Dupigny, operated as Masters of Ceremonies, introducing various performances and announcing the Raffle Ticket winner. This event would not have been possible without the extraordinary dedication of these incredible community members, and special thanks to Cole Hardware for providing gift cards for raffle prizes.

Thank you to S.F. SAFE, who generously donated the delicious food from El Norteno Taco Truck, to this event. Park Station's very own, Officer Alaric Wu, spent his time barbecuing 150 hamburgers and 50 hot dogs for the community to feast upon. There was an alluring supply of scrumptious cookies, cupcakes, and treats baked by the CPAB members for the community.

Everyone enjoyed and appreciated the music styling of Officer Riley Bandy and Officer Rufus Olivia's Jazz band, the Magnificent Five. Throughout the evening, the crowd was delighted with the soft listening of the band playing in the background. We appreciate the Magnificent Five playing for approximately 2-3 hours, and setting the mood of a success National Night Out.

## NATIONAL NIGHT OUT

Additionally, Park Station would like to acknowledge the following specialized units for bringing their equipment and vehicles for kids to peruse and investigate. Thank you to the following-Park Rangers for allowing children to play on their ATVs, SFFD for bringing one of their remarkable red Engines, the California Highway Patrol for allowing us to check out their cool motorcycles, and the U.S. Park Police for bringing their stunning Mounted (Horse) Unit, an officer on a motorcycle, and Officer Wu with his Canine Companion, Choco.

Park Station also appreciated the participation of NERT (Neighborhood Emergency Response Team), ALERT (Auxiliary Law Enforcement Response Team), Recology, San Francisco District Attorney's Office, San Francisco City Attorney's Office, PetSmart, Auxiliary Law Enforcement Response Team (ALERT), Neighborhood Emergency Response Team (NERT), State Farm, City College representative, Department of Police Accountability, Comcast, and the Bicycle Coalition, who all had information booths for onlookers to review various programs.

Multiple agencies and institutions participated in National Night Out including: San Francisco Police Department, San Francisco Fire Department, California Highway Patrol, University of California Police, San Francisco Sheriff's Department, U.S. Park Police, S.F. State University Police Department, University of San Francisco Public Safety, Adult Probation, Recreation and Park Rangers, Animal Care and Control, San Francisco Department of Emergency Management, San Francisco Department of Parking and Traffic, and San Francisco Municipal Transportation Agency.

A vast amount of this year's event was involving animal attractions. Thank you to Tree Frog Trek, for bringing their snakes (Cobra and Python), tortoise, and a gecko, which was a great attractions for kids to learn and play with the creatures. Muttsville, senior dog rescue, arrived with a multitude of dogs for adoption. These lovely dogs were corralled in a gated area, so the community could admire, pet, and adore these senior dogs. Muttsville entered their dogs into the National Night Out's Dog Show, "Who Let the Dogs Out!?!", and a few of the dogs even made into the finale. A big thanks to PetSmart for donating gift cards to the winners of the dog show.

A huge thank you to the Xian Yun Academy, who performed several Chinese dance performances with students of various ages showing their grace and skills. Acrosports also performed numerous stunts demonstrating their acrobatic capabilities, and parkour skills. Zanshin Martial Arts enthralled children. All the kids impressed the audience with their skill, poise, discipline, and flair. Park Station greatly appreciates the talented young people whose gifted performances helped to make this event so vibrant and enjoyable.

## NATIONAL NIGHT OUT

S.F.P.D. Cadets, Police Activities League (PAL) Cadets and Park Station's interns were a huge help and assisted with logistics and operations to facilitate the frenzy of festivities throughout the evening.

Most importantly, thank you to Dave Christensen and the Harvey Milk Photography Center for allowing us to use their facility and work alongside of them the day of the event. Thank you to Sutro Towers and S.F. SAFE for their generous donations to fund this event. We here at Park Station appreciate all, who contributed to making this event such a success and we appreciate the community's support and involvement.

# “WHO LET THE DOGS OUT?” DOG SHOW AT NATIONAL NIGHT OUT

As a part of Park Station’s *National Night Out* this year, the entertainment schedule included a fun and frivolous Dog Show called “Who Let the Dogs Out?” Given that Duboce Park is home to one of The City’s most popular dog parks, organizers of this year’s event encouraged community members to bring their dogs to NNO and to showcase their canine companions in the spirit of jovial competition.

**JUDGES ' TABLE:** John Denny, Mariela, Officer Ryan Crockett, Liz , and Kary

So many gorgeous and good-natured pups joined the ranks of NNO, and were promenaded in the official Dog Show Corral, cordoned-off with traffic cones and crime scene tape. The special honorary judges included John, Mariela, Officer Ryan Crockett, Liz of SPCA, and Kary– all of whom are devoted animal-lovers. Final scores were vetted by the Head Judge, Park Station’s very own Officer Joanne Walker. Officer Ryan Crockett, the diligent *tour de force* behind SFPD’s Vicious and Dangerous Dog Unit, was instrumental in connecting Park Station with many local animal welfare agencies who also attended the NNO event, such as *Muttville* and *SFSPCA*. *Pet Smart* provided free dog toys to attendees, and also donated over \$100 in prizes to the winning dogs. *Muttville* also had a Dog Adoption Kiosk at NNO featuring some of their loveable senior dogs.

**HEAD JUDGE:**  
Officer Joanne Walker

**CAPTAIN BAILEY** visits the  
*Muttville Dog Kiosk*

During the show, each pup captivated the judges such as “Joey Pistachio” the adorable senior Yorkie recently adopted by Booksmith proprietor, Cristin Evans... “Morgan” the 2 year-old Collie Terrier... “Holly” the effervescent Golden Retriever... “Tucker” the mischievous Lab Mix...and “Spades” the rainbow-colored Min-Pin. Each dog was presented with their own ribbon, and the winners of each category were entered as contestants into the grand finale of the competition: *Best In Show*.

**BEST IN SHOW: “GIZMO”**

Perhaps most notably, the audience and Judges were struck by the plucky spirit of tiny “Gizmo” the three-legged Yorkie/ Chihuahua. Everyone was rooting for this unflappable tripod who charmed his way around the ring and received the highest scores and enormous applause. Judges awarded the *Best In Show* Prize to **Gizmo** and presented him with a Gold Cup Trophy and a gift certificate for Pet Smart. Thank you to all the people who participated, and Congratulations to all the wonderful and talented animals ...*We Love Them All!*

**COFFEE WITH A COP**

On Wednesday, 7/25/18, at approximately 9:30am to 10:30am, SFPD’s Park Station held the “Coffee with a Cop” event at Cantata Coffee Company, located at 1708 Haight Street, where officers, and the Haight Street community members conversed over their selected beverage of choice. This “Coffee with a Cop” went well, and had approximately 10 members of the community attend, and engage in conversations regarding quality of life issues, and concerns pertaining to the neighborhood. In attendance from Park Station was Sergeant Meyer, Officer Wu, Officer Deignan, Officer Eng, Officer Zuckerman, and Officer Heppenstall.

Officers fielded questions about law enforcement issues and quality of life concerns pertaining to the neighborhood. Park Station appreciates the members of the community, who participated, and engaged in several substantive conversations about the Park District.

Special thanks to the owner, , of Cantata Coffee Company for being so accommodating, and allowing Park Station to have our “Coffee with a Cop” at the Cantata Coffee establishment. Thank you to all who participated with this “Coffee with a Cop” event!!!

## SATISFIED CUSTOMERS

Dear Officers at SFPD,

On behalf of 15 Russian pilgrims from Los Angeles, I'd like to express our warm gratitude to the officers of the Park Station Division: Captain Bailey, Peter Hamilton, Paul Weggenmann, Paul Davies and Stanislav Bratchikov (as well as several other officers whose names we didn't write down) who helped us recover the items stolen on July 29, 2018 from our van during our short visit to your city. We were astounded by the efficiency and operativeness of this division's crew and an ability to find the missing belongings virtually just one hour after the police report was filed.

May God bless your work and grant these officers many years of prosperity!

You are indeed "Oro en Paz"!

**CAPTAIN BAILEY'S TIP # 1 TO PREVENT OR SOLVE CRIME****Remember crime prevention begins with you:****Tip #1 to prevent or solve crimes:**

I want to review with everyone how you can best avoid being a victim of a burglary. Please ensure that you are taking basic security measures i.e. locking and securing all doors and windows. Be mindful of this security even when at home do not leave a window or door open that is easily accessible from the ground floor. Always remember to keep your garage doors closed and secured. Do not leave a hide-a key. Suspects are very in tune with where people leave spare keys. Do not leave your garage door opener in your car or at least keep it out of view. Please think about installing a security camera and motion activated lights. Of course a big deterrent of burglaries is having a dog but I know not all of us can be lucky enough to have our furry friends on guard each day and night. Finally please immediately call 911 if you think you see a crime in progress or a suspicious person in your neighborhood. District residents have been doing a great job of calling 911 when they see suspicious activity or what they believe to be a crime in progress. These calls have led to numerous arrests. Our officers responded quickly and are able to take suspects into custody.

Please take the time to review the SF SAFE form on the next page (page 18).

Your safety is paramount to us here at Park Station and with your help we can prevent many crimes and solve more.

**CAPTAIN BAILEY'S TIP #2 TO PREVENT OR SOLVE CRIME****Remember crime prevention begins with you:**

I want to take this time to remind everyone to record the serial numbers of all your valuables i.e. bikes, tools etc. You can do this by simply taking a photo of the item and then zoom in to take a photo of the serial number. Most people have smart phones and you can easily use your phone camera to achieve this. This is really great information for you to have in the event you are a victim of a theft. We can post the photos on flyers and record the serial numbers of your possessions so that in the event we make an arrest of an individual with stolen items your items will be easily recognizable. Officers can also identify them easily if they are being sold at any location. Bottom line having this information increases your chances of being reunited with your stolen items. It also increases the chances of these thieves being held accountable for their crimes.

LOCATION OF SERIAL NUMBER ON AFFECTED BICYCLES

**CAPTAIN BAILEY'S TIP #3 TO PREVENT OR SOLVE CRIME****Remember crime prevention begins with you:**

Reporting crimes is crucial in a number of ways:

- #1 It is important that incidents are documented at the time of the incident. This ensures that the victim's memory of the incident is fresh and thereby increases the chances of a more accurate and detailed report. (There are some exceptions to this i.e. when a person is a victim of a serious traumatizing experience their memory may be better later.)
- #2 It allows immediate follow up by the officers and immediate seizure of evidence that could be lost if there is a delay in reporting.
- #3 It allows immediate further follow up by our investigative team on any potential leads.
- #4 It formally records the event and even though there may not be any leads to follow at the time the incident was reported, it allows all officers in law enforcement access to the report which may be related to other incidents that have been reported or will be reported later. This is especially true of sexual assaults where some times it involves a repeat offender. If the victims do not report the crime nobody knows it happened and cases cannot be related. It allows the suspect to continue committing these crimes, victimizing others because victims have chosen not to report the crime to police.
- #5 Many times when cases are related and a suspect is taken into custody the District Attorney can add additional charges for the related cases. Of course this is contingent on additional evidence but a victim's ability to identify a suspect in a case can be enough to charge the case when there are additional cases.
- #6 In addition there are cases where an individual is tormenting a neighborhood with a variety of crimes but if community members are not willing to make a report when they see a crime committed and sign a citizen's arrest, these incidents go unreported and the criminal behavior continues. A citizen's arrest form needs to be signed when a victim or witness sees a misdemeanor crime being committed and the officer does not. If the victim/witness does not sign the citizen's arrest then the officer cannot arrest the individual for the crime committed.
- #7 Finally and most importantly if you do not report and document the crime it is as though the crime never happened. Whatever chance we the SFPD have of solving a crime that has been reported we have zero chance of solving a crime that has not been reported.

Please remember we can only succeed by working together and you the members of the community are the people who most help us succeed. Thank you for all your help and I look forward to our continued collaboration.

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

## WHO AND WHEN TO CALL?

**3-1-1:** Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

**Non- Emergency San Francisco Dispatch Line:** Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

**9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency.** The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

**PARK STATION'S VISION & VALUES****Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
