CAPTAIN'S MESSAGE:

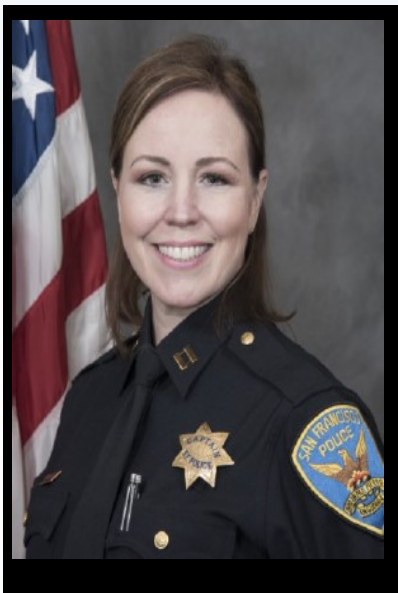

Dear Richmond District Residents,

Last weekend a team of Richmond Station Officers competed in the Rib Cook-Off in Golden Gate Park and took third place among several teams from SFPD, SFFD, Park and Rec, and other local agencies. It was a fun community event and the food was great!

Don't miss the Child Car Seat Safety event being put on this weekend by the CHP at the Richmond Library on 9th Ave. Details for the event can be found on page three of the newsletter.

We continue to make progress with lowering the number of auto break-ins and have made several arrest and identified multiple suspects this week. Remember if you see something say something.

Have a great week and stay safe!

UPCOMING EVENTS IN THE RICHMOND

*Child Car Seat Safety Event: April 7th,
10:00 AM – 3:00 PM*

Richmond Branch Library
351 9th Ave

California Highway Patrol Officers will offer a drive thru clinic to make sure your child's car seat is safe. Pull your car up to the 10th Ave side of the library to have a child passenger safety technician inspection.

Buckling up is the single most effective thing you can do to protect yourself and your passengers in a crash. It is extremely important to make sure all children riding in your car be properly secured before every trip.

Thousands of children are injured or killed every year because their child passenger safety seats are not installed properly. Remember, most collisions occur within a mile of the home - so buckle your child in a safety seat for every trip, no matter how short.

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on April 4th, 5th, 12th, 17th, 24th and 26th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
