Issue 12.27..2017

Captain's Message

Greetings Southern community members,

I hope that everyone enjoyed the Christmas holiday with friends and family. The holiday festivities will continue this weekend as we welcome in the New Year. New Year's Eve will bring a large number of celebrations into the city for private parties and viewing of the firework display along the northern waterfront of the city. There will be increased staffing within the district as well as citywide for increased presence and visibility. There are no known credible threats to the city.

I wish everyone a safe and enjoyable New Year, but encourage all to celebrate responsibly. A few safety tips on New Year's Eve:

- Do not drink and drive
- Use a ride share service for transportation
- Do not carry excessive cash or valuables on your person
- Remain in groups or pairs if possible and have a plan to reunite if you get separated

Please see the attached press release issued by the Department of Emergency Management regarding New Year's Eve celebrations. I encourage you to utilize the AlertSF Notification System to receive emergency alerts on your phones.

**See something.
Say something.**

Captain's Message Continued...

Gun Buy-Back Event

On Saturday, December 16, 2017 Southern Station in partnership with United Playaz hosted a gun buy-back event at the United Playaz headquarters on 1038 Howard Street, in an effort to reduce the number of guns in the community and curb gun violence.

In December 2016, 111 firearms (32 rifles, 23 shotguns, and 6 assault weapons) were turned in by the community reducing the opportunity for the youth in our communities from becoming victimized by gun violence. This year was even more successful as 270 firearms (141 handguns, 77 rifles, 44 shotguns, 7 assault weapons) were turned in for destruction. Thank you United Playaz for your continued partnership!

Target Shopping Event

On Tuesday, December 12, 2017 three deserving kids were chosen to participate in the Target Heroes and Helpers shopping spree. Target donated gift cards for forty children who attend schools in San Francisco. Three children from each of the ten police district stations were chosen as recipients of this program. Three students who attend Bessie Carmichael, in the Southern District were presented their gift cards and accompanied by a Southern Station officer during a shopping spree at the City Target on Masonic St.

West Bay Christmas Toy Giveaway

On Monday, December 18, 2017, Southern Station in coordination with the Department's Asian Pacific Islander Forum held a Christmas holiday toy giveaway at the West Bay Filipino multi-cultural center where gifts were provided to children (ages 5-10) by officers. This community event afforded officers and the community the opportunity to interact to continue to build stronger partnerships.

Captain's Message Continued...

Bay Area Security Alliance Award

On Monday, December 18, 2017 the Bay Area Security Directions Alliance honored Southern Station's Captain Daryl Fong and Sgt. Dion McDonnell for their dedication and partnership in providing support to improving public safety and the quality of life in the community.

Both received awards for their work with security staff members who work at various buildings throughout the city and provide security at events that take place.

Southern Station Toy Giveaway

On Wednesday, December 20, 2017 the Southern Station 1st annual toy giveaway was held in the lobby of the Public Safety Building. At 1245 3rd St., Deputy Chief Michael Redmond, along with several officers and police cadets assisted Santa Clause in handing out gifts to children (ages 6-12) who attend Bessie Carmichael Elementary school, West Bay Filipino multi-cultural center and United Playaz youth center.

Captain's Community Meeting

Our next monthly community meeting is scheduled for January 17th, 2018, at COVO – 981 Mission St at 6:00pm.

Be well and as always be safe!

Captain Daryl Fong
Southern Station Commanding Officer

Tips for safe holidays

PERSONAL SAFETY

- Don't be distracted by your phone or people around you
- Park in well-lit & well-traveled areas
- Avoid overloading yourself with packages

AUTO BREAK-INS

- Leave nothing visible in the car
- Store things in trunk before parking

TRAFFIC SAFETY

We ALL share in the responsibility.

- Pedestrians look up when crossing roads
- Motorists yield to pedestrians & watch for cyclists before opening car doors
- Cyclists yield to pedestrians

Emergencies or crimes in progress: 9-1-1
Non-emergencies: 415-553-0123

becitysmart

Tips for safe holidays

Smartphone grab-and-run is the most common robbery in San Francisco!

PHONE THEFT

Be aware

- Keep your phone hidden
- Try not to use your phone in public
- Write down the make, model and ID of your phone for easier recovery
- Consider installing anti-theft software

Report

- If your phone is stolen, immediately discontinue service
- Make a police report by calling 415-553-0123 or 911 if in progress.

Tips for safe holidays

Before leaving your vehicle:

Lock any items, bags, or packages in your trunk before reaching your destination.

Remove, or hide from sight, small items of value:

(Phone, charging cords, camera, GPS, money, etc.)

The best way to prevent a break - in is to leave your vehicle looking empty.

Always lock your vehicle, close windows and sunroof.

Do not hide spare keys in your vehicle, always take your garage opener with you.

*** Press Release ***

New Year's Eve Emergency Alerts in San Francisco

San Francisco, CA – The San Francisco Department of Emergency Management (SFDEM) encourages people celebrating New Year's Eve in San Francisco to text the phrase NYESF17 to 888-777 to receive emergency text message alerts related to New Year's Eve events in San Francisco. New Year's Eve celebrants may also visit www.sfdem.org/NYESF.

SFDEM has setup a special New Year's Eve registration code for the AlertSF emergency text system. Thousands of people come into the City to celebrate New Year's Eve. These visitors may not be registered for AlertSF or have any interest in receiving regular alerts. This will allow visitors to receive emergency alerts for New Year's Eve only.

AlertSF is a text-based notification system for San Francisco's residents and visitors. AlertSF will send alerts regarding emergencies disrupting vehicular/pedestrian traffic, watches and warnings for tsunamis, flooding, and Citywide post-disaster information to your registered wireless devices.

San Francisco public safety agencies are working with our state and federal partners to help keep New Year's Eve celebrations safe for all people. The City will have additional resources available on New Year's Eve. This means there will be more police officers, fire fighters, ambulances, deputies, and dispatchers available to respond. San Francisco's Emergency Operations Center (EOC) will be active to support first responders, coordinate city resources, and provide public information.

San Francisco residents, visitors, and businesses can help by remaining vigilant while enjoying New Year's Eve festivities. These simple tips will help you stay safe:

- If you see something, say something. Call 9-1-1 or talk to a police officer if you see something suspicious.
- Have a plan. It is easy to lose track of people during large events. It is even more difficult when there is an emergency. Designate a meet up spot if you get separated from your group.
- Be aware of your surroundings and take note of emergency exits.
- Have a designated driver or alternative transportation plan if you plan on drinking alcohol.
- All fireworks including "Safe and Sane" are dangerous and illegal in San Francisco. We encourage everyone to choose the safety and observe a public fireworks shows.
- If you have a noise complaint, call the police non-emergency line at (415) 553-0123.

###

Focus on the 5

The following 5 violations of the California Vehicle Code are the leading cause of vehicle collisions, pedestrian injuries and death:

- SPEEDING
- FAILURE TO STOP AT A STOP SIGN
- FAILURE TO STOP AT A RED LIGHT
- FAILURE TO YIELD TO A PEDESTRIAN AT AN INTERSECTION
- FAILURE TO YIELD WHILE MAKING A LEFT OR U TURN

Be Smart - Mind the Signs

SAN FRANCISCO POLICE DEPARTMENT, TARAVAL STATION COMMUNITY POLICE ADVISORY BOARD

Speeding, rushing through a crosswalk or failing to stop at a stop sign MAY get you there a few minutes sooner but,

Is it Worth . . .

- ... Striking a pedestrian or bicyclist?
- ... Arrest and booking?
- ... Weeks of trial/Cost of trial?
- ... \$1,000 in fines?
- ... Up to 3 years in prison?
- ... Loss of driving privilege?
- ... Life forever changed?

Learn more about pedestrian safety in San Francisco at walksf.org

SAN FRANCISCO POLICE DEPARTMENT, TARAVAL STATION COMMUNITY POLICE ADVISORY BOARD

"I like making my car a tough target for thieves. That's why following SAFE's theft prevention tips makes so much sense to me. I've used these tips for years." —Amy Winter, San Francisco

➤ Before leaving your vehicle

1. Prior to parking, lock any items, bags, or packages in your trunk. Remove, or hide from sight, small items of value—phone, charging cords, camera, GPS, money, etc. The best way to prevent a break-in is to leave your vehicle looking empty.

➤ When parking

2. Choose a well-lit area with plenty of pedestrian traffic or a parking attendant nearby.
3. Remember or write down where your vehicle is parked to avoid searching for it.
4. Leave only your ignition key with a parking attendant. Keep other keys with you.
5. If you have an anti-theft device or vehicle tracking service, use it.
6. If you have a garage, use it. Wait until the garage door closes all the way before driving away, especially if you share a garage with others. Be aware of suspicious people hanging out by the garage doors.
7. Always lock your vehicle, close windows and sunroof completely, and take the keys.

➤ Before getting in or out of your vehicle

8. Have your keys in hand.
9. Be aware of your surroundings. Always look around, and be alert.
10. Leave the area if you have any suspicions.

➤ While driving

11. Keep your doors locked and windows closed.
12. Remove all valuables from easy reach by placing them on the floorboard or in a compartment out of sight.

Stay alert at red lights and stop signs. Check your mirrors often, and be aware of anyone approaching your vehicle, even if they seem harmless.

14. When stopped, avoid being boxed in by other vehicles.
15. Be on the alert for unexpected distractions. One thief may try to get your attention, while another attempts to rob you.
16. Never leave your vehicle running unattended, even for a second. It's against the law.
17. If you see a vehicle parked by the side of the road and someone is waving for you to stop, continue driving and report the incident to 9-1-1.

➤ If you are being followed by another vehicle

18. Drive immediately to a populated area or a police or fire station.
19. If your vehicle is boxed in and you feel threatened, lean on your horn and flash your lights to draw attention.
20. Use your cell phone to call 9-1-1. Be prepared to give your location first, and the vehicle's description.

Make protecting yourself your most important habit, and protecting your vehicle and possessions will be a bonus.

Carjacking is a violent crime where a vehicle is taken from a person either by force or the threat of force.

22. If a carjacker threatens you (with a weapon or not), do not resist. Immediately give up your vehicle, go to a safe place, and call 9-1-1. In most carjackings, the attackers are only interested in the vehicle, not in hurting the driver.

The more mindful you are of simple precautions, the less likely you are to become a victim!

Using common sense is your best defense.

➤ Additional preventative measures

23. Have a vehicle tracking system installed to easily locate your vehicle if missing or stolen.
24. Have your VIN # engraved on your vehicle and on expensive accessories for easy identification.
25. Slide a card with a secret codeword into a vehicle window, so it drops down into the door panel. Giving this codeword to police is another way of identifying your vehicle.
26. Don't hide a spare key on your vehicle. Thieves know all the hiding places.
27. Check your license plates daily to make sure they haven't been switched or stolen.
28. Keep your vehicle and tires in good condition to prevent a breakdown—and stranding you in some dark and unfamiliar place.
29. Recreational vehicles need protection, too. Lock and secure motorcycles, all-terrain vehicles, trailers, boats, jet skis, motor scooters, and bicycles with a heavy-gauge chain and padlock that are strong enough to resist steel hand saws and hammers. Store in a secure location when not in use.

30.

Remove all papers with your personal information (name, address, social security #, birth date, etc.) from your vehicle, including your mail, bills, checkbook, etc. Carry your vehicle registration with your driver's license. Leave only a copy of your registration in the vehicle with your address checked out. **Keep your vehicle title (pink slip) safely at home.**

➤ If you become a victim of vehicle theft

Report the theft immediately to the police, and give detailed information that identifies your vehicle or stolen items:

- License plate # and VIN #
- any identifying features that make your vehicle distinctive (stickers, window decals, dents, etc.)
- and any special items of value (phone, radio, GPS system, CD player, CB radio, tire brand and size)

If you feel threatened, call 9-1-1.

Helpful Information

311 Customer Service Center:

What is 311?

311 is a toll free, NON-EMERGENCY phone number that the public can call to access information about government services. A live customer service representative will be available 24 hours a day, seven days a week, and 365 days a year. The service is available to both wired and wireless customers. Wireless customers should call (415) 701-2311. 311 employees will be able to provide translations services in more than 145 languages and dialects and will employ a diverse staff of customer service representatives. Additionally, 311 are set up to accept calls from the hearing impaired by utilizing a TTY System.

*311 will also take police reports if you DO NOT have any suspect description and the crime is not in progress. After meeting these conditions these are the reports 311 will take: Harassing phone calls, vehicle break in, vehicle tampering, lost property, theft, and vandalism/graffiti reports.

Our Mission

SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and resilient communities.

Our History

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.

WHAT IS SAFE BIKES

If a bicycle is stolen, even if it is recovered, it is almost impossible to find the owner. Until now. SAFE Bikes is a community collaboration to help reduce bike theft in San Francisco and support bike owners getting their bikes back in the event that their bike is stolen. We have created a bicycle registry to help you get your bike back and to prove that the bike is yours. If your bike is recovered, officers can look up your serial number or registration tag number to return the bike to you. SAFE Bikes also hosts educational workshops and provides valuable information to help you lower the likelihood of your bike getting stolen.

IF YOUR BICYCLE IS STOLEN

- **STEP 1.** Go to your local police district station in San Francisco to file a police report, in person, online, or call 415-553-0123.
- **STEP 2.** Follow the steps listed here to increase your chances of getting your bicycle returned.
- **STEP 3.** Check the Stolen Bike Registry and Bike Index for your stolen bicycle.
-

LOCKING TECHNIQUE

- **STEP 1.** Secure rear wheel with small, hardened steel U-lock inside the rear triangle
- **STEP 2.** Make sure U-lock is secured to an immovable object
- **STEP 3.** Secondary metal lock (cable or another U-lock) placed on front wheel
- **STEP 4.** Replace quick release skewers with keyed locking skewers to ensure wheels and saddles are locked to frame.

This is only one of many locking methods. None are 100% guarantee

A Message from Community Boards

COMMUNITY BOARDS
Building Community Through Conflict Resolution

CONTACT INFORMATION

601 Van Ness Ave. Ste. 2040
San Francisco, CA 94102

(415) 920-3820

Are you having difficulty with someone? A loud neighbor? Disrespectful roommate? Unresponsive landlord? Community Boards'

Neighborhood Mediation Program can assist you with quality of life issues (noise, parking, pets, graffiti, maintenance, etc) or relationship conflicts (family members, roommates, landlords, neighbors, etc).

A mediation is a confidential and voluntary meeting where people discuss difficulties they are having with each other assisted by impartial third-parties, our mediators. Our mediators are trained to help people come up with workable and lasting solutions. They don't give advice or make judgments. The goal is to help everyone feel heard, understood and respected.

We offer our services in English, Spanish, Mandarin and Cantonese at low- to no-cost. No one is turned away for lack of funds. Contact Community Boards at (415) 920-3820 x100 or learn more at www.communityboards.org.

Information about NERT

The San Francisco Neighborhood Emergency Response Team (NERT) is free training from the San Francisco Fire Department in how to help yourself and your neighbors prepare for and respond to a disaster by working together. The 20-hour training includes personal preparedness, light search and rescue, disaster medicine, shutting off your utilities, and how to participate as a member of a neighborhood response team. NERT also offers continuing training for graduates, and activities that support building robust neighborhood teams. For more information, visit the NERT website at <http://sfgov.org/sffdner>, or contact Lt. Erica Arteseros at (415) 970-2022 or sffdner@sfgov.org.

SoMa West CBD an Introduction

Western SoMa neighborhood groups are combining efforts and passions to improve our neighborhood's safety, health, economic vitality, and aesthetics. Together, we are working to form a Community Benefit District called SoMa West CBD.

Our Neighborhood

SoMa West represents one of the most multicultural and multidisciplinary neighborhood in San Francisco. From its formation in 1847, our neighborhood was created to accommodate city pioneers, workers, manufacturing, and utilities. Since then, we have also become home to a variety of community activists and civil rights advocates, community celebrations, artist groups and studios, technology leaders, entertainment and nightlife. Our location, space, and accessibility makes our neighborhood increasingly important to the San Francisco Bay Area. Improvements to our neighborhood will prove fundamental to sustaining our neighborhood's well-being.

Our Mission

- Advance the quality of life and community cohesion for residents, businesses, workers, and visitors in the SoMa West neighborhood.
- Foster a safer and more secure community.
- Enhance environmental quality and beauty.
- Reinforce the viability of our economic base while embracing the community that makes SoMa West so unique. As a unified body, SoMa West CBD can
- Strengthen and advocate for the community both in the present and for our future as a unified body.

What is a Community Benefit District?

Community Benefit Districts (CBDs) are public-private partnerships formed by property owners in a specific geographic area to improve quality of life, build community, and promote economic activity.

CBDs provide supplemental services such as safety patrols, sidewalk cleaning, park maintenance, retail and restaurant recruitment, resident and business advocacy, and other services to improve the basic level of services provided by the City (to supplement city services, NOT replace city services). These services are funded by property owners who pay an annual assessment based on the size of one's land, building or home, and other determining factors.

Forming a CBD requires formulating an annual budget and a management plan, which will be implemented by a nonprofit organization. The organization will be governed by a board of district property owners, businesses, renters, and other stakeholders.

As a unified community we decide what services we want to address and how we allocate our resources, while having a significant voice with the City.

How does the CBD benefit me?

By having a vibrant, clean and safe neighborhood - the goal of the CBD - property owners, residents, businesses and workers will all benefit. Additionally, we will promote a sense of community and encourage businesses and shops to make this an incredible place to live, work, shop, and visit.

SAN FRANCISCO POLICE DEPARTMENT

Auxiliary Law Enforcement Response Team (ALERT)

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

Three Steps To Becoming An ALERT volunteer:

1. Complete NERT training and receive certification. To register for NERT training courses please visit www.sfgov.org/sfnert
2. Once NERT Certified, forward a copy of your NERT ID card to the ALERT program at sfpdalert@sfgov.org
3. After clearing a basic background check you will be eligible to register for one of our quarterly ALERT training classes.

Career Opportunities

Chief William "Bill" Scott

The City and County of San Francisco invites you to join a highly respected police department and serve the citizens of one of the most beautiful cities in the country. San Francisco Police Officers perform a wide variety of duties to promote public safety and security, prevent crime and enforce the law. Police officers perform a number of essential functions. For example, they patrol districts to prevent and detect crime; respond to calls for assistance; conduct criminal investigations; interact with the community to build cooperation and support; pursue and arrest suspects; enforce traffic and parking laws; write reports and maintain records; work with superiors, peers, and others as a team; prepare for and participate in planned events; prepare for court and give testimony; and fulfill other administrative duties when required. This is much more than a job; it is an opportunity to build a career of which you can be proud.

Applying is Easy!

1. Apply with the City and County of San Francisco at www.jobaps.com/sf (Entry Level (Q-2) Police Officer)
2. Go to www.nationaltestingnetwork.com, choose law enforcement, and register to take the San Francisco exam (\$45). Financial assistance is available.
3. Choose an available exam date that's convenient for you.
4. Schedule your exam.
5. You will receive an email confirming your exam date, time and location.

Have Questions? Contact the San Francisco Police Department Recruitment Unit
