Dear residents and community members,

The department's primary goal will always be violent crime. I am pleased to report that robberies are down 25%, from December to January and February is still trending down. Aggravated assaults are down 33% from December to January and February is trending down.

In regards to property crimes, auto burglaries are down 7% from December to January and February is trending down significantly. Residential burglaries are up 6% from December to January as we are seeing a new trend. Daytime hot prowl burglaries are down, but there has been an increase in late night garage burglaries. Suspects are reaching through garage door vents and are pulling on the mechanisms to release the door. Suspects are also opening automated garage doors with electronic devices. Neither of the above methods are new. If you have not already done so, please consider having SF SAFE, or a security professional conduct an evaluation of your residence.

On another note, I am pleased to announce that additional personnel will be added to the Taraval Neighborhood Team (TNT). TNT will continue to focus on mitigating violent crime and property crimes, including residential and auto burglaries.

SFPD Arrest Serial Department Store Burglar Suspected in Theft of Nearly \$250,000 in Jewelry

On January 23rd and February 11th of this year, San Francisco police officers responded to a department store in the Stonestown Mall located in the Taraval Police district regarding burglaries that occurred after hours. The losses in these incidents were \$3,000 in cash and over \$80,000 in fine jewelry. The department store surveillance cameras captured the suspect as he committed the crimes.

On February 16, 2018 at approximately 10:00 pm, the suspect committed a third burglary at the same store. Employees were present in the store and immediately contacted the police. Police responded to the scene and set up a perimeter. Officers captured the suspect as he was attempting to flee the building and recovered over \$150,000 worth of fine jewelry that the suspect had just stolen from the store.

Further investigation by the San Francisco Police Department's Burglary Detail linked the suspect to the earlier burglaries. The suspect was charged for all three burglary cases.

Toby Kessler, a 32 year old, transient, was booked into San Francisco County Jail on charges of burglary, grand theft, possession of burglary tools and possession of stolen property. His booking photo accompanies this news release.

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD Tip Line at (415) 575-4444 or text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.
