On June 20, 2018, Taraval Station hosted a luncheon to celebrate the retirement for five of our members. Combined, the five members have a total of 134 years of service. Taraval Station would like to congratulate Sergeant Fitzgerald Wong (29 years), Sergeant/Inspector Theodore Mullin (26 years), Sergeant Kevin Mannix (27 years), Officer Robert Chew (28 years) and Officer Mary Godfrey (24 years) for their many years of dedicated service. They will be missed and we wish them a well-deserved long and healthy retirement. I would like to thank Supervisor Katy Tang for presenting certificates to the retirees and supporting their hard work. I would also like to thank Deputy Chief Michael Redmond, Commander Ann Mannix and Commander Daniel Perea for attending and showing their appreciation and giving their well wishes.

With just a few days left in June, the incident numbers for Burglary and theft from vehicles are down, while we are on par, same as last month with robberies. The majority of the robberies were business related, late night, and in most of the remaining were force against loss prevention agents.

Fourth of July is next week. As a reminder, setting-off Illegal fireworks is strictly prohibited and officers will be canvassing known areas for violators.

Our next Coffee with a Cop will be in July on Ocean Ave. Stay tuned for more details.

The next Taraval Station community meeting will be on Tuesday, July 17th from 6:00 pm to 7:00 pm at the community room. Last month was a full house. I invite you to attend to hear our latest news or address any new concerns that you may have.

If you have any questions, concerns or suggestions that impact your neighborhood, please let me know. You can email me directly at Robert.Yick@sfgov.org or you can call me at 415-759-3100.

Thank you for your support

Beware of Gift Card Scams

A string of scams are taking place asking people to make payments over the phone for things such as taxes, bills, bail money, debt collection, and utility bills. Scammers are good at convincing people there really is an emergency, so lots of people have made the trip to the Walmart, Target, CVS, Apple and Google Play to buy gift cards to send these to the callers. These cards are like giving cash – and nearly untraceable, unless you act almost immediately. Do not provide the numbers on the back of the gift card to someone you don't know.

If you've bought a gift card and lost money to someone who might be a scammer, tell the company who issued the card and then please tell the FTC about your loss and file a report on line at <https://sanfranciscopolice.org>, 311, or come into any police station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages or individuals following delivery trucks to see where the truck is dropping off packages.
- Please dial 911 to report crimes in progress, suspicious activity or for life threatening emergencies. If it is not an emergency, dial (415) 553-0123.

**See something.
Say something.**

Homeless Outreach and Outreach to Drug Users:

Taraval Station has two officers that coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.

Foot Patrols:

Taraval Station has 3 foot beat locations. These officers are assigned to Irving St, West Portal Ave and Ocean Ave.

Monthly Police Community Relations Meetings:

Community Meetings are going to be held continuously. Officers and sergeants also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving. These meeting will be on the third Tuesday of each month.

Email Updates:

SAFE engages, educates, and empowers San Franciscans to build safer neighborhoods through crime prevention, education, and public safety services that result in stronger, more vibrant and

San Francisco SAFE, Inc. (Safety Awareness for Everyone) is a community crime prevention and public safety program that works in cooperation with the San Francisco Police Department and other city agencies to help San Franciscans protect themselves from becoming victims. SAFE was created in 1976 as a project of the SFPD. In 1980, SAFE became a non-profit 501(c)(3) corporation, and 30 years later, continues to act as the crime prevention component of the police department. A major portion of SAFE's income comes from a grant contract with the SFPD, but SAFE also receives donations and grants in order to expand and enhance our crime prevention and public safety services. SAFE has also received numerous grant awards from the City and County of San Francisco, the San Francisco Mayor's Office, State Office of Criminal Justice Planning and local foundations. We have provided major support to the San Francisco Police Department and Mayor's Office by acting as a fiscal agent for these federal and state funded grants, along with participating in numerous crime prevention activities as a part of these grants.
