**Medical or Physical Therapy Appointments On-Duty**  
(Re-issue DB 15-262)

Members are reminded that they are allowed to use SP, VA, OU, FH, PE time (EH must be used in entire shift increments) to compensate for hours missed when attending medical and physical therapy appointments during a work shift. This policy also applies to follow-up appointments resulting from an industrial injury.

  
WILLIAM SCOTT  
Chief of Police
