Captain Jack Hart's Message

Wed, February 14, 2018

“It’s 3AM. I am on patrol, alone in a police car. My only company is the endless chatter on the radio. The streets are quiet and the houses I pass are dark. It is in moments like this that I realize what policing is truly about. The community sleeps in the quiet and comfort and safety of their homes because I am out here. I am awake, vigilant, ready, and prepared to protect and serve. The city sleeps and reenergizes itself for a new day while I work to keep it safe. As the dawn approaches, the houses begin to light up, and the city awakes and prepares for a new day. While the city works, I will sleep, renew, and prepare to guard it once again.” –Michael Nila from *The Nobility of Policing: Guardians of Democracy*.

This month’s ‘Officers of the Month’ are the embodiment of the above passage and reminder to all of us how fortunate we all are to have such dedicated officers that work the midnight shift here at Ingleside Station. **See page #2 to read their story.**

Featured Officer of the Month

Ofc. George & Ofc. Demkowski

Ofc. Demkowski and Ofc. George are extremely dedicated, passionate, and hard-working on the midnight watch at Ingleside Station. In addition to performing consistently well over a period of time, here are just a couple of examples why these officers are to be commended as Officers of the Month:

Ofc. Demkowski was assigned to solo patrol on the midnight watch at Ingleside Police Station. On 01/23/2018, she saw a suspicious vehicle operating in the area of Glen Park at 3:30 in the morning. After identifying probable cause to stop the vehicle, she determined that the occupants were on parole. With the assistance of additional officers, the vehicle was searched and a fully-loaded Glock firearm with a 30-round extended magazine were located and seized. It is hard to measure how many violent crimes were prevented by this stop, search, and seizure, but this result is very hopeful and rewarding.

Ofc. George was assigned as a solo patrol officer on the midnight watch at Ingleside Police Station and was assigned to the Glen Park area. Recognizing that there had been an increase in burglaries in both the Glen Park, Diamond Heights, and outer Noe Valley areas, Ofc. George was actively patrolling back and forth between these neighborhoods. On 01/16/2018 at 0448 hours, a report of a burglary was called in around the area of the 300-block of Valley Street. Ofc. George, already in the neighborhood on active patrol, heard the description and simultaneously saw the suspect in the area of 29th Street and Day Street. After a foot pursuit, the suspect—already wanted on a “no-bail” felony burglary warrant—fought with the police and ultimately was taken into custody.

These officers’ actions are just a small sample of heroic work done by midnight shift officers who keep us safe while our neighbors, families, and children sleep soundly in our beds. It is for these small and unseen—but heroic—acts, that they are our Officers of the Month.

Occasionally, the pair would get out of the car and walk around the neighborhood then return to the car and hide from view. The suspicious activity prompted Sgt. Lau to call for assistance and Ingleside Officers Hauscarriague, Casey, and Mora arrived, soon thereafter. For an hour the officers watched the car until the passenger exited the car and started walking away on Edna Street and his accomplice started the Toyota and drove away toward Monterey Boulevard. The homeowner told the officers that she left her home about 3pm and returned about an hour later. When she entered the home it was full of smoke. She called 911 and went outside to wait for the arrival of the fire department. Fire personnel told the officers that the blaze was started when sunlight, streaming through a window, focused on a crystal ball lying on the bed in an unoccupied bedroom. When they arrived the victim told the officers she was in her garage when she heard four to five shots outside her home. She became nervous when she heard the bullets ricocheting off her garage door. She ran upstairs and called police. The officers contacted nearby neighbors. One neighbor told the officers his jeep was hit by the gunfire damaging a passenger door, roof, and right rear fender. 12:10pm Mission & Godeus Malicious Mischief Vandalism

A Muni bus driver heard a sound, even for a seasoned Muni employee, he probably never heard before. He looked in the interior rear view mirror and saw a passenger, sitting in the rear of the coach, hitting the right rear passenger side window several times with his elbow. The suspect then stood up and, with one swift kick, shattered that same window. The suspect then exited the bus and started walking north on Mission Street. Ingleside Officers Ocreto, Tayliong, Dungca, Laoagan, Hornstein, and Calupad arrived within minutes and placed the suspect under arrest. He was transported to the county jail and booked for malicious mischief vandalism and for being intoxicated in public. Report number: 180098666

2:57pm Sunnysdale & Hahn Possession of Firearm

Keen eyed Ingleside Officers Barajas, Seavey, and Jensen were on routine patrol when they noticed something that didn't match about the older Nissan Altima traveling ahead of them. The registration had expired in June of last year yet the tabs showed an expiration date of July 2018. The officers stopped the vehicle and asked the driver and passenger for identification. They both willingly complied with the officer's request. The officers ran their identities through the department's computer system and the results showed the passenger had a long arrest record. He was on probation with a search conviction for "carjacking" and had been convicted of car theft and assault with a deadly weapon. Inside the car was a loaded black semi-automatic firearm hidden under the front seat. The officers also found a window punch and bolt cutters used by thieves to break into vehicles. A quantity of marijuana was also found inside the car. The passenger was placed in custody and taken to Ingleside Station for booking. The driver was cited for the vehicle code violation and released at the scene. Report number: 180099357

Serious Incidents:

4:01pm Blythedale & Santos Evading A Police Officer

Officers Barajas, Seavey, and Jensen were back on patrol after the above arrest when they again used their keen sense of vision, along with some considerable luck, to spot a woman wanted for attempted homicide. The woman, and a male passenger, happened to drive by the officers on Blythedale Avenue. The trio of officers radioed for backup and attempted to stop the suspect on Bayshore Blvd. Instead of stopping, she took off at a high rate of speed through the streets, blowing through red lights, and eventually on to southbound #280. The officers broadcast a description of the vehicle and dispatch relayed the information to surrounding jurisdictions, but the suspect was able to evade arrest by driving away at a high rate of speed. Report number: 180099705

7:19pm Velasco & Kelloch Discharging of a Firearm

The sound of several rapid gunshots startled Ingleside Officers Johnson and Naser while on patrol. They notified dispatch about hearing the gunshots and searched the area but were unable to find any shell casings, witnesses, or victims. Report number: 181001883

10:00pm 5000 Blk. of Mission Discharging of a Firearm

Another report of "shots fired" prompted dispatch to send Ingleside Officers Govindbhai and Cortez-Cendejas to investigate. When they arrived on scene they found a victim who told the officers that he woke up to a large "bang". When he looked around his bedroom he found a small hole in a window and a curtain. The officers could not determine the source of the damages. Report number: 180100744

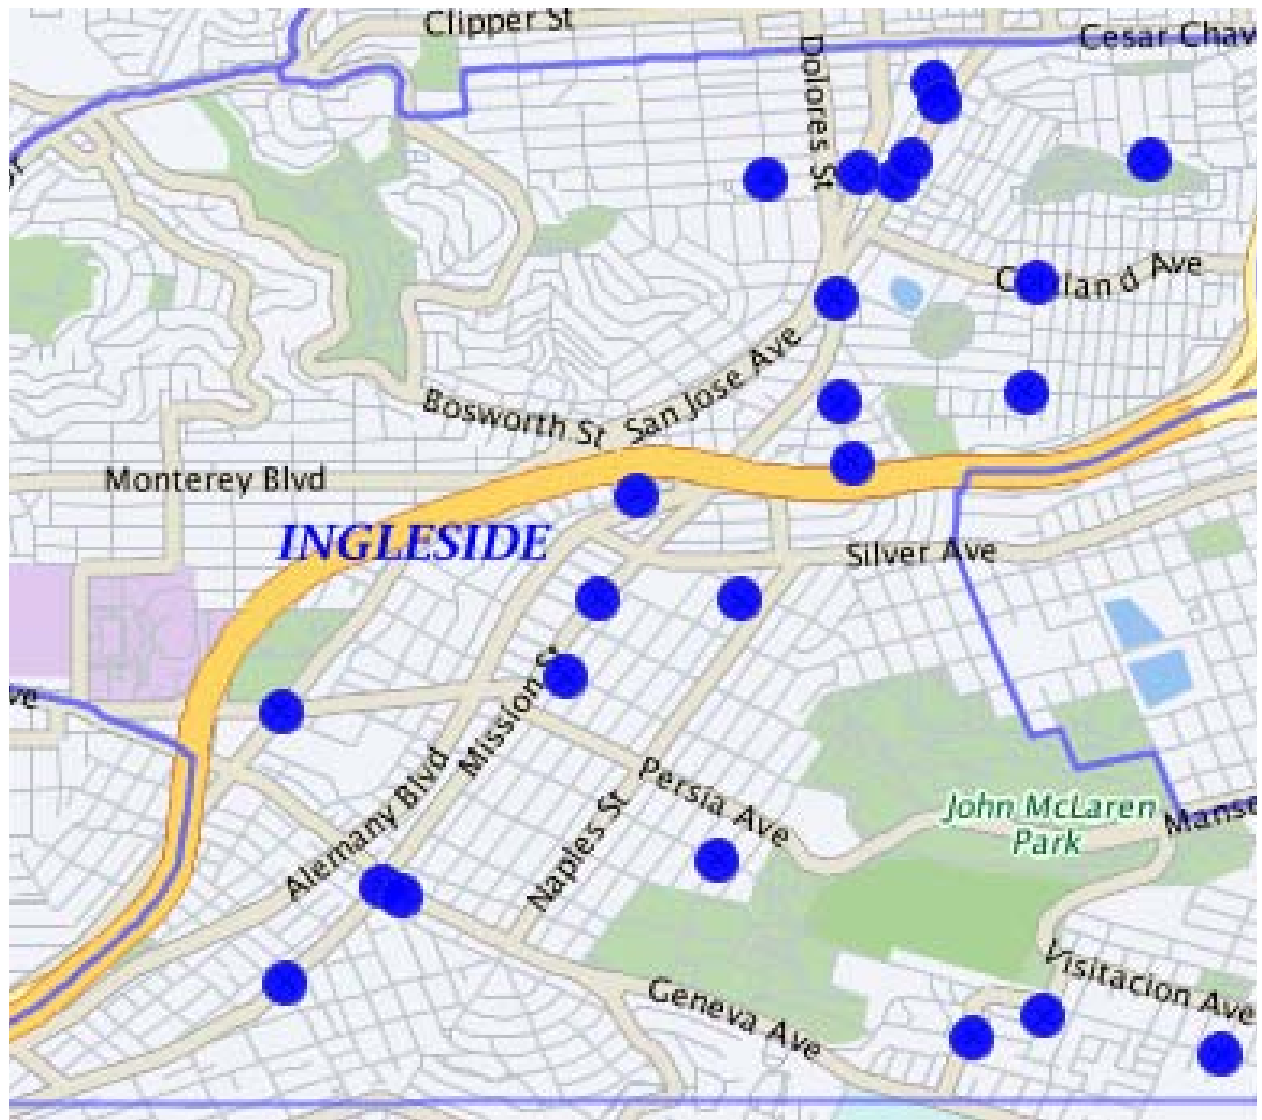

11:19pm 1600 Blk. Dolores Arson

A bar patron, angry about being kicked out of the drinking establishment, attempted to set the place on fire. The alert bartender told Ingleside Officer Parker that other patrons smelled smoke and he, the bartender, quickly ran outside and doused the flames with water. The intoxicated woman had earlier placed two wooden shingles against the building and used a cigarette to start the blaze. The woman then boarded a ride sharing vehicle which sped away. The station investigators are using surveillance video to help identify the suspect. Report number: 180100647

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on February 13th, 20th, 23rd and 28th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

San Francisco Police Arrest Attempted Homicide/Auto Burglary Suspects from Alamo Square Incident

On February 1, 2018, San Francisco Police officers from Northern Station's Street Crimes Unit were assigned to an auto burglary operation around Alamo Square Park in an on-going effort to combat auto burglaries. At approximately 11:51 AM, a known auto burglary vehicle, described as a black four door Infiniti with paper plates and tinted windows, was seen in the area of Hayes and Pierce Streets.

A plainclothes officer saw that the suspect vehicle had three occupants as it pulled up to a parked victim vehicle, a black Toyota SUV. Officers then observed two subjects exit the suspect vehicle, peer inside, and subsequently smash the rear window to take items inside.

Officers identified themselves and moved in to make arrests. One suspect fled into the waiting vehicle with the stolen property. Officers attempted to take the remaining suspect (who was standing near the rear of the suspect vehicle) into custody, while also ordering the driver suspect to stop the car. As an officer was taking the remaining suspect into custody, the driver suspect put the vehicle into reverse and accelerated backwards, running over the accomplice and the officer.

The officers continued to give the driver verbal commands to stop. The driver ignored those commands, put the vehicle in drive, and drove forward, running over his accomplice and the officer a second time.

Jamon Butler, male, 19 years old, San Francisco resident, booked on felony charges of attempted homicide, assault with a deadly weapon, assault upon a peace officer with firearm, second degree burglary, reckless evading, hit and run causing injury and conspiracy.

"This incident is stark reminder of the dangers faced by SFPD officers on a daily basis. What began as a property crime turned quickly into a violent assault that could have had deadly consequences to our officers. The driver's actions also endangered the lives of the accomplice and the public at large," said Deputy Chief Michael Redmond. "The surveillance video accompanying this news release is an example of how unpredictable property crime suspects can be. Officers across the City are working to address property crimes that often occur very quickly and have a negative impact the quality of life of our residents and visitors."

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD 24 Hour Tip Line at (415) 575-4444 or Text a Tip to TIP411. You may remain anonymous.

San Francisco Police Make Arrest in Auto Burglary Involving Animal Cruelty

On February 10, 2018 at approximately 2PM, officers responded to the 400 block of Stockton Street regarding an auto burglary involving a deceased dog. The victim returned to the location to find an unknown citizen waiting with his dog, Dunky, a four year- old black and tan Chihuahua, at the corner of Sutter and Stockton Streets. The victim initially believed his dog escaped from his vehicle and fell from the seventh floor of a parking garage. The victim went up to the seventh floor where his vehicle was parked and discovered someone had broken into it, as there was broken glass and blood throughout the car. The victim also noticed that his glove compartment had been rummaged through.

When the officers arrived, they observed the evidence and began their investigation. Officers found a blood trail leading to the ledge where Dunky was thrown onto the street below. Officers also obtained dash camera footage which captured the suspect on video and audio of the crime in progress. Officers immediately recognized the suspect from prior contacts and set out to arrest him as Animal Care and Control responded to take Dunky into their care.

On February 11, 2018 at 9:51 AM, a Sergeant from Central Station spotted the suspect in the area of Polk and Bush Streets. The suspect, identified as Wakeen Best, a 35 year-old San Francisco resident, was arrested and booked into San Francisco County Jail on felony charges of burglary, animal cruelty, grand theft, possession of stolen property, carrying a concealed weapon, vandalism, and a probation violation. Best was also booked on misdemeanor charges of possession of burglary tools, possession of drug paraphernalia, and violation of a court order.
