Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant 19-043

Thursday, April 11, 2019

The San Francisco Police Department will conduct a Traffic Safety Enforcement Operation on April 10th, 17th and 24th with a focus on distracted driving, especially through the use of handheld cell phones and texting. Distracted driving is anything that takes your eyes or mind off the road, or your hands off the steering wheel. These are some of the most dangerous things we do behind the wheel that many people do not think about because these actions are so common.

It is important to recognize the dangers of distracted driving. In California, cell phone laws were enacted to help prevent distracted driving and make roads safer. The law prohibits driving while holding a cell phone in your hand. If the cell phone is used in a hands-free manner, such as voice command or the use of a mounting device, it is completely legal. While driving, you can single swipe or tap the screen to activate or deactivate a feature or function, but you cannot text, scroll or tap multiple times. The law allows using your cell phone for emergency purposes, including, but not limited to, an emergency call to a law enforcement agency, health care provider, fire department, or other emergency services agency or entity.

Any driver under the age of 18 cannot use a cell phone or any other electronic wireless device at all (not hand-held, hands-free, Bluetooth, speaker phone, or any other means) except for the above emergency purposes.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

Officers met with the pedestrian who stated that he was walking in the in the crosswalk when he was struck by a vehicle. The pedestrian, who was later identified as 25 year-old, San Francisco resident John Mixon, stated that he became upset and struck the driver of the vehicle.

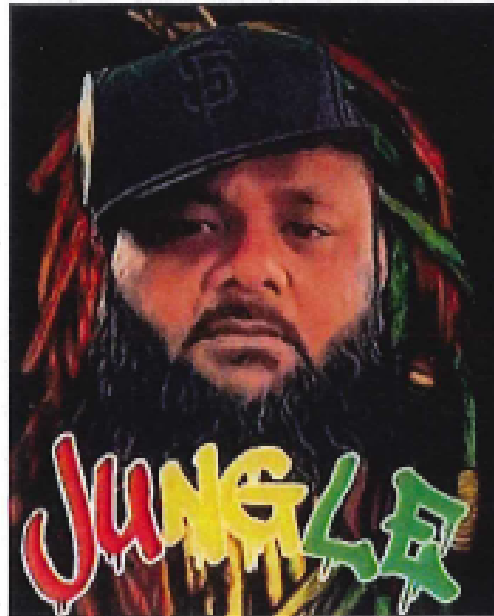

Officers recognized Mixon from a SFPD bulletin as a robbery suspect. Mixon was placed under arrest for assault, aggravated with force, elder abuse and for two previous robberies. Mixon was transported to the hospital for further medical evaluation.

While an arrest has been made, this remains an active and ongoing investigation. Anyone with information is asked to call the SFPD 24 hour tip line at 1-415-575-4444 or Text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.

THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!**Volunteer to serve
on the San Francisco Civil Grand Jury**

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the "watchdog" for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

Eligibility Requirements:

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

Help make government more efficient!

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a "watchdog" that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury's work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

Who is Eligible?

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

How do I Apply?

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 - 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 - 2020 Civil Grand Jury takes office on July 1, 2019.

Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
