# Captain's Message

Dear Residents and Community Members,

Wet weather is on the way starting Tuesday evening through Thursday morning. The National Weather Service has issued the following a flash flood and high wind warning (25 to 35 mph with gusts up to 60 mph) for San Francisco from Tuesday 2/12 through Thursday 2/14. The DEM has issued the below alert about the severe weather and how to be safe and prepared:

*The Bay Area is experiencing severe weather. Follow these important storm safety and preparedness tips to be ready:*

- Check your supplies and make sure you have what you need on hand: <http://www.sf72.org/supplies>.
- Check on friends and family who may need assistance during the storm, *especially elderly, homebound, or neighbors with disabilities.*
- Remove debris and sweep up any leaves from sidewalks and storm drains to keep them from getting clogged.
- Call 3-1-1 for non-life threatening storm issues. Call 9-1-1 for emergencies: [www.maketherightcallsf.org](http://www.maketherightcallsf.org)
- Sign up for AlertSF by texting your Zip Code to 888-777 for real-time emergency alerts.
- Public Works will provide San Francisco residents and business up to 10 free sandbags leading up to and during severe rainstorms. They are intended for properties prone to flooding. Sandbags can be retrieved Monday-Saturday, 8 a.m. to 2 p.m., at the Public Works' operations yard, [Marin Street/Kansas Street gate](#). **Bring proof of address. Sandbags also are sold at many local hardware and home improvement stores.**
- If the power goes out, unplug and turnoff appliances. Leave one light on to signal when power is restored.
- Avoid using candles because they are a fire hazard, especially in San Francisco due to so many wood buildings.
- Have flashlights and extra batteries on hand.
- Stay away from flooded areas and downed power lines whether in car or on foot.
- Do not touch electrical equipment if you are wet or standing in water.
- Stay informed: tune-in to KCBS (740 AM or 106.9 FM), local TV channels, or social media (@sf\_emergency; @sfwater; @sfpublicworks; @sfdph ) for emergency advisories and instructions.

## San Francisco Police Safety Tips for Lunar New Year Festivities

Gung Hay Fat Choy! The 2019 San Francisco Chinese New Year Parade will be held on Saturday, February 23, 2018. The parade, begun in the 1860's as a means to educate the community about Chinese culture, is the largest such lunar year celebration in the country and one of San Francisco's most popular and well-attended events.

With huge crowds expected, including guests from all over the world, public safety is the San Francisco Police Department's number one priority. There will be a significant police presence during Lunar New Year activities, with both uniformed and plainclothes officers on duty to monitor public events. As with any large event, safety is everyone's responsibility, including participants, organizers, security staff and law enforcement.

Lunar New Year celebrants can help avoid becoming a victim of a crime by keeping in mind the following safety tips:

- The festivities are about celebrating community. Look out for each other and report any suspicious persons or activity to event staff or a police officer. A good adage is, "If you see something, say something." In an emergency, call 9-1-1. To provide an anonymous tip, call the SFPD Anonymous Tip Line at 1-415-575-4444.
- Stay informed by signing up for emergency text message alerts by texting the word AlertSF to 888-777. AlertSF allows us to notify you of emergencies in San Francisco.
- Keep your friends close and your drinks closer. Don't accept drinks from strangers. Drink responsibly and don't drink and drive- always use a designated driver.
- The San Francisco Bay Area has a host of public transit options that will get you to, from and around Lunar New Year events.
- If you drive to the festivities, remember to "Park Smart!" Take your valuables with you- don't leave them inside your car.
- Maintain possession of your cell phone, wallet and other valuables.
- There is safety in numbers. Stay with a group when on the street or leaving bars and clubs. Be cautious about leaving a bar or club with a stranger. A rule of thumb is that if you feel "unsure" about someone, rely on that instinct and do not go with that person.

San Francisco Police also urge all members of the Chinese community to be suspicious of strangers claiming to provide relief from a curse or illness or those who provide "purification" ceremonies in which cash and valuable items must be offered as part of the process.

Visit our Lunar New Year Safety webpage at [Sanfranciscopolice.org/lunarnewyear](http://Sanfranciscopolice.org/lunarnewyear) for videos on ways to protect yourself from a scam and information on reporting resources available to scam victims. Anyone who is confronted by scammers or anyone who knows of an elder who was approached by scammers is strongly advised to contact police. Reports can be made at any SFPD District Station or by calling Dispatch at 1-415-553-0123 and requesting an officer to take a report.

Cantonese speakers can leave tips on a special tip line by calling 1-415-553-9212 or 1-855-737-3847. Information can also be called into the Anonymous Tip Line at 1-415-575-4444 or via Text a Tip by texting a message to TIP411 and beginning the message with SFPD.

**THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!****Volunteer to serve  
on the San Francisco Civil Grand Jury**

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the "watchdog" for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

**Eligibility Requirements:**

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

**Help make government more efficient!**

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

**What is the Civil Grand Jury?**

- As required by the California Constitution, the Civil Grand Jury is a "watchdog" that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

**How does it Work?**

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

**When?**

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury's work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

**Who is Eligible?**

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

**How do I Apply?**

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 - 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 - 2020 Civil Grand Jury takes office on July 1, 2019.

**YOUR FEEDBACK**  
will help US serve YOU better!

### The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit [sanfranciscopolice.org/police-commendation-complaint](http://sanfranciscopolice.org/police-commendation-complaint) for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
