THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!**Volunteer to serve
on the San Francisco Civil Grand Jury**

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the "watchdog" for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

Eligibility Requirements:

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

Help make government more efficient!

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a "watchdog" that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury's work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

Who is Eligible?

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

How do I Apply?

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 - 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 - 2020 Civil Grand Jury takes office on July 1, 2019.

YOUR FEEDBACK
will help US serve YOU better!

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
