# Captain's Message

Dear residence and community members,

I had a nice brunch on Mother's day with a group of moms that have lost their sons or daughters. The brunch was organized by "Healing 4 Our Families & Our Nation". The Founder of the group is Mattie Scott. I want to thank all the moms for letting me spend the day with them on Mother's day. I had a great day talking to this wonderful group of women.

Sincerely,

## Phase 1 – Initial Progress Report Highlights SFPD’s Progress on Collaborative Reform

The California Department of Justice today announced the release of the first report on the San Francisco Police Department’s progress on Collaborative Reform, including its efforts to review and reduce officer use of force, identify and address bias, and enhance community policing, transparency and accountability.

“San Francisco invited the U.S. Department Justice in for an independent review of our police department in 2016, which led to 272 recommendations for reform,” said Mayor London Breed. “SFPD has made significant progress towards changing policies and culture that will ultimately lead to greater trust between law enforcement and our diverse communities. There is still much more work ahead, and we are committed to fulfilling each and every reform recommendation and to meeting the high expectations our residents have for our police department.”

Following the U.S. Department of Justice’s withdrawal from the Collaborative Reform process in 2017, SFPD last year requested that the California Department of Justice provide an independent evaluation of the police department’s ongoing reform efforts. SFPD continued its work during this transition period, requested and received new, detailed and more stringent performance standards from the CA DOJ, and began a wholesale reexamination of reform work previously submitted to the US DOJ for approval.

Under the new process, 63 of 272 original US DOJ recommendations- including ones focusing on Use of Force, Bias and Accountability- were prioritized for review, with 11 marked as complete by the CA DOJ. As a result, the Phase 1 – Initial Progress Report finds “SFPD is better positioned to achieve successful transformation now and in the future.”

**THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!****Volunteer to serve  
on the San Francisco Civil Grand Jury**

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the "watchdog" for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

**Eligibility Requirements:**

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

**Help make government more efficient!**

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

**What is the Civil Grand Jury?**

- As required by the California Constitution, the Civil Grand Jury is a "watchdog" that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

**How does it Work?**

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

**When?**

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury's work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

**Who is Eligible?**

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

**How do I Apply?**

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 - 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 - 2020 Civil Grand Jury takes office on July 1, 2019.
