NEXT COMMUNITY MEETING

Tuesday, September 3, 2019 at 6:00 PM

Bayview Station Community Room

Captain's Message

Dear Community,

In the Bayview district we have had a decrease in overall property crimes. As a community we have done a great job working together to lessen the number of property crimes. To continue to decrease our Auto Boosting crimes, I would like to make a suggestion. If you are going to park your car anywhere in the city, keep your valuables out of sight in your car. Most auto boost crimes are crimes of opportunity. If an opportunist walks past your car and sees something valuable, the odds are they are going to break your window or open the car.

There has been a number of sighting of suspicious people walking in the neighborhoods checking car and house doors. This type of behavior is of concern to everyone. If you have been a victim of crime please report it so we can look into the matter. Never think that you are the only one. If you want to report a crime or suspicious activity please call 911 if a crime is in progress and 415-553-0123 if the crime has occurred already. IF YOU SEE SOMETHING SAY SOMETHING.

Sincerely,

Captain Troy Dangerfield #250

Citizen of the Month

August 2019

We are honoring Tim Obert as the Citizen of the month for his selfless acts of cleaning up the outdoor areas in the Bayview. Thanks Tim and the staff at Seven Stills for taking the time to care about the community.

My name is Tim Obert and I'm a cofounder of Seven Stills Brewery and Distillery that started right here in San Francisco.

Outside of work, I'm a rock climber, animal lover, coral enthusiast, and environmental advocate. Because my passions and hobbies lead me outdoors, I find it important to give back to and support the community that gives me so much in return.

After opening our first location in Bayview, I really saw all of the amazing things that the neighborhood had to offer. I wanted to encourage people to discover all of the beautiful outdoor spaces, and most importantly, to support their local community. When I started Beers for the Bayview I never thought that it would grow to be what it is today. I continue to be incredibly grateful and humbled by the support of the volunteers that come out to help every month, and the local businesses that have shared our passion for keeping SF beautiful.

See the story about Beers for the Bayview at:

Officer of the Month

August 2019

Officer C. Mustafich #1774

Officer Mustafich joined the San Francisco Police Department in 1999 and has worked at Bayview Station since 2001.

He was a member of the Bayview plainclothes team from 2002 to 2018.

Today you'll see him driving all over the Bayview district looking for stolen vehicles as the Vehicle Abatement Officer.

Among his many accomplishments, Officer Mustafich was the recipient of the (CIT) Crime Intervention Team Award for an incident that occurred in March of 2019.

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.

Department News

Our PAL Cadets went right back to business after their graduation in early July. They immediately began supporting the Police Department with the many events that take place during the summer months throughout the city. The Cadets were on full display at National Night out and helped make the night a huge success. National Night Out is a chance for community members to meet their local first responders, to build and to strengthen the necessary relationships. Our Cadets support the night by doing everything from set up and break down of the event, to handing out stickers and face painting. A big shout out to members of our 10th Cadet class for contributing to the great success of National Night Out.

Our Cadets will be back in session on August 22nd with a full curriculum to come. We have a very exciting fall semester line up for them and can't wait to welcome them all back. The semester will consist of blocks of instruction, a visit to the Tactical Unit, and the popular Sims training. We can't wait!

We also started our Annual Canned Food Drive in partnership with [Costco](#), the [Police Credit Union](#), and members of the SFPD Recruit classes. We proudly continue our tradition of feeding those who are less fortunate. Last year, we managed to have enough food to feed members of the San Francisco community for four weeks! With your support, we can exceed our goal and hope you will decide to partner with us! Donations can be dropped off at the SFPD Academy, the SFPD Community Engagement Center, and the Police Credit Union location on Irving.

Hosts the 2019 Canned Food Drive!

We will be collecting canned food from **AUGUST 15TH** to **SEPTEMBER 12TH**.

PLEASE DO YOUR PART TO HELP THOSE LESS FORTUNATE.

Police Reserve Program

The Police Reserve Officer Program is comprised of community members, such as yourself, and retired police officers who wish to volunteer as a Reserve Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department. This program is ideal for individuals who have an established career but always wanted to experience being a Police Officer. Reserve Officers can enjoy the best of both worlds; maintain their chosen career while helping to police an internationally known city. There will be a Level III Reserve Police Academy starting on September 23, 2019 and it will conclude on December 4th. The Reserve Academy takes place on Mondays and Wednesdays from 6pm to 10pm and all day on Saturdays from 8am to 5pm. The cost for the Academy is 1765.00. This is the minimum requirement to be a Level III Reserve in the state of California. This is a volunteer position with great training opportunities and experiences seldom seen. The Level III Academy is 168 hours long.
