NEXT COMMUNITY MEETING

Tuesday, October 1, 2019
at 6:00 PM

Bayview Station Community Room

Captain's Message

Dear Community,

For those of you that were unable to attend the community meeting on 09/03/2019, the focus of our meeting was around working together to resolve community issues and for the safety of everyone. The community had hot topics to discuss that affect us all.

One of the topics that was raised had to do with the amount of Recreational Vehicles that have moved into the Bayview District. We had Sergeant Cole from the Healthy Street Operation Center (HSOC) on hand to discuss their work with the homeless population in San Francisco. Sgt. Cole explained how HSOC works in partnership with Department of public health, San Francisco Police, the office of Homeless and supportive Housing and other agencies work together to resolve this issue. He also explained that we are limited on the actions that we can take in regards to moving the RV's. Sgt. Cole and I agreed that it's going to take the community to help us find a long term solution to this problem and that can only be accomplished by us working together.

The community also mentioned the increase in the number of auto burglaries and people stalking the Silver Terrace neighborhood. We suggested that they form a watch group and communicate their experiences, so everyone in the neighborhood can be on the lookout.

I have declared that the month of September is going to be maximum traffic enforcement month. The city has a Vision Zero initiative to have no pedestrian fatalities. Vision Zero is a program that involves multiple agencies throughout the city to make the streets safe. One of the parts of Vision Zero is what we call "Focus on the Five". SFPD is focusing on enforcing the five violations that are most frequently cited in collisions with people walking. Officers from Bayview Station will be out enforcing traffic laws.

That was most of the discussion at the meeting. I am hopeful that you will find the time to come to the next Community meeting that is scheduled for October 01, 2019 at the Bayview Community Room. Feel free to email me agenda items in advance. Email: troy.dangerfield@sfgov.org

As a reminder, if you are a victim of a crime or see a crime being committed, please call the police so we can take the appropriate actions.

Sincerely,

Captain Troy Dangerfield #250

Citizen of the Month

August 2019

We are honoring Tim Obert as the Citizen of the month for his selfless acts of cleaning up the outdoor areas in the Bayview. Thanks Tim and the staff at Seven Stills for taking the time to care about the community.

My name is Tim Obert and I'm a cofounder of Seven Stills Brewery and Distillery that started right here in San Francisco.

Outside of work, I'm a rock climber, animal lover, coral enthusiast, and environmental advocate. Because my passions and hobbies lead me outdoors, I find it important to give back to and support the community that gives me so much in return.

After opening our first location in Bayview, I really saw all of the amazing things that the neighborhood had to offer. I wanted to encourage people to discover all of the beautiful outdoor spaces, and most importantly, to support their local community. When I started Beers for the Bayview I never thought that it would grow to be what it is today. I continue to be incredibly grateful and humbled by the support of the volunteers that come out to help every month, and the local businesses that have shared our passion for keeping SF beautiful.

See the story about Beers for the Bayview at:

Officer of the Month

August 2019

Officer C. Mustafich #1774

Officer Mustafich joined the San Francisco Police Department in 1999 and has worked at Bayview Station since 2001.

He was a member of the Bayview plainclothes team from 2002 to 2018.

Today you'll see him driving all over the Bayview district looking for stolen vehicles as the Vehicle Abatement Officer.

Among his many accomplishments, Officer Mustafich was the recipient of the (CIT) Crime Intervention Team Award for an incident that occurred in March of 2019.

YOUR FEEDBACK
will help US serve YOU better!

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the **311** call center will function as a back-up.
