Captain Robert Yick's Message

Friday, August 2, 2019

Dear Residents and Community Members,

Auto burglaries are almost always crimes of opportunity and prevention starts by taking some simple steps to limiting a criminal's opportunity to commit the crime. Please do not leave anything in your vehicle, and be aware of your surroundings for personal safety. Criminals are looking for luggage, packages, backpacks, gym bags and electronics. They may be watching when you put items under a seat or throw something over them. An opportunist is on the lookout for trunk-packing, and can break into your car the minute you're out of sight. If you have no other option but to leave large items, including luggage in your vehicle –tether them together with a cable/bike lock and secure it to a fixed object.

We invite all members of the Central District community celebrate with us!

NEIGHBORHOOD WATCH SIGNS:

SAFE, with support from SFPD and DPW, will get Neighborhood Watch signs installed on individual blocks. Groups are able to apply for Neighborhood Watch signs after forming active groups. Signs are a way to publicize the efforts of your group, letting others know that yours is a SAFE neighborhood and one in which crime will not be tolerated.

Start a Neighborhood Watch

To start a neighborhood watch group or to inquire about any of our services, please call: (415) 553-1984 or (415) 673-SAFE.

As a reminder, please continue to dial "311" for a number of city services, especially if it is for illegally dumped garbage.

If you have any questions or concerns that impact your neighborhood, please contact me at Robert.Yick@sfgov.org or call me at 415-315-2400.

RIDE ON!

Make Bicycle Theft a Thing of the Past

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

Make, model, serial number and complete description of the bicycle.

A photo of the purchase receipt

A photo of the bicycle

Please send an email at info@sfsafe.org with your name and address and we'll get you started with bike registration.

After your registration is complete, you will receive a sticker in the mail to place on your bike.

Featured Officer of the Month

Vincent Busalacchi #2126

Officer Busalacchi was born in San Francisco, California. He graduated from Riordan High School and currently attends San Francisco State.

Officer Busalacchi joined the San Francisco Police Department in May 2014. After graduating from the Police Academy, he was assigned to Southern Station for training. After completing training, he was assigned to Park Station for probation. After probation, he was assigned to Central Station.

When asked what his favorite thing about the Central is he responded,

“The crime type is a variety of everything, a mix of all the districts put into one. Something new everyday.”

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ◆ An individual peering into vehicles to locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

**See something.
Say something.**

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Central Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Central Station have beat officers assigned to Union Square, Fisherman's Wharf, Chinatown, North Beach and Market/Drumm area.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Central Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

Park Smart!

If you love it, don't leave it.

Car thieves only need seconds to break into your car.

So Park Smart and take all valuables with you —
from small items — cell phones and sunglasses —
to bigger items — luggage and backpacks.

Don't tempt a car thief.
