Ingleside Captain's Message

While April 18th is a day where we pause and remember the 1906 earthquake and fire, there is no day like the present to action plan on earthquake and disaster preparedness for yourself, your family, your block, and your neighborhood. In the spirit of constantly challenging ourselves to be better and more prepared to adapt and overcome stress and adversity, Sup. Safai's Office and Ingleside Police Station partnered with the Neighborhood Empowerment Network to run a "Shake Tank" earthquake simulation. The April 24th event, graciously hosted by Pastor Barbara Cornejo at the Daring Faith Celebration Centre, lived up to its tagline: "Experience your tomorrow, today," when resident leaders from the Cayuga neighborhood engaged in the earthquake simulation with representatives from BART, Riordan High School, Recreation and Parks, the Mission Childcare Consortium, School Resource Officers, the Department of Emergency Management, CalOES, FEMA, SFFD, City College of SF, and many others. There were many positive takeaways from this event, with the biggest takeaway being the fierce urgency of getting ourselves as ready as we can be, so that we have the capacity to help others. Here are some ways you, your family, and your block can get more prepared:

- Visit www.sf72.org to plan, gather supplies, and connect to important notification alerts.

- Visit www.empowersf.org to learn about the Neighborhood Empowerment Network's programs, events, and resources, including hosting your own Neighborfest Block Party.

- Sign Up for AlertSF Messages by texting your Zip Code (in the body of the text message) to 888777.

- Consider joining the San Francisco Fire Department's Neighborhood Emergency Response Team (NERT), visit: <http://sf-fire.org/about-sf-nert> to learn more and for enrollment.

- After taking the NERT training, consider joining the San Francisco Police Department's Auxiliary Law Enforcement Response Team (ALERT). Visit: <https://sanfranciscopolice.org/alert>.

Featured Ingleside Officer of the Month **Ofc Maria Peregrina**

Ofc. Maria Peregrina #2266 is a 10-year veteran of the San Francisco Police Department, serving the last 5 years at Ingleside Station and for the last 4 years as a Field Training Officer for new Police Academy graduates. Ofc. Peregrina works day-watch patrol and her work product exemplifies her strong dedication to public safety, her conscientious determination to prevent, investigate, and document violent and property crimes, and her generosity of spirit which empowers victims and witnesses of crime. On 04/30/2019, her quick thinking and decisive intervention at the scene of an "in-progress suicide with a knife call" clearly, to all of us at the scene and to the medical staff at San Francisco General Hospital, led to a human life being saved. For this, she and her teammates at that incident, are being nominated for both a Crisis Intervention Team (CIT) award and the Department's "Life Saving Award." For her work on this day and every day, she is our featured officer of the month.

Featured Ingleside Community Member of the Month

John Stachnick

Featured Community Member of the Month

John Stachnick is a fifth generation San Franciscan who serves our community as President of the Cayuga Improvement Association (CIA) and as the Secretary of the District 11 Council. According to his biography on the CIA website (<https://cayugaimprovementassociation.org>), John is described as being passionate about revitalizing the neighborhood to be safe, diverse, family and pedestrian friendly. This passion has certainly been evident as he took action to make these goals a reality. Having seen crime reports in the neighborhood and being relied upon by Ingleside Station for his security camera footage of criminal incidents (which led to the arrests of a car thief, a car burglar, an arsonist, and several hit-and-run drivers), he put a plan in place to community organize and respond. He conducted comprehensive neighborhood canvassing to reach out to neighbors interested in purchasing cameras, he spoke to several camera sales companies and representatives, and ultimately obtained over 150 signups for residential safety cameras. If you're interested in participating in his Cayuga neighborhood program, take a look at the flier in this newsletter. For all of his hard work on behalf of his neighborhood, he is our Featured Community Member of the Month.

Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

Cell Phone Law

-  Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.
-  To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.
-  When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.
-  A first offense ticket is \$162, with additional offenses costing even more.
-  You may use your phone while holding it for true emergencies, like calling 911.

For additional driver safety tips and resources, visit gosafelyca.org.

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."

Ability to Pay in San Francisco Traffic Court

If you cannot afford to pay your ticket, you have a right to ask the traffic clerk or judge to consider your financial circumstances.

The court will look at your financial information, and then will decide whether to:

1. **Reduce** Your Fine, and/or
2. Offer you **Community Service**, and/or
3. Offer you an Affordable **Payment Plan**

I can't afford to pay for my traffic ticket.

Any time after you have been found guilty of a ticket, you can request the court to reduce your fine because you can't afford it.

The court will give you a form called **Can't Afford to Pay Fine (TR320/CR-320)** so you can explain why you can't afford to pay.

Provide as much detail as you can on the form about your income, expenses, why you can't afford to pay, and what you would like the court to do.

Attach documents showing your income and expenses, or explain on the form why these documents aren't available. Submit your form to the court.

The court will read it and let you know the decision by mail. Check with the court if you haven't heard back after 30 days.

Park Smart!

Safe Habits to Adopt:

Turn off the ignition
Never leave your car running unattended

Keep your vehicle & tires in good condition
to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors
when you get in your car

See something, say something
If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk
and take your valuables with you every time you leave your car

If you are being followed,
drive to the nearest police or fire station—
a populated area is a good default
