### Ingleside Station's Operation Kaboom 2019 Phase 1 (June 4th - July 3rd)

**Frustrated by the relentless scourge of illegal July 4<sup>th</sup> Fireworks every year? If so, Ingleside Station needs your help. Please: 1) contact us about problem locations where illegal fireworks have been ignited in the past, and 2) if you see something; say something.**

We need specific locations with either the addresses or intersections where the big, house shaking, fire hazard creating, injury-causing fireworks were detonated in years past. During the month leading up to the 4<sup>th</sup>, we will be compiling a list of these locations in anticipation of 4<sup>th</sup> of July illegal fireworks activity so that we can stop the big, dangerous gatherings from even starting. Email us at: [sfpd.fireworks@sfgov.org](mailto:sfpd.fireworks@sfgov.org); you may remain anonymous/confidential.

If you witness illegal fireworks being ignited (in progress), please call 911. Describe the suspect(s) at an exact location where illegal fireworks are being ignited as it is occurring; reporting the sound of fireworks is not specific enough. The mission here is to seize and prevent fireworks prior to the 4<sup>th</sup>, so that our July 4<sup>th</sup> plans will be successful. **Do not use the Fireworks email to report in-progress fireworks as it is not monitored 24/7.**

We are finalizing plans for July 4<sup>th</sup>'s "Phase 2" and will update the community once completed.

We are grateful for the assistance of San Francisco Rec & Park, the San Francisco Fire Department, DPW, DEM, the Bernal Heights Neighborhood Center, and Amy Beinart from Supervisor Ronen's office for their guidance.

**Captain Jack Hart**  
Commanding Officer

Featured Ingleside Officer of the Month  
**Ofc Mike Peralta**

Ofc. Mike Peralta is an 11-year veteran of the San Francisco Police Department, having served previously at assignments that included Southern, Richmond, and Mission Stations. As a Field Training Officer on the late day shift at Ingleside Station, he is one of the most dedicated at proactively detecting criminal behavior and taking lawful, effective action. One example (of many) is when on Friday June 7<sup>th</sup>, 2019, Ofc. Peralta and his partner effected a traffic stop on a vehicle, developed probable cause to search, and located an illegally possessed semi-automatic firearm in the passenger compartment. We are grateful for officers like him who go above and beyond responding to calls for service and proactively preventing

If you read and enjoy the “Incident Updates” section in these newsletters, it is because of the authorship, hard work, and dedication of our volunteer writer John Motroni. John, a native San Franciscan, worked at KGO TV for 29 years as an assignment editor and producer for Dr. Dean Edell, and Michael Finney from “7 on Your Side.” He began volunteering at Ingleside Station in 2006, assisting officers, working as an ambassador to victims and witnesses of crime, and poring through police reports to extract compelling summaries. He is known to frequent Liguria Bakery in North Beach, regaling the Station with the smell of fresh focaccia. We are grateful to have him as a part of our Ingleside family.

Auxiliary Law Enforcement Response Team  
(ALERT)

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

## What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

### Pathways to ALERT membership:

1. Complete NERT training and receive certification. To register for NERT training courses, please visit [www.sfgov.org/sfnert](http://www.sfgov.org/sfnert). Once NERT Certified, forward a copy of your NERT ID card to the ALERT program at [sfpdalert@sfgov.org](mailto:sfpdalert@sfgov.org). After clearing our background check, you are eligible for ALERT training.
2. If you are an SFPD Community Police Academy graduate, you are eligible for ALERT training after clearing our background check.

## Sewer Replacement & Pavement Renovation

Job Order 2925J

### Project Description

S.F. Public Works has partnered with the San Francisco Public Utilities Commission to complete infrastructure improvements along [Alemany Blvd. between Seneca Avenue and Congdon Street](#). Public Works will manage the project and we've hired D'Arcy & Harty Construction, Inc. to complete the work.

Construction is scheduled to begin in late June 2019 with completion expected in December 2020.

This project will include sewer main replacement, street base repairs, curb ramp and bulb-out installation, minor traffic signal work at the Santa Rosa Ave. and Silver Ave. intersections and repaving between Congdon Street and Seneca Avenue. Please note, not all blocks will include sewer main replacement work. Please visit our project webpage for additional information on which blocks will include sewer work.

Sewer service will not be interrupted during construction. Please continue to use your household plumbing per the usual.

Once the sewer work is complete, crews will begin preparations to repave the street. Preparations will include installation of curb ramps and bulb-outs followed by street base repairs. Street base repairs will require the contractor saw-cut sections of the roadway, remove the broken concrete and pour back fresh concrete. Replacing the street base now will improve the longevity of the new asphalt road.

Since there are several blocks included in this project, it may be weeks or months before we reach your block. We are sending you this notice in advance of any work on the project.

### Neighborhood Tip:

Please call 3-1-1 to report any issues in the neighborhood such as potholes, burnt-out traffic signals or streetlights, leaky fire hydrants, broken curbs or sidewalks, illegal dumping, etc. 311 is the primary customer service center for the City of San Francisco. They'll route your concern to the appropriate agency for follow-up.

### Impacts and Restrictions

Street parking may not be possible on the block during construction work hours. In some cases, parking may not be possible on part of the adjacent block as we taper the traffic lanes to accommodate the work zone. Please see posted barricade signs for exact work hours, days, and locations, because they may vary depending on the construction task. The "no parking" signs will be posted at least 72 hours in advance to alert motorists of parking restrictions.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. Please allow extra travel time during construction work hours.

Street cleaning restrictions will still be in effect.

We apologize for the inconvenience and thank you for your patience as we work to improve San Francisco.

For more information on this project or to sign-up for regular electronic project updates, please visit the project webpage.

Please hold on to this notice should you need our contact information during construction.

## Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

### Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

## Cell Phone Law

 Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.

 To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.

 When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.

 A first offense ticket is \$162, with additional offenses costing even more.

 You may use your phone while holding it for true emergencies, like calling 911.

For additional driver safety tips and resources, visit [gosafelyca.org](http://gosafelyca.org).

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."

## Ability to Pay in San Francisco Traffic Court

If you cannot afford to pay your ticket, you have a right to ask the traffic clerk or judge to consider your financial circumstances.

The court will look at your financial information, and then will decide whether to:

1. **Reduce** Your Fine, and/or
2. Offer you **Community Service**, and/or
3. Offer you an Affordable **Payment Plan**

I can't afford to pay for my traffic ticket.

Any time after you have been found guilty of a ticket, you can request the court to reduce your fine because you can't afford it.

The court will give you a form called **Can't Afford to Pay Fine (TR320/CR-320)** so you can explain why you can't afford to pay.

Provide as much detail as you can on the form about your income, expenses, why you can't afford to pay, and what you would like the court to do.

Attach documents showing your income and expenses, or explain on the form why these documents aren't available. Submit your form to the court.

The court will read it and let you know the decision by mail. Check with the court if you haven't heard back after 30 days.

If you've had a change of circumstances or need to provide more info about your situation, you may submit another request.

## Safe Habits to Adopt:

**Turn off the ignition**  
Never leave your car running unattended

**Keep your vehicle & tires in good condition**  
to prevent breakdowns—stranding you in a dark or unfamiliar place

**Lock your doors**  
when you get in your car

**See something, say something**  
If you see a motorist in distress, call 9-1-1 versus stopping to help

**Clear your trunk**  
and take your valuables with you every time you leave your car

**If you are being followed,**  
drive to the nearest police or fire station—  
a populated area is a good default

## SAN FRANCISCO POLICE RESERVE OFFICER PROGRAM

The Police Reserve Officer Program is comprised of community members, such as yourself, and retired police officers who wish to volunteer as a Reserve Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department. This program is ideal for individuals who have an established career but always wanted to experience being Police Officer. Reserve Officers can enjoy the best of both worlds, maintain their chosen career while helping to police an internationally known city. There will be a Level III Reserve Police Academy starting on September 23, 2019 and it will conclude on December 4th. The Reserve Academy takes place on Mondays and Wednesdays from 6pm to 10pm and all day on Saturdays from 8am to 5pm. The cost for the Academy is 1765.00. This is the minimum requirement to be a Level III Reserve in the state of California. This is a volunteer position with great training opportunities and experiences seldom seen. The Level III Academy is 168 hours long. If you need additional information please call Sgt. Kin Lee at the Community Engagement Division at [1-415-558-5514](tel:1-415-558-5514) or email [KinYau.Lee@sfgov.org](mailto:KinYau.Lee@sfgov.org) or Email Retired Deputy Chief, Garret Tom at [Garret.Tom@sfgov.org](mailto:Garret.Tom@sfgov.org)
