Captain Jack Hart's Message

Thursday August 8, 2019

On August 6th, 2019, Ingleside Station held its annual National Night Out event at the Crocker Amazon Recreation Center. We are so grateful for Ingleside's Community Police Advisory Board (CPAB)—especially Joelle Kenealey, Carey Rutigliano, Rex Tabora, Sharon Eberhardt, and Chris Faust—who helped to plan and run this tremendous event. Special thanks to Jennifer Snyder (Excelsior Boys & Girls Club), Drew Jenkins (Hope SF), Sam Tharani (Leland Market), Paul Giusti (Recology), Vanessa Gonzalez (Golden State Warriors) and all of the Rec and Park Staff that worked so hard to make this event amazing. We are already looking forward to next year!

Featured Ingleside Officer of the Month

Ofc Joel Hornstein

Ofc. Hornstein joined the San Francisco Police Department on October 30th, 2006 and has worked at Ingleside Station for the past 10 years. Formerly a paramedic and currently a Field Training Officer, he brings his top skills in both policing and patient care to the late day shift. He has recently been awarded a Silver Medal of Valor for heroically rescuing an elderly person from the 5-alarm 29th & Mission Street fire. He also earned a life-saving award for saving the life of a person choking at the Nugget Rib Cook-Off in Sparks, Nevada. Whether on-duty or off-duty, he brings calm to the chaos.

In addition to these significant events, he proactively responds to our community's everyday call for service and events needing police attention. Ofc. Hornstein and his partner responded so quickly to a residential burglary in progress call in Visitacion Valley, that they observed the suspects and pursued them on the freeway and down Tunnel Road in Brisbane.

For all of these reasons, Of. Joel Hornstein is our Featured Officer of the Month for August, 2019.

Malicious Mischief Vandalism

A burglar on the roof. A broken window and two men with baseball bats. These were the ingredients in a strange incident investigated by Ingleside Officers McCall and Jensen. The officers were dispatched to the Arco Station at Geneva and Naples and found two men nearby with one holding a baseball bat. The two were brothers who lived nearby and a third man was the suspect. The two brothers said they were home that evening when they heard a window breaking on the second floor of their home. The victims also heard a person walking on the roof. One of the brothers went out to the back porch and saw the suspect on the roof. The suspect, realizing he was spotted, jumped from the roof to a nearby tree and then to the street running on Naples towards Geneva. The two brothers, one with a baseball bat, chased the suspect to the gas station where they held him until Officers McCall and Jensen arrived. A record check failed to turn up any warrants or criminal history for the suspect. He was cited for vandalism and released at the scene. Report number: 190569675

Warrants Arrest

A motorist tried to “smart mouth” Ingleside Officers Barajas, Burke, Downs, and Lee. It didn’t turn out well for him. The four officers stopped to investigate a Mercedes parked in a bus zone. The driver told the officers he was just released on bail from the Santa Rita Jail in Alameda County. He also told the officers they were doing too much talking to him and they should just run his license and issue him the parking citation. They did run his license and discovered he had an outstanding warrant for his arrest from Santa Clara County. Among the last words said to him was “your under arrest” as he was placed in a patrol car and driven to Ingleside Station for booking. Report number: 19055412

Attempted Robbery

This incident is a reminder that trying to help a robbery victim can sometimes be dangerous. A woman walking her dog at night was suddenly confronted by a robber who threw her to the ground. The victim's screams alerted a witness who ran to her aid and attacked the suspect. The suspect also threw the rescuer to the ground and then the suspect took out a handgun from his sweatshirt and pointed it at the man lying on the ground. Fortunately for the victim and the rescuer, he didn't fire the weapon but, instead, quickly turned and ran to a nearby van that sped away. Ingleside Officers Parker and Ticzon, and other Ingleside units, scoured the surrounding area for the suspects and broadcast a description of their vehicle. The officers also located surveillance video from nearby residences. The woman victim was transported to the hospital for treatment. Her would be rescuer was treated at the scene for lacerations. Glen Park News

The following 4 commercial burglaries have occurred in the Glen Park neighborhood in the past week:

- 1) 7/21 overnight to 22, Destination Baking Company, 598 Chenery St. 190-529-930
- 2) 7/21 overnight to 22 - Higher Grounds Coffee - 691 Chenery St. 190-529-974
- 3) 7/25 overnight to 26 - Glen Park Hardware - 685 Chenery St. 190-541-940
- 4) 7/25 overnight to 26 - Gialina's Pizza - 2842 Diamond St. - 190-541-978

The MO appears to be the same: kicking in the front door of the business and taking the cash register. One register was recovered and is being processed by our Crime Scene Investigations Unit. The exact times of the incidents are not clear, however, based upon the locations of these businesses, they likely happened in the very early morning hours on the 22nd and the 26th, respectively.

While it's really helpful to capture the incident on video, it's also REALLY helpful when we can capture the suspect(s) driving/walking to and/or driving/walking from the burglary.

Here's where you come in: If you happen to live in the neighborhood of these incidents, and you happen to have a camera that faces the street, would you please check the video to see if there is footage of the suspects going to or coming from this incident either on foot or in a vehicle? Anything you could find would be most helpful.

In the meantime, we are scouring the neighborhood for witnesses and evidence, coordinating with our citywide Burglary Detail to determine patterns and likely suspects across police district boundaries, and have briefed all of Ingleside's night shift officers to this crime "hotspot" location.

San Francisco SAFE, our prevention partner, along with Ingleside Station, will be meeting with these businesses to consult regarding security best practices, including lights, cameras, burglar alarms, etc.--anything that will help to dissuade, prevent, and/or rapidly detect criminal activity with these or any other businesses in the neighborhood. The only other reminder is that if people see something to please say something; all in-progress suspicious behavior should be reported to 911, so that our dispatchers can prioritize and coordinate a rapid response to suspects casing or attempting to break into our businesses.

Alemany Boulevard

Sewer Replacement & Pavement Renovation

Job Order 2925J

Project Description

S.F. Public Works has partnered with the San Francisco Public Utilities Commission to complete infrastructure improvements along Alemany Blvd. between Seneca Avenue and Congdon Street. Public Works will manage the project and we've hired D'Arcy & Harty Construction, Inc. to complete the work.

Construction is scheduled to begin in late June 2019 with completion expected in December 2020.

This project will include sewer main replacement, street base repairs, curb ramp and bulb-out installation, minor traffic signal work at the Santa Rosa Ave. and Silver Ave. intersections and repaving between Congdon Street and Seneca Avenue. Please note, not all blocks will include sewer main replacement work. Please visit our project webpage for additional information on which blocks will include sewer work.

Sewer service will not be interrupted during construction. Please continue to use your household plumbing per the usual.

Once the sewer work is complete, crews will begin preparations to repave the street. Preparations will include installation of curb ramps and bulb-outs followed by street base repairs. Street base repairs will require the contractor saw-cut sections of the roadway, remove the broken concrete and pour back fresh concrete. Replacing the street base now will improve the longevity of the new asphalt road.

Since there are several blocks included in this project, it may be weeks or months before we reach your block. We are sending you this notice in advance of any work on the project.

Neighborhood Tip:

Please call 3-1-1 to report any issues in the neighborhood such as potholes, burnt-out traffic signals or streetlights, leaky fire hydrants, broken curbs or sidewalks, illegal dumping, etc. 311 is the primary customer service center for the City of San Francisco. They'll route your concern to the appropriate agency for follow-up.

Impacts and Restrictions

Street parking may not be possible on the block during construction work hours. In some cases, parking may not be possible on part of the adjacent block as we taper the traffic lanes to accommodate the work zone. Please see posted barricade signs for exact work hours, days, and locations, because they may vary depending on the construction task. The "no parking" signs will be posted at least 72 hours in advance to alert motorists of parking restrictions.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. Please allow extra travel time during construction work hours.

Street cleaning restrictions will still be in effect.

We apologize for the inconvenience and thank you for your patience as we work to improve San Francisco.

For more information on this project or to sign-up for regular electronic project updates, please visit the project webpage.

Please hold on to this notice should you need our contact information during construction.

A PROJECT OF THE CITY'S TEN-YEAR CAPITAL PLAN
There is only one San Francisco and we're taking care of it.

Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

Cell Phone Law

-  Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.
-  To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.
-  When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.
-  A first offense ticket is \$162, with additional offenses costing even more.
-  You may use your phone while holding it for true emergencies, like calling 911.

For additional driver safety tips and resources, visit gosafelyca.org.

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."

Over and over again we see the reports of crimes in the neighborhood. It's easy to feel powerless unable to do anything about it. The CIA is organizing a large group purchase of security cameras, offering residents a bulk rate discount on purchase and installation.

Ability to Pay in San Francisco Traffic Court

If you cannot afford to pay your ticket, you have a right to ask the traffic clerk or judge to consider your financial circumstances.

The court will look at your financial information, and then will decide whether to:

1. **Reduce** Your Fine, and/or
2. Offer you **Community Service**, and/or
3. Offer you an Affordable **Payment Plan**

I can't afford to pay for my traffic ticket.

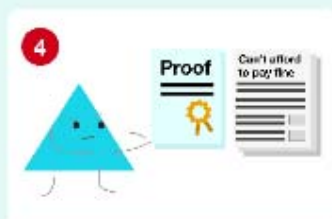

Any time after you have been found guilty of a ticket, you can request the court to reduce your fine because you can't afford it.

The court will give you a form called **Can't Afford to Pay Fine (TR320/CR-320)** so you can explain why you can't afford to pay.

Provide as much detail as you can on the form about your income, expenses, why you can't afford to pay, and what you would like the court to do.

Attach documents showing your income and expenses, or explain on the form why these documents aren't available. Submit your form to the court.

The court will read it and let you know the decision by mail. Check with the court if you haven't heard back after 30 days.

If you've had a change of circumstances or need to provide more info about your situation, you may submit another request.

Si no puede pagar su multa, tiene el derecho de pedirle al actuario o al juez que considere su situación económica.

La corte revisará su situación económica y luego decidirá si:

1. **reducirá** la multa o
2. le ofrecerá **servicio comunitario** o
3. le ofrecerá un **plan de pago** razonable

No puedo pagar la multa de tránsito.

En cualquier momento después de que se le haya declarado culpable de una multa, puede solicitar a la corte una reducción de su multa porque no puede pagarla.

Park Smart!

Safe Habits to Adopt:

Turn off the ignition
Never leave your car running unattended

Keep your vehicle & tires in good condition
to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors
when you get in your car

See something, say something
If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk
and take your valuables with you every time you leave your car

If you are being followed,
drive to the nearest police or fire station—
a populated area is a good default

SAN FRANCISCO POLICE RESERVE OFFICER PROGRAM

The Police Reserve Officer Program is comprised of community members, such as yourself, and retired police officers who wish to volunteer as a Reserve Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department. This program is ideal for individuals who have an established career but always wanted to experience being Police Officer. Reserve Officers can enjoy the best of both worlds, maintain their chosen career while helping to police an internationally known city. There will be a Level III Reserve Police Academy starting on September 23, 2019 and it will conclude on December 4th. The Reserve Academy takes place on Mondays and Wednesdays from 6pm to 10pm and all day on Saturdays from 8am to 5pm. The cost for the Academy is 1765.00. This is the minimum requirement to be a Level III Reserve in the state of California. This is a volunteer position with great training opportunities and experiences seldom seen. The Level III Academy is 168 hours long. If you need additional information please call Sgt. Kin Lee at the Community Engagement Division at [1-415-558-5514](tel:1-415-558-5514) or email KinYau.Lee@sfgov.org or Email Retired Deputy Chief, Garret Tom at Garret.Tom@sfgov.org
