**Captain Joe Engler's Message**

**Residents, Merchants, and Visitor**

Every year, in communities big and small, there are heartbreaking stories of fatal car collisions involving newly graduated high school students who made the deadly choice to drink and drive. Elation is replaced by tragedy and communities and families are left to plan funerals rather than the new chapter of a young persons life.

National statistics show that graduating teenagers are particularly at-risk during graduation week to the perils associated with driving while impaired by alcohol and or drugs. The common recurring theme of these tragedies is that the students were excited to begin the next chapter of their life; that the youth had so much promise and potential; and that the new graduate was not known to be a "drinker" to their parents, friends, and peers.

Parents are left with a broken-heart and sense of loss that can never be healed. Teachers are burdened with a sense of failure in not imparting the final lesson of safety and sobriety. Communities are torn apart as the tragedy leads to finger pointing and blame for senseless deaths that should not have occurred.

As we celebrate the end of the school year with the graduation and promotion of all of our community's students, our officers have been instructed to be on the lookout for any person behind the wheel of an automobile under the influence of spirits or narcotics. With the lives of our youth at stake, there will be nothing casual about our officers' enforcement of laws for driving while under the influence.

Your Northern Station officers know that our several neighborhoods and commercial corridors will be the host of many family gatherings and social events in celebration of graduations and promotions. Our general practice of partnering with stakeholders like the SF Unified School District and our district's several private schools will pay dividends as we emphasize the importance of students making responsible choices during graduation week.

School Resource Officers Frank Chinawah and Eureka Monroe have been sharing this message with our district's several school teachers and administrators for the past several weeks. The positive response from their efforts is the inspiration behind this week's message.

This weekend, aside from the several school graduations, there are community events which will bring out large numbers of community members and visitors alike. The African American Art and Culture Complex is hosting a two night comedy show on Friday and Saturday evenings. The Annual Union Street Fair will occur on Saturday and Sunday in Cow Hollow.

As you enjoy the weekend, please make good choices and be safe.  
-JE

### **Officer Jonathan Cairo**

**Officer Cairo has been with the San Francisco Police Department since July of 2018 and is currently assigned to the Midnight watch at Northern Station. Officer Cairo worked with the Oakland Police Department for five years prior to transferring to the SFPD. While working as a patrol Officer in Oakland, Officer Cairo met an 11 year old boy with crutches who was sitting on the sidewalk. Officer Cairo started talking with him and instantly felt a meaningful connection. Officer Cairo made it a routine to stay in contact with him and made sure he was doing alright and keeping his grades up in school. Officer Cairo would motivate him to stay on the right path and pursue his dreams. Officer Cairo continues to mentor him and recently with the help of SFPD and OPD officers, surprised him with a gift for his 15th birthday. Great work by Officer Cairo and his fellow officers making a great and lasting impact in a young man's life.**

## INCIDENT RECAPS

**On 5/20/19 at 1907 hours, officers responded to a call of an auto boost in progress in the area of Fulton/Octavia. Witnesses on the scene flagged down the attention of a security guard regarding a subject who had just broken into a vehicle. The security guard approached the subject**

**who had the victim's property in his possession, and successfully placed the subject in handcuffs pending officers' arrival. Once officers arrived on scene, they took custody of the subject and confirmed the property in his possession did in fact belong to the victim and that it had been taken out of the vehicle. The subject was successfully booked for the auto boost**

**On 5/26/19 at 0725 hours, the victim heard noises coming from her balcony outside her bedroom window in the area of Fell/Webster. The victim witnessed the subject outside her window, got scared, and ran out of her apartment to find the building manager. When the victim returned to her apartment, she noticed that her front door had been closed even though she left it open when she ran out. The victim then called 911 and waited for police to arrive. Once officers arrived on scene, the subject was still barricaded in the victim's apartment, at which time, officers gave the victim numerous orders to exit, but when she did not comply, they deemed it necessary to force entry into the apartment. Officers gave the subject multiple commands to raise her hands and surrender, however she refused. After several minutes of commands, the subject eventually complied and was successfully placed into handcuffs and arrested for burglary.**

# Safety-San Francisco

To most effectively reduce crime, neighbors must work together to make their neighborhood safe. The SAFE agency manages the Neighborhood Watch Program for the City & County of San Francisco. SAFE, with support from SFPD and DPW, will get Neighborhood Watch signs installed on individual blocks. Groups are able to apply for Neighborhood Watch signs after forming active groups. Signs are a way to publicize the efforts of your group, letting others know that yours is a SAFE neighborhood and one in which crime will not be tolerated.

View all neighborhood watch groups in San Francisco. If there is not a Neighborhood Watch group in your area, please fill out the service request form found on SF SAFE website found below.

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

**The SFPD wants to hear from YOU.**

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community we proudly serve.

Visit us at <http://sanfranciscopolice.org/feedback>. Your feedback will help SFPD better serve our City. Comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

(If this is an emergency, please call 911. For non-emergencies, call 415-553-0123. You may also visit <http://sanfranciscopolice.org/police-commendation-complaint> for more information on providing input on SFPD policies and practices.)

**Crime Statistics Disclaimer:**

Crime statistical data is accurate at the time the data is forwarded for publication. It is anticipated that weekly crime statistics will trend slightly higher, as victims of crime often delay the reporting of crime using online reporting and walk-in station counter reports after the date of the actual incident.
