Captain Joe Engler's Message

Residents, Merchants, and Visitors,

Adversity. It is a key ingredient to growth, confidence and improvement. It often arises from unexpected places and unforeseen circumstances. Sometimes it arises from an injury, illness or sudden death of a loved friend or family member. It often reveals itself when persons use power and authority to direct the actions of others. However it comes to pass, adversity is always an opportunity to adjust the boat's sail to capture the ever changing direction of the wind.

Your officers of Northern Station know adversity, embrace her challenges and always strive to better themselves every day. Homelessness, car break-ins, traffic related issues and public trust and safety are real challenges that stretch your law enforcement workforce every day. The struggle has been met with compassion, empathy and partnerships with community stakeholders. Members of The faith community like Rev. Dr. Amos C. Brown, Rev. Floyd W. Trammell, Rev. Kenneth Watson to name just a few, have built a presence of trust and collaboration within the district. Parishioners at St. Vincent de Paul, St. Dominic's, and St. Brigid's, provide much charitableness, giving in both their time and financial contributions to those in need.

Sutter Health and Kaiser Permanente have been a reliable and consistent partner with the city's department of public health in the fight against addiction and substance abuse. Rec and Park, the Department of Public Works, and the Port Authority have all collaborated with the men and women of Northern Police Station to keep the streets, sidewalks, parks, and shoreline clean and safe for our children and families.

In the name and spirit of one community, your Northern Station Police Officers know that it takes all of us to make a change, one obstacle at a time. Please join us for a neighborhood clean-up on Saturday August 10th from 10 am to 1pm, look for details to be announced on twitter, @SFPDNorthern.

Have a safe and happy weekend!

-JE

Community

Members of Northern Station's Housing unit recently took the time to barbecue for the Ella Hill Hutch Field Day. Northern Station members partnered with community members and a great day was had by all.

Safety with Respect

INCIDENT RECAPS

On 7/2/19 at 1659 hours, Northern Station Housing unit located a subject in the area of Eddy/Scott that was wanted for an auto boost that occurred in the Richmond district (190-465-500). During an arrest search in that incident, officers located a firearm in possession of the subject.

At the start of the officers' shift, they conducted a computer query and confirmed that the arrest warrant for the subject was still in effect. While on patrol, officers located the subject enter a vehicle, approached him to notify him of the warrant, and to exit the vehicle. Once the subject exited the vehicle and was placed in handcuffs, officers performed a pat search and located a concealed, and loaded, firearm in his waistband. Officers conducted an AFS search of the Springfield Armory XD, black,.40 caliber, serial# US 182137, and discovered it was reported stolen on 3/4/16 out of the Ward County Sheriff's office in Minot, North Dakota (Case# 16-2940).

On 7/16/19 at about 2238 hours, officers were called to an auto boost in progress on the 500 block of Hayes Street and a description of the subject was provided to officers via PIC radio. When officers arrived on the scene, they met with the RW, an off-duty San Mateo police officer, who stated he heard the window of the vehicle break and saw the subject inside the vehicle, removing property. The witness then saw the subject steal multiple bags from the victim's vehicle and enter a getaway vehicle and fled the scene. Officers subsequently provided suspect and vehicle information to the officers in the surrounding area. A short time later, another unit located the vehicle matching description several blocks away and conducted a traffic stop on the vehicle and detained the two subjects inside. One subject was given permission to retrieve his sweater, due to the cold weather, and at that time officers noticed the stolen property inside their vehicle that was described by the witness. During a cold show with the witness, he did not recognize the first subject who was the potential driver of the vehicle, and recognized the clothing of the second subject. The witness positively identified the stolen/recovered property that was in the subjects' possession as belonging to the victim's vehicle. Officers showed the victim the recovered property and he positively identified it as belonging to him. The subjects were then booked without incident.

Safety-San Francisco

To most effectively reduce crime, neighbors must work together to make their neighborhood safe. The SAFE agency manages the Neighborhood Watch Program for the City & County of San Francisco.

SAFE, with support from SFPD and DPW, will get Neighborhood Watch signs installed on individual blocks. Groups are able to apply for Neighborhood Watch signs after forming active groups. Signs are a way to publicize the efforts of your group, letting others know that yours is a SAFE neighborhood and one in which crime will not be tolerated.

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

Crime Statistics Disclaimer:

Crime statistical data is accurate at the time the data is forwarded for publication. It is anticipated that weekly crime statistics will trend slightly higher, as victims of crime often delay the reporting of crime using online reporting and walk-in station counter reports after the date of the actual incident.

We, the members of the San Francisco Police Department, are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. In order to protect life and property, prevent crime and reduce the fear of crime, **we will provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.**
