## Captain Joe Engler's Message

### Residents, Merchants, and Visitors

This past Tuesday's National Night Out at Ella Hill Hutch Community Center was a great success because the great community we serve. Mayor London Breed, Supervisor Vallie Brown, Police Chief William Scott, and Fire Chief Jeanine Nicholson all addressed the great group that gathered for this yearly event. Partnership with the community was at the forefront of the conversation. Good relationship and community oriented policing has made the Northern Police District continue to improve and become even safer every year.

We at Northern Station know it starts within the community and we are a willing and grateful partner in community improvement. The event was full of lively conversation, collaboration, and relationship development with community members and business owners alike. Neighborhood camaraderie and a strengthening of the relationships already existing between police and communities was the goal of the night and it was definitely met.

Northern Police Station will continue to strive to serve and work beside each community within our district. It is a privilege and honor to work in such a diverse and vibrant district with community members and activists that truly care about the growth and prosperity of it's residents and visitors. We are one community and are dedicated to providing compassionate and professional police service.

Thank you to our Northern District Community Police Advisory Board members (CPAB), Ella Hill Hutch Community Center, General Manager Phil Ginsburg of SF Recreation and Park, our several partner agencies, and all of the volunteers that made National Night Out a great success, it would not have been possible without you.

Have a safe and happy weekend!

Captain Joseph Engler

## *Check it out!*

**National Night Out was a great success this year at Ella Hill Hutch community center. Mayor London Breed, Police Chief William Scott, Supervisor Vallie Brown, and Fire Chief Jeanine Nicholson were a few of the distinguished guests. Thank you to the countless volunteers that made this night possible. Without the partnership with the community, CPAB, and city agencies partners, it would not have been possible.**

# Community

Northern Station and members of the San Francisco Fire Department joined with 'We are the City' Western Addition and Mo Magic for a backpack giveaway for children. Great event and many backpacks given out to grateful students for the upcoming school year.

## INCIDENT RECAPS

On 8/2/19, a carjacking incident occurred in the Mission District, where a Ford Ecoline was stolen. On 8/3/19 at 2328 hours, Northern Station Officers saw the stolen vehicle at a Shell gas station (800 Franklin St). Officers reviewed the SVS return and confirmed the vehicle was the same that was stolen out of the Mission district. Officers approached the vehicle and detained two subjects without incident. Officers performed a cursory search of the subjects, and located a pocket knife but no other weapons. Officers then checked the VIN of the vehicle and confirmed again that it was stolen. Officers notified Mission SIT of the arrest and then the subjects were both transported to Northern Station for further questioning. Officers responded to Richmond California to transport the owner of the vehicle to Northern Station to conduct a cold show. The victim did not recognize the first subject; the second subject, he wasn't positive if it was the same suspects who committed the carjacking but said that he looks similar to the original suspect. The assigned sergeant from the Robbery Unit took over the investigation. Both subjects were booked and the vehicle was towed to the CSI lot.

On 8/4/19 at 0119 hours, officers were assigned to a fixed post assignments in front of McTeague's bar (1237 Polk St.) The officers witnessed security guards escorting the subject out of the bar who then started to act aggressively when the security guards requested assistance from the officers. Before the officers could approach the subject, he punched the victim with great force, causing the victim to drop to the ground. The officers then ran toward the subject and attempted to detain him. The subject resisted arrest but the officers were able to gain control of the subject. During the investigation, several by standards began to swarm the officers' position, at that time, officers requested emergency back up to maintain officer safety. Once back up arrived, officers were able to transport the subject to Northern Station for further investigation. Due to the officers witnessing the incident, the subject was not interviewed and was booked for the assault.

Crime Statistics Disclaimer:

Crime statistical data is accurate at the time the data is forwarded for publication. It is anticipated that weekly crime statistics will trend slightly higher, as victims of crime often delay the reporting of crime using online reporting and walk-in station counter reports after the date of the actual incident.
