Hello all,

Firstly, Happy Thanksgiving to one and all from everyone here at Park Station.

This week marks the beginning of the Holiday preparations. I know if you are like me you feel very grateful for family, all you have, and especially cognizant of all those who have not been so lucky especially those people who have been a victim of the Camp Fires.

Our hearts and prayers go out to all those people who have been affected by these fires and our gratitude goes out to all the Fire Fighters and Law Enforcement personnel and the many volunteers who give up their time and money to assist these victims. We wish them all the very best in the coming weeks. We wish our very own Officer, Officer Buddy Siguido a safe deployment to the fires and may he and everyone be kept safe and come home soon.

Happy Thanksgiving

Be safe and remember to take all the necessary precautions to keep you, your family, home and car safe throughout the holiday season.

Captain Una Bailey

Next Community Meeting:

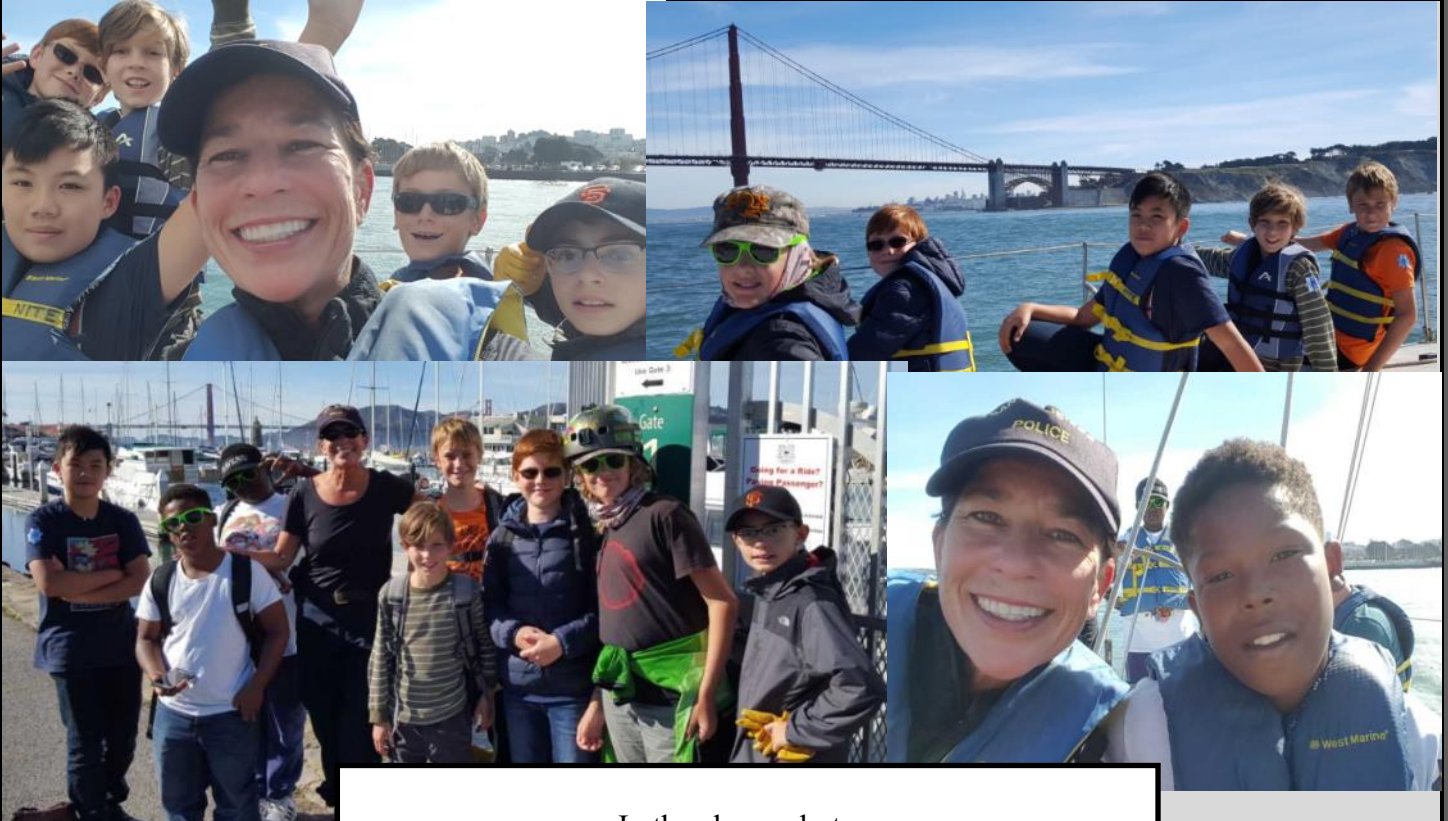

Tuesday,
February 12, 2019
7:00p.m.-8:00p.m.

Park Station's
Community Room

ROOFTOP MIDDLE SCHOOL STUDENTS SET SAIL ON THE BAY

In the above photos,
Officer Granucci and students from Rooftop Middle School

On Thursday, November 1, 2018, Park Station's School Resource Officer, Jennifer Granucci, along with eight (8) students and one teacher from Rooftop Middle School set sail on the 46' Golden Bear vessel sailboat operated by volunteers of The Blue Water Foundation. It was a great day out on the Bay & the Ocean... Yes, Ocean!

Officer Granucci and students sailed beyond the Golden Gate Bridge in search of some wind, but it was a no go as far as any wind! The group enjoyed the sites of San Francisco skyline, and the marine life frolicking in the water - lots of seals and porpoises. During the sailing trip, the students learned a lot about marine life, and enjoyed the beautiful weather, which was a definite bonus.

Thank you to the San Francisco Police Department Wilderness Program, who provide the opportunity for youth to experience a variety of outing activities.

SOCK AND BLANKET DRIVE

For the past 8 years, Officers Ryan Crockett and Jeffrey Sung, have reached out to our community members to help the less fortunate, by providing clean blankets, and socks to those that have possibly neither during the holidays. On Officers Crockett and Sung's own time and dime, they buy blankets and socks to distribute to those who are less fortunate and do not have blankets and/or socks, while also providing city services.

If you, or someone you know, can help Park Station by donating a new clean blanket, and/or men's, women's, or children's socks, we would greatly appreciate it. Thank you in advance for your thoughtfulness.

Please bring your donations to:

Park Police Station

1899 Waller Street (at Stanyan Street) – open 24 hours/day

Mark your items "Blanket & Sock Drive"

Please bring items in no later than December 5, 2018.

Holiday Toy Drive

**Donate a new unwrapped toy to
the San Francisco Police
Department's Toy Drive**

November 16th through December 14th

**Toys will benefit the youth and
will be distributed**

December 17th-21st

**THE NEXT
COMMUNITY MEETING
IS ON
TUESDAY, 02/12/19.**

SUPERVISOR OF THE MONTH

Captain Bailey has named Lieutenant Bernadette Robinson as the Supervisor Of The Month for November.

Lt Bernadette Robinson

This month I want to bring your attention to one of our outstanding supervisors, Sergeant Bernadette Robinson soon to be Lieutenant Bernadette Robinson.

Last week I had the absolute pleasure and honor of notifying Sergeant Robinson of her promotion to the rank of Lieutenant. It actually was bitter sweet as when a member is promoted it also means that person promoted will be assigned to another station or assignment and will therefore be leaving Park Station. She will be a major loss to our station as Bernadette brings so much to the table. When you meet Bernadette her love for her job is one outstanding part of her and the other would have to be her great big smile. Bernadette is always happy to be in her job and gives the sense that she can and will make a difference and she does and did. She has the skill set to make a great leader as her enthusiasm for what she does and her positive attitude allow her to succeed where many others have not.

Lieutenant Robinson worked the midnight watch as a Sergeant and was much liked and admired by the rank and file. In addition to her work here at the station Lieutenant Robinson is about to graduate from the Sherman Block Supervisory Leadership Institution, which is no small feat and is a great achievement.

Lieutenant Robinson was born and raised in Double Rock, San Francisco, where she lived until she was 24 years old when she bought her first home in San Francisco. She loves to cook as the midnight watch can attest to. She loves to spend time with her family, listening to music, reading and watching old movies.

Lieutenant Robinson started her law enforcement career in 1996 as San Francisco Dispatcher and by 2003 she joined the San Francisco Police department. Lieutenant Robinson trained at Central station, probationed at Richmond Station and then went to the Bayview where she stayed ten years until her promotion to sergeant. Once promoted to Sergeant she was assigned to Park Station where she worked in both the investigative team and on patrol.

Lieutenant Robinson loves her profession, even going so far as to say when she is not at work she misses it. Lieutenant Robinson loves working with "her people" all her officers and will miss each and every one of them now that she is moving on. We hope Lieutenant Robinson will always consider Park Station home and we look forward to seeing her lead this department.

OFFICER OF THE MONTH

Officer Dustin Daza

OFFICER DUSTIN DAZA

Captain Una Bailey has named Officer Dustin Daza as **Officer Of The Month for November.**

Officer Daza is nominated as our officer of the month for the month of November. Officer Daza who worked patrol swing watch was typically assigned the position of traffic car and did an extraordinary job of keeping the streets of Park District safe.

Officer Daza showed attention to detail and not only responded on calls for service but also ensured areas of traffic concern were addressed whether it was pedestrian safety or vehicular concerns. Unfortunately for Park Station. Officer Daza has just been transferred to the traffic motorcycle unit. We all here at Park Station wish him luck and are confident he will do great in his new assignment.

Officer Daza is the father of four children three boys and a girl. One of his sons just arrived last week so he certainly has his hands full. Officer Daza was born and raised in San Francisco and loves the fact that he works as a police officer in his home town. Officer Daza feels it his great honor to serve and protect the people of San Francisco in the city he calls home.

Officer Daza joined the department in 2007, the class of 214. He trained at Southern and probationed at Mission Station and his permanent assignment was Park Station. Officer Daza is also in the Army Reserves where he has attained the rank of Captain.

Officer Daza loves family vacations and attending his sons' baseball games and his daughter's soccer games. He is also a graduate of USF where he earned a degree in politics and philosophy.

Thank you Officer Daza for all your great work here at Park Station and we all wish you every success in your new assignment.

CITIZEN OF THE MONTH

**David Bolaffi with Mayor London Breed
and his father, Andre Bolaffi**

Park Station extends a heartfelt *Congratulations* to David Bolaffi who has been selected by Captain Bailey as Citizen of the Month for October.

David Bolaffi has been a longstanding member of Park Station's *Community Policing Advisory Board*, where he has exhibited dedication and commitment to many dynamic community events such as *National Night Out*, *The Haight-Ashbury Street Fair*, and most recently the *Cole Street Fair*.

David Bolaffi was born in New York, grew up in Boston, and he is a devoted "Red Sox" fan to this day. For many years he played in an Adult Recreation Hockey League, which was dear to his heart. In 1989, David Bolaffi moved to San Francisco "one month before the Loma Prieta Earthquake." Perhaps in response to such a serious and significant incident, David became interested in Public Safety and later became involved with the ALERT program (Auxiliary Law Enforcement Response Team) where he serves as a *Senior Team Lead*.

David Bolaffi and his ALERT squad can often be seen working public events as an additional public safety resource.

David Bolaffi is very passionate about the ALERT program and encourages people to visit the ALERT website:

<http://sanfranciscopolice.org/alert>

David making a "save" on the rink

INTERIM USE OF 730 STANYAN STREET

If the interim use of this location is important to you then you should contact the Mayor's office of Housing and Community Development at the below listed website.

<http://sfmohcd.org/730-stanyan>

SOME OF PARK STATION'S ARRESTS FOR THE WEEK**Hallucinogenic Sale and Controlled Substance for Sale/Alvord Lake—11/14/18 13:15**

Officers conducted a narcotics "Buy Bust Operation", which resulted in two felony arrest. The Officers seized suspected psilocybin mushrooms, opiates, Fentanyl, LSD acid and Marijuana from the subjects. Both subject were booked into County Jail.

Warrant Arrest, Local SF Warrant/ Area of Waller St - 11/15/18 07:07

Officers responded to a call for service regarding a subject laying on the sidewalk., in violation of 168(b) MPC. Officers contacted the subject, and a computer check revealed that the subject had a local warrant for his arrest. The subject was arrested and transported to County Jail.

Trespassing, Local SF Warrant/ Area of Castro St. -11/16/18 07:17

Officers responded to the above area regarding a subject trespassing. The security guard on the premise detained the subject that illegally entered the building from an employee entrance. The security guard handcuffed the subject, and called the police. The security guard signed a Citizen's Arrest Form for trespassing. A computer check revealed that the subject had three (3) warrants for his arrest. The subject was arrested and transported to County Jail.

Driving, No License issued, Traffic Violation Arrest/ Area Kezar Dr. -11/16/18 11:03

An Officer was assigned to traffic enforcement and observed an illegal U-turn at the above location. The Officer effected a traffic stop and contacted the driver. The driver stated that he did not have a Driver's License. The driver was cited for the above violations, and was released at the scene.

Driving While Under The Influence of Alcohol/ Area of Page St. -11/17/18 17:18

Officers effected a traffic stop after observing a vehicle with no headlights on after dark at the above location. The Officers effected a traffic stop, and contacted driver of the vehicle. Officers could smell the odor of an alcoholic beverage coming from inside the vehicle. Officers conducted an investigation and determined that the driver was under the influence of alcohol. The driver's vehicle was towed, the driver was arrested, and transported to County Jail.

Driving, No license/ Area of Haight St.-11/18/18 16:05

Officers effected a traffic stop after observing a vehicle that had expired registration at the above location. The Officers contacted the driver, who was not able to provided a Driver's License. A computer check revealed that the driver did not a valid Driver's License. The driver was cited for the above violations, and released at the scene.

TRAFFIC ENFORCEMENT

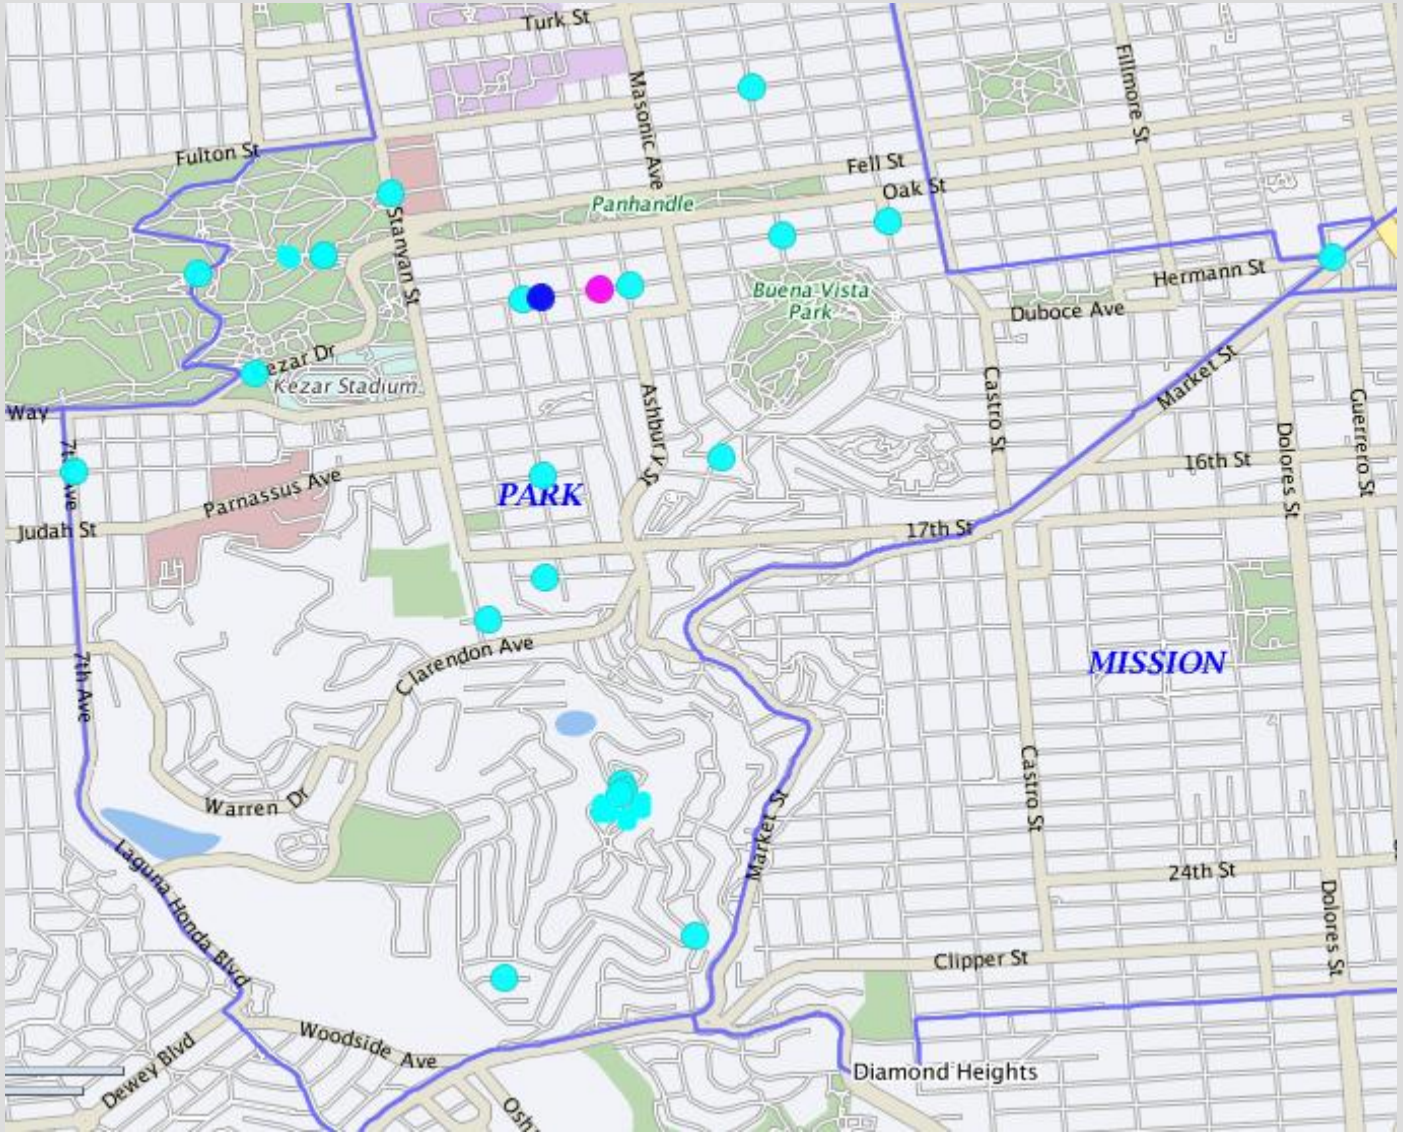

On Tuesday morning, November 20, 2018, from approximately 8:30am to 9:30am, two units were assigned to conduct traffic enforcement operations—at the intersection of Fulton Street and Cole Street, near the University of San Francisco. Four (4) total citations were issued to drivers for not yielding the right of way to pedestrians.

Please be careful and safe, this holiday season!!!

DISTRICT CRIME MAP

**Various Crimes that occurred in the Park District
(from Monday, 11/12/18 to Sunday, 11/18/18)**

- = Auto Burglaries
- = Robbery
- = Assaults
- = Burglary

THEFT FROM VEHICLE**Theft from a Vehicle:****(19 reported incidents of theft from vehicles occurred from 11/12/18 to 11/18/18)**

SAFE VIDEO SURVEILLANCE RECOMMENDATIONS

SEPTEMBER 2018

HIGH RESOLUTION

If you connect your camera to a DVR or other device, it will also need to be HD Compatible.

INFRARED (IR)

Built-in IR cut-switch that automatically enables/disables the infrared depending on the light conditions.

IN THE KNOW

The camera's viewing angle determines how much space the camera will cover. Wider angled lenses help cut down the # of cameras required for overall coverage. Video Surveillance should be utilized at your property with at least one camera facing towards the address street and camera should be registered with the District Attorney's office

District Attorney's office

SAFE and SFPD do not endorse any particular company and their cameras.

The cameras found on this document are the most commonly used for residential dwellings.

SAFE VIDEO SURVEILLANCE RECOMENDATIONS

Arlo Pro 2 (Arlo.com)

FEATURES

- View and Record in wide-screen from remote viewing
- Pre-Installed 500GB Hard Drive (expandable) up to 3TB
- Longer recording times (up to 30 days) available with use of motion detection and/or resolution adjustments
 - IP 66 indoor/outdoor weatherproof cameras
 - 24 LEDs for night vision

Amcrest.com (CCTV)

FEATURES

- Works with Alexa for voice control
- Flexible powering options use wire-free, plugged in
 - 7 Days of Cloud Recordings
 - 855 nm LEDs for night vision(25 ft)
- Arlo Smart adds powerful intelligence to your cameras. Customize alerts to detect people, specific zones, and contact first responders right from your smart phone's lock screen (optional service, includes 1-month trial)

Overview

Note: The following information is specific to commercial and retail establishments; however, can be applied to any location utilizing video surveillance.

Basic set up and maintenance problems can reduce the effectiveness of many systems.

- Resolution – is it good enough for facial recognition.
- Camera position – are they positioned for clear view of suspect.
- Lighting – is it adequate to capture clear images both day and night.
- Image detail – is the recorder set up for best image detail.
- Maintenance – are you maintaining your system properly so it can do its job when needed?

Set Up and Maintenance

- **Backlighting** – when sun is bright at doorway, images in front appear darker or even black. Use another light source inside to counteract back light.
- **Low Frame Rate** – saves on drive space and gives better image quality, but you may not get an image at all (now you see him; now you don't).
- **Obstructions** – displays and other objects blocking view **should be eliminated.**
- **Focus Problems** – must check system regularly to prevent.

Minimum camera resolution should be **480 horizontal lines.**

Good cameras have **faster lenses** (allows more lighting), larger maximum **aperture** opening (lets more light into the focal point of the camera) and controls image brightness (allows brighter images in dim lighting) – the more lighting, the more depth of field (greater depth of field; the more of the scene is in focus).

Focal Length – some cameras zoom in and out while others have a fixed focal length. The type of cameras used depends on what your needs are.

Transaction Areas – anything at a transaction point (cash register, toll booth, etc.), the subject's head should fill at least 15% of the total image in the frame, giving the detail you need.

Lines of Sight – lines of sight are always critical, make sure there are no obstructions.

Site Plan – the right site plan is crucial (retail store blueprint or **diagram**). Key camera spots are at transaction points (cash registers and entry/exit points) – the more cameras, the better.

You want good camera **overlap** (you want multiple chances to capture good images). Extra coverage is also needed for aisles, restrooms and other key points.

Camera Height – placement is very important, make sure it is as close to eye-level as possible. Otherwise, you might lose out to a baseball cap.

With a good site plan you can make sure you don't have any blind spots (you can toy around with camera positions, and do a test recording to see that you are getting what you want).

Interior Lighting – interior lighting can balance bright light from one direction (back lighting) by adding another light source from a different location (add a bank of lights).

Example: Artificial lighting (**inside store**) for cameras may be good in the morning, but by noon, the sun (through a doorway or window) can blow the entire frame out (add lighting to fill in for afternoon sunlight). Adding more light from a different direction balances lighting, giving better camera clarity (if sunlight is shining through large windows you can tent windows or add screens.

Exterior Lighting – if lights are on timers, you must adjust appropriate to seasonal changes (Fall/Winter: gets dark earlier. Spring/Summer: gets dark later).

For more information please contact San Francisco SAFE, | Phone - (415) 553-1984 | Email - info@sfsafe.org

PARK SMART CAMPAIGN

WE NEED YOUR HELP!!!

San Francisco residents continue to be victims of vehicle break-ins. No matter how long you leave your vehicle unattended, please remove all valuable items.

**Park
Smart!**

**If you love it, don't leave it.
Car thieves only need
seconds to break in and
steal your valuables.**

San Francisco Police Department
Park Station

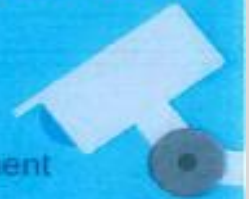

DON'T BE A VICTIM OF A BURGLARY!

Burglary Awareness & Prevention Tips for Construction Sites

Securing & Preventing

1. Secure all equipment and vehicles at all times.
2. Take effort to reduce the visibility of tools and equipment secured in vehicles or on job sites.
3. Make use of adequate lighting in conjunction with open chain-link fencing on the perimeter to allow for high visibility to the job site.
4. Strongly consider the use of security systems such as alarms and video surveillance. Ensure signage for such is clearly visible.

SFPD Park Station
1899 Waller Street
San Francisco, CA 94117
(415) 242-5000

Precautionary Measures

1. Photograph all tools. Ensure photographs clearly show the associated serial number and/or distinctive markings.
2. Ensure job site keys are marked "Do Not Duplicate" and are controlled at all times.
3. Attempt to park employee vehicles within visual range of the job site.

Should a Burglary Occur

Immediately contact 911. Be prepared to provide the following information:

- a) Time of incident.
- b) Video (if available).
- c) Items taken (include make, model, description, location taken from, value, photos and serial numbers).
- d) Insurance information.
- e) Owner's information.

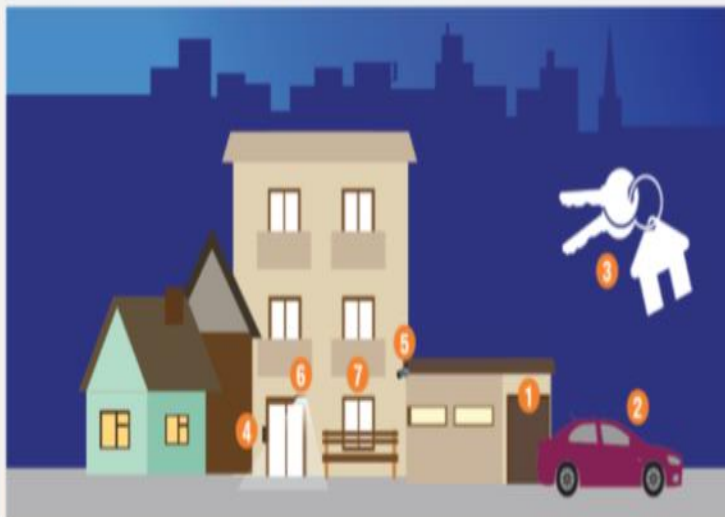

SFPD Park Station
1899 Waller Street
San Francisco, CA 94117
(415) 242-3000

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

San Francisco SAFE

- Safety Education

sfsafe.org
415-553-1984

WHO AND WHEN TO CALL?

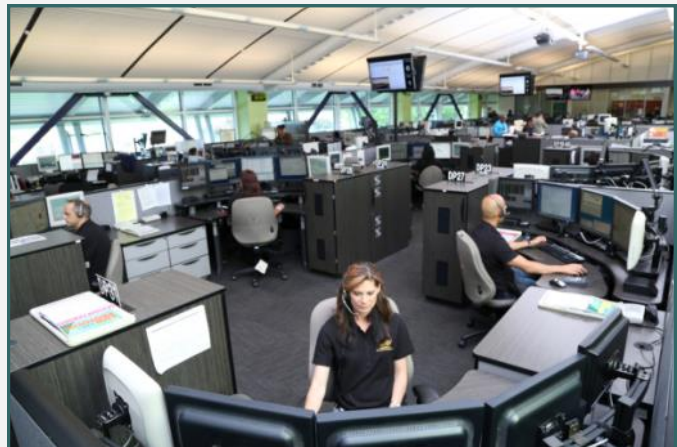

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

The photo to the right shows
dispatchers hard at work

PARK STATION'S VISION & VALUES

Captain Una Bailey

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
