Commanding Officer
Park Station

Captain Bailey's Message

Hello all,

As we approach the holiday season please all remember to be safe. Please continue to take all the necessary precautions locking doors and windows when in and out of your home or office. Ensure your garage door is closed and locked. Ensure nothing is visible in your parked car and remember not to leave your garage door opener in your car as we are seeing home burglaries where access is gained via the garage door opener stolen from the vehicle.

We are also finally getting some much needed rain, however with that comes concerns for pedestrians and drivers alike. Pedestrians please wear reflective gear when out at night as this will help with visibility. So often pedestrians are wearing dark clothing and are very difficult to see in the dark evenings. Also pedestrians please make sure to look prior to entering a cross walk. I see so many pedestrians dart into the cross walk and many are not paying attention i.e. on their phones and really are trusting that drivers see them and can stop. Please do not take this for granted ensure for your own safety that you look before you enter the crosswalk and allow drivers enough time to stop. Drivers please ensure you are paying attention and slow down. Speed is what kills people pedestrians and drivers alike.

This is the season for giving and in that spirit we here at Park Station are collecting sox and blankets. These blankets and sox will be distributed by our officers to the people in our community who are in need. Feel free to drop these items at our Station 1899 Waller St.

We are also collecting new unwrapped toys as part of the San Francisco Police Department's Toy Drive. SFPD is partnering with Walgreens in this Drive. These toys can be dropped at Park Station or at any Walgreens. The toys will be distributed city wide to under privileged children between December 17-21st.

Thank you all in advance for your generosity.

I hope you will all be able to join us for "coffee with a cop" at Peet's coffee shop 310 Broderick St on 12/17/18 from 9:30am- 10:30am.

Please take the time to review the S.F. SAFE's flyers regarding Safe Shopping on pages 17 and 18.

Remember always take the time to be safe.

COFFEE WITH A COP

**Monday, 12/17/18, from 9:30am to 10:30am
At Peet's Coffee & Tea- 310 Broderick St
(between Fell & Oak Streets)**

Come to this popular local establishment, Peet's Coffee & Tea,
to meet officers from Park Station for a coffee, and a conversation!!!

**If you have any questions or concerns about this event,
please contact Park Police Station at (415) 242-3000.**

SOCK AND BLANKET DRIVE

For the past 8 years, Officers Ryan Crockett and Jeffrey Sung, have reached out to our community members to help the less fortunate, by providing clean blankets, and socks to those that have possibly neither during the holidays. On Officers Crockett and Sung's own time and dime, they buy blankets and socks to distribute to those who are less fortunate and do not have blankets and/or socks, while also providing city services.

If you, or someone you know, can help Park Station by donating a new clean blanket, and/or men's, women's, or children's socks, we would greatly appreciate it. Thank you in advance for your thoughtfulness.

Please bring your donations to:

Park Police Station

1899 Waller Street (at Stanyan Street) – open 24 hours/day

Mark your items "Blanket & Sock Drive"

Please bring items in no later than December 12, 2018.

SUPERVISOR OF THE MONTH

Captain Bailey has named
Sergeant Joseph Salazar as the Supervisor Of
The Month for December.

Sergeant Joseph Salazar has been with the San Francisco Police Department (SFPD) for 24 years. In the beginning of Sergeant Salazar career, he was sent to Central Station for Field Training, then transferred to Ingleside Station, where he completed his probationary period, and remained at Ingleside Station for his permanent assignment. During his time as an officer, Sergeant Salazar also worked at the following Units: Mission Station, Southern Station, Narcotics, and Violence Reduction Team (VRT).

In 2013, Sergeant Salazar was promoted to the rank of Sergeant, and completed his probation year at Taraval Station. For his permanent assignment, Sergeant Salazar was transferred to Park Station, where he supervised the plainclothes/ undercover unit. Sergeant Salazar is currently working Park Patrol.

During Sergeant Salazar's career, he has been awarded two (2) Silver Medals of Valor, along with numerous Captains' Commendations, and Police Commission Awards.

In 1989, Sergeant Salazar joined the Marine Corp, where he was stationed at the Marine Base in Yuma, Arizona. Sergeant Salazar did a tour of duty during Desert Storm. Sergeant Salazar ranked at Corporal, and was a Marine Corp Reserve in the Bay Area.

Before becoming a Police Officer, Sergeant Salazar always was interested in Criminal Justice, and while attending San Jose State University (SJSU) major in Administrative Justice. In 1995, Sergeant Salazar graduated from SJSU, where he earned his Bachelor's Degree of Science.

Sergeant Salazar enjoys sports, especially baseball. Sergeant Salazar has been a member of the San Francisco Baseball Club for over 15 years. Sergeant Salazar, and his wife are life-long San Francisco bay area residence.

Sergeant Salazar enjoys law enforcement and is committed to duty to serve the City of San Francisco. Sergeant Salazar likes to supervise hard working police officers, who take pride in their work.

OFFICERS OF THE MONTH

In the above photo (left to right),
Officer Jeremy Cummings, Officer Kamakana Alvaro, and
Lieutenant Christopher Wilhelm.

Captain Una Bailey has named Officer Jeremy Cummings and
Officer Kamakana Alvaro as **Officers Of The Month for December.**

Officer Jeremy Cummings and Officer Kamakana Alvaro were awarded the Bronze Medal of Valor for an incident that involved a man, who had shot his mother, and barricaded himself in a house. While the male subject was still armed with a firearm, several Officers, including Officer Cummings and Officer Kamakana, ran up the stairs of the house and rescued the mother, so she could get immediate medical treatment. After a 15 hour stand-off, the male subject eventually surrendered.

Officer Cummings has been with the San Francisco Police Department (SFPD) for 12 years. Officer Cummings began his career at Tenderloin Station for Field Training, completed his probationary period at Central Station, and was assigned to Mission Station. After 7 years at Mission Station, Officer Cummings transferred to Park Station, where he has worked for the past 4 years. Officer Cummings has chosen to spend most of his career working the midnight shift at each station.

Before becoming a Police Officer, Officer Cummings was the Director of a college IT/Computer Department, while earning his Bachelor's Degree in Criminal Justice. Officer Cummings knew he did not want an office job, and an internship with the New Hampshire State Police convinced him to enter into Law Enforcement and join SFPD. Officer Cummings said, "I have loved every minute and have not looked back at that office job since joining the Police Department".

Besides working and patrolling the Haight Street area, Officer Cummings spends his time being a family man to his 3 children as well as riding motorcycles. Officer Cummings looks forward to one day being assigned as a motorcycle officer, and riding around the hills of San Francisco.

OFFICERS OF THE MONTH

In the above photo,
Captain Bailey, Officer Alvaro, and
his family.

In the above photo,
Captain Bailey, Officer Cummings, with
his family and friends.

Officer Alvaro has worked for the SFPD for 10 years, and he has enjoyed the last 4 years of his career at Park Station. Officer Alvaro currently works as the Haight Street Foot Beat for the Midnight Watch, and does an amazing job patrolling Haight Street. Officer Alvaro enjoys walking Haight Street, and talking with various community members. Officer Alvaro appreciates the assortment of characters and great individuals that make his shift a breeze to work.

Officer Alvaro was honored to receive the Bronze Medal of Valor along with Jeremy Cummings. Officer Alvaro stated he has always looked up to Officer Cummings for his guidance and mentorship. Officer Alvaro also stated that “Jeremy and I just happened to be in a place, where we could help and act. Some individuals would say that our actions were heroic, but Jeremy and I both agree that we did what Officers just do.”

In Officer Alvaro spare time away from work, he enjoys Jiu Jitsu because it has taught him patience and humility. Officer Alvaro says Jiu Jitsu would benefit all Officers and would be a great addition to the training curriculum.

Officer Alvaro contributes his success to his family because of their support - he has the courage and strength to suit up daily in his police uniform. Officer Alvaro has a wonderful wife, Marisela, and two kids - Mariana (4) and Matias (2). Officer Alvaro says, he “would not be able to do anything without their love and support”.

CITIZEN OF THE MONTH

Rick Johnson with Mayor London Breed at Park Station's National Night Out 2017

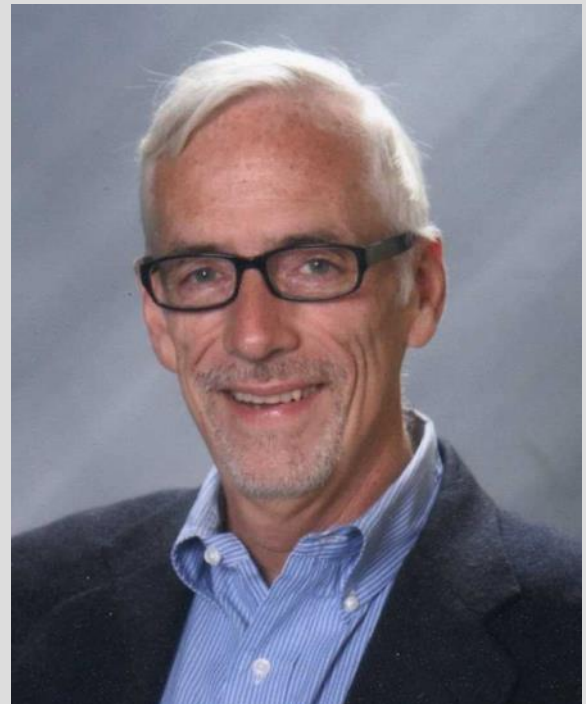

Congratulation to Rick Johnson, who has been selected by Captain Bailey as Citizen of the Month for December 2018.

Rick Johnson has been active in neighborhood and civic affairs since his retirement in 2007. In 2010, Rick joined the Board of Directors of the Midtown Terrace Home Owners Association, and was president for five (5) years. The Midtown Terrace neighborhood, on the slopes of Twin Peaks, has flourished in recent years with many neighborhood events. They are hosts to an annual Easter Egg Hunt, Block Party, Halloween event, and Holiday Party, as well as numerous other events. The neighborhood was instrumental in working with Precita Eyes to obtain funding to install the Twin Peaks mural opposite the Forest Hills Muni station.

In June 2016, Rick joined the Park Station Community Police Advisory Board (CPAB) and has participated in most of the CPAB events including National Night Out, Officer Appreciation Day, and various activities at the station. Rick's younger brother, Ron, is the Undersheriff of Yuba County, which helps explain his appreciation of law enforcement.

Rick has also been a member of the District 7 Neighborhood Council, the San Francisco Pedestrian Safety Advisory Council and currently sits on the San Francisco Commission on Aging and Adult Services Advisory Council.

Park Station would like to thank Rick Johnson for all his help and dedication not only to Park Station, but also our community.

Rick Johnson

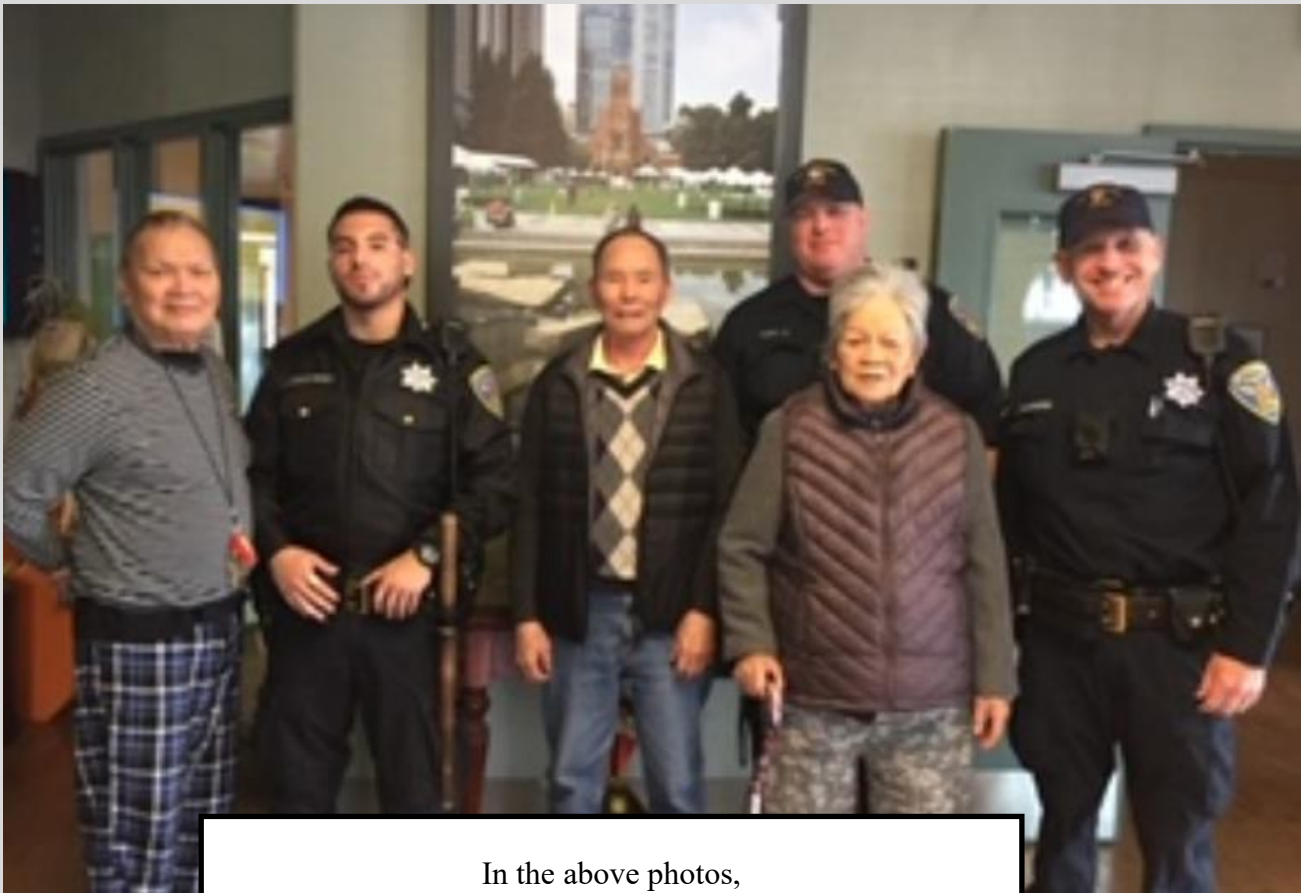

THANKSGIVING FEAST FOR LAWTON HEALTHCARE CENTER

In the above photos,
Officer Deleon and Officer Divina delivering the food to
Lawton Healthcare Center

With the holidays approaching, Captain Bailey and Park Station Officers wanted to make sure we gave back to the community. We are all so grateful here at Park Station and wanted to share a nice, warm meal with community. With our funds, we could host a Thanksgiving day dinner that could feed approximately 30—40 individuals. Thankfully, we were able to contact Dan Daly of Lawton Healthcare Center located at 1575 Lawton St (cross of 7th Ave), and we were able to arranged a Thanksgiving day feast for the residence of this facility.

On Thursday, November 22, 2018, Park Station Officer Matthew Divina and Officer Deleon, went to the Diamond Heights Safeway to picked up three entire (3) turkeys, two (2) whole hams, an assortment of delicious holiday sides, which included mashed potatoes, cream spinach, stuffing, corn, cranberry sauce, and three (3) pumpkin pies to complete the perfect Thanksgiving meal. Officer Divina and Officer Deleon delivered this abundance to the Lawton Healthcare Center. The residence were so grateful and happy to receive such a large and elaborate meal that was prepared for them.

Thank you to the San Francisco Police Department Community Engagement Division, and Dan Daly for allowing Park Station to provide the opportunity to donate the Thanksgiving meal to the senior residence at Lawton Healthcare Center.

THANKSGIVING DELIVERY IN THE CENTRAL DISTRICT

In the above photos, Officer Calvo-Perez, Officer Hunt, Officer Madrieres with the residence, who they are providing Thanksgiving meals to.

On Thursday, November 22, 2018, Park Station's Officer Ed Hunt, Officer Mike Madrieres, and Officer Jose Calvo-Perez, went to Central Police Station, and picked up approximately eighteen (18) whole turkeys, and delivered the Thanksgiving meals to low income housing throughout SFPD's Central District. The residence were extremely pleased and very grateful for the turkey delivery. The residence asked to take photos with the generous officers to remember this wonderful event.

Thank you to Officer Hunt, Officer Madrieres, and Officer Calvo- Perez for taking the time and distributing the turkeys to the low income housing residence.

HIGH RESOLUTION

If you connect your camera to a DVR or other device, it will also need to be HD Compatible.

INFRARED (IR)

Built-in IR cut-switch that automatically enables/disables the infrared depending on the light conditions.

IN THE KNOW

The camera's viewing angle determines how much space the camera will cover. Wider angled lenses help cut down the # of cameras required for overall coverage. Video Surveillance should be utilized at your property with at least one camera facing towards the address street and camera should be registered with the District Attorney's office

Overview

Note: The following information is specific to commercial and retail establishments; however, can be applied to any location utilizing video surveillance.

Basic set up and maintenance problems can reduce the effectiveness of many systems.

- Resolution – is it good enough for facial recognition.
- Camera position – are they positioned for clear view of suspect.
- Lighting – is it adequate to capture clear images both day and night.
- Image detail – is the recorder set up for best image detail.
- Maintenance – are you maintaining your system properly so it can do its job when needed?

Set Up and Maintenance

- **Backlighting** – when sun is bright at doorway, images in front appear darker or even black. Use another light source inside to counteract back light.
- **Low Frame Rate** – saves on drive space and gives better image quality, but you may not get an image at all (now you see him; now you don't).
- **Obstructions** – displays and other objects blocking view **should be eliminated.**
- **Focus Problems** – must check system regularly to prevent.

Minimum camera resolution should be **480 horizontal lines.**

Good cameras have **faster lenses** (allows more lighting), larger maximum **aperture** opening (lets more light into the focal point of the camera) and controls image brightness (allows brighter images in dim lighting) – the more lighting, the more depth of field (greater depth of field; the more of the scene is in focus).

Focal Length – some cameras zoom in and out while others have a fixed focal length. The type of cameras used depends on what your needs are.

Transaction Areas – anything at a transaction point (cash register, toll booth, etc.), the subject's head should fill at least 15% of the total image in the frame, giving the detail you need.

Lines of Sight – lines of sight are always critical, make sure there are no obstructions.

Site Plan – the right site plan is crucial (retail store blueprint or **diagram**). Key camera spots are at transaction points (cash registers and entry/exit points) – the more cameras, the better.

You want good camera **overlap** (you want multiple chances to capture good images). Extra coverage is also needed for aisles, restrooms and other key points.

Camera Height – placement is very important, make sure it is as close to eye-level as possible. Otherwise, you might lose out to a baseball cap.

With a good site plan you can make sure you don't have any blind spots (you can toy around with camera positions, and do a test recording to see that you are getting what you want).

Interior Lighting – interior lighting can balance bright light from one direction (back lighting) by adding another light source from a different location (add a bank of lights).

Example: Artificial lighting (**inside store**) for cameras may be good in the morning, but by noon, the sun (through a doorway or window) can blow the entire frame out (add lighting to fill in for afternoon sunlight). Adding more light from a different direction balances lighting, giving better camera clarity (if sunlight is shining through large windows you can tent windows or add screens.

Exterior Lighting – if lights are on timers, you must adjust appropriate to seasonal changes (Fall/Winter: gets dark earlier. Spring/Summer: gets dark later).

DON'T BE A VICTIM OF A BURGLARY!

Burglary Awareness & Prevention Tips for Construction Sites

Securing & Preventing

1. Secure all equipment and vehicles at all times.
2. Take effort to reduce the visibility of tools and equipment secured in vehicles or on job sites.
3. Make use of adequate lighting in conjunction with open chain-link fencing on the perimeter to allow for high visibility to the job site.
4. Strongly consider the use of security systems such as alarms and video surveillance. Ensure signage for such is clearly visible.

SFPD Park Station

San Francisco, CA 94117
(415) 242-5000

Precautionary Measures

1. Photograph all tools. Ensure photographs clearly show the associated serial number and/or distinctive markings.
2. Ensure job site keys are marked "Do Not Duplicate" and are controlled at all times.
3. Attempt to park employee vehicles within visual range of the job site.

Should a Burglary Occur

Immediately contact 911. Be prepared to provide the following information:

- a) Time of incident.
- b) Video (if available).
- c) Items taken (include make, model, description, location taken from, value, photos and serial numbers).
- d) Insurance information.
- e) Owner's information.

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

WHO AND WHEN TO CALL?

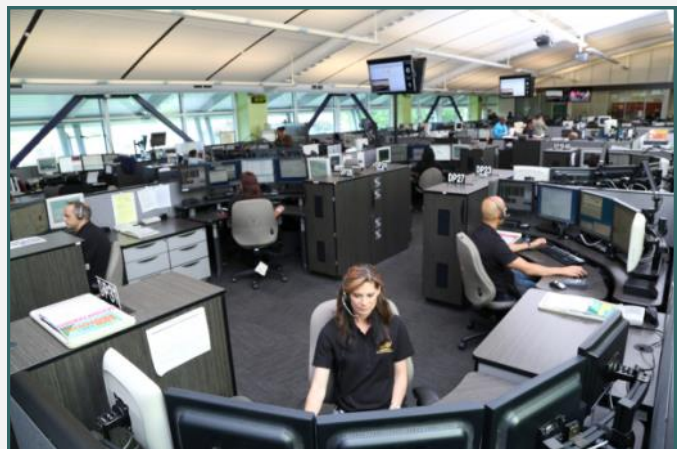

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

PARK STATION'S VISION & VALUES**Captain Una Bailey**

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
