CAPTAIN'S MESSAGE:

**Captain Michelle Jean
Commanding Officer
Richmond Station**

Hello Richmond District Residents,

Burglaries can happen any time of the day. We have been receiving reports of opportunistic criminals trying door handles, gates, and garages, to see if they are unlocked, in order to gain entry into residences and businesses.

My crime tip for this week is to always lock up, even when home. Lock all doors, windows, gates, exterior doors, garages, or any other entry point.

For more crime deterrent tips please see page two of the Newsletter.

Stay safe and have a great week!

Three Elements to Deter Crime

Most homes can be secured by methods that are cost-effective and aesthetically acceptable

1

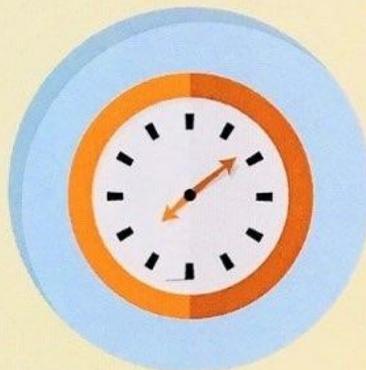

VISIBILITY

Increase chances of the burglar being seen by a neighbor or passerby by improving lighting, trimming shrubbery and putting up properly designed fencing around your home.

2

TIME

Time is of the essence for most burglars. The more time a burglar must take to get into your home, the more likely s/he will be seen or heard. Also, the better the locks you have on your doors and windows, the longer it will take a criminal to break in.

3

NOISE

The sounds made by forcing entry into a building may be enough to alert a neighbor, especially if the break-in also causes the burglar alarm. If your doors and windows are of sound construction and properly locked, the only way inside without a key is via a somewhat conspicuous break-in. Many burglars won't take that chance.
