CAPTAIN'S MESSAGE:

**Captain Michelle Jean
Commanding Officer
Richmond Station**

Hello Richmond District Residents,

June is National Safety Awareness Month. SF SAFE has the 411 when it comes to safety. The SFPD and SAFE want you to feel safe and secure as you go about your day in the city. Here are a few tips on personal safety:

- Always be alert and aware of your surroundings.
- Trust your intuition! If something feels weird, trust your gut and change the situation.
- Keep valuables and electronics out of sight.
- Safety in numbers—walk with others, on populated streets

For more safety tips please visit the SF SAFE website <https://sfsafe.org/downloads/>

Stay safe and have a great week!

OFFICER OF THE MONTH

OFFICER TRAVINSKY

Meet Officer Travinsky!

Officer Travinsky has been with the SFPD for just over three years and has worked at Northern, Taraval, and Richmond Stations.

Travinsky grew up in Sonoma with her 5 sisters, 2 brothers, and 17 foster siblings. Travinsky's family provided a temporary emergency foster home for children under two years old for about 10 years.

When not out on patrol, Travinsky likes to hit the gym, spend time with her family, and enjoy the great outdoors.

Say hello to Travinsky when you see her patrolling the Richmond District on Swing Watch.

Bicycle and Pedestrian Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on June 3rd, 11th, 19th, and 27th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
