Captain's Message

Hello Community,

We had a great morning with the members of the community that came out for Coffee with a Cop. We also had a nice visit with the kids from a school in the Bayview. One of the officers from Bayview station treated the kids and an adult to a morning of face painting. Our officers look forward to our next community event.

Please feel free to email me at troy.dangerfield@sfgov.org with any further concerns, questions or comments.

Sincerely,

Captain Troy Dangerfield #250

YOUR FEEDBACK
will help US serve YOU better!

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the **311** call center will function as a back-up.

Department News

Fleet Week 2019

Monday, October 7th marks the beginning of Fleet Week 2019. One of the most popular events in San Francisco, Fleet Week 2019 is expected to draw over a million people to the City during the week-long event. The largest crowds are expected to converge on San Francisco to view the Air Show and static exhibits on Friday through Sunday, October 11th -13th.

Fleet Week 2019 has been in the planning stages for the past year and the San Francisco Police Department has been working with Fleet Week SF, the Department of Emergency Management, San Francisco Fire Department, National Park Service, the US Coast Guard, US Navy and many other local, state and federal partners to make this event educational, safe and fun for all.

The men and women of the San Francisco Police Department will be on duty and patrolling venues on foot, bicycle, motorcycle and marked police cars. The SFPD Marine Unit will be patrolling the bay, providing security for visiting naval vessels and assisting the Coast Guard by keeping civilian vessels out of the waters beneath the air show performance area. (You can view our boating safety video at vimeo.com/235949766.)

To enjoy Fleet Week 2019, SFPD would like to offer the following tips:

Allow extra travel time: Due to anticipated crowds and traffic, allow extra time to get into San Francisco, and to make your way to the waterfront.

Use public transit: BART, AC Transit, Caltrain, Golden Gate Transit, SamTrans and the Ferries are a great way to get to San Francisco. Once you arrive in the City, San Francisco's Muni has many routes servicing the waterfront and The Embarcadero is pedestrian and bicycle friendly. For more information visit sfmta.com or 511.org.

Make a re-unification plan: Sometimes kids and adults get separated from their families or groups. Pick a meeting spot (store, restaurant, street corner) and make sure that everyone in your group knows where to meet up in the event you get separated.

(Continued)

If you see something, say something: Large public events often attract people looking to commit crimes of opportunity. Park smart-don't leave valuables visible in parked cars. Keep an eye on your smart phones and cameras. If you see someone suspicious or something out of place, report it! Notify your bus or train operator, a parking enforcement officer, park ranger, police officer, or call 911.

To receive San Francisco Fleet Week emergency text alerts from AlertSF, text FLEETWEEKSF to 888-777. AlertSF is a service provided by the San Francisco Department of Emergency Management. Visit AlertSF.org to learn more. Drones: Fleet Week is a No Drone Zone. To ensure the safety of airshow participants and spectators, there will be a Temporary Flight Restriction (TFR), also known as a "No Fly Zone" in effect within a 5 nautical mile radius around the center point of the airshow, from the surface to 15,000 feet, 1:00-6:00 p.m. on Thursday, October 10th, and from 11:00 a.m. to 5:00 p.m. Friday, October 11th through Sunday, October 13th. A fine of up to \$10,000 can be levied by the federal government to anyone flying an aircraft, or operating a drone, in the TFR during those hours. It is unlawful to launch or recover drones from any National Park Services (NPS) lands including Crissy Field. It is also unlawful to operate drones over or around the Golden Gate Bridge or within 500 yards of any military vessel.

For more information on San Francisco's Fleet Week, visit fleetweeksf.org. Call 415-306-0911 for recorded information.
