In addition to those great crime stats, we are lucky enough to have Lt. David Do re-join the Bayview Family.

Let me have him introduce himself.

Hi Bayview Community,

I am Lieutenant David Do. My family fled Vietnam by boat and ship in 1975 after the "Fall of Saigon". I was born on a ship that rescued us. After months in a refugee camp, we made it to San Francisco where I was raised. It's an interesting story that I enjoy sharing. I am married with 3 boys (16, 14, and 11 yrs.) and reside in South San Francisco.

I attended St. Brendan elementary school, and Sacred Heart Cathedral high school. I attended San Francisco Community College and went on to Sacramento State where I studied Criminal Justice. I left college just short of getting my degree to join the SFPD.

I began the academy in 1998 as a member of the 187 recruit class. I've worked patrol at Bayview, Northern, and Park Stations. I was assigned to GTF for 9 years where I specialized in gangs in the Western Addition.

I supervised a squad of plain clothes officers at Muni Task Force for 3 years. I just came from the Robbery Detail where I worked for 2 years investigating "major crime" robberies.

This will be my 3rd stint at Bayview Station. I am excited to be back in patrol after a long hiatus and especially excited to take on my new leadership role at Bayview.

Lt. Do

Bayview officers had a fun day hiking with kids from a Bayview District Elementary school.

Message from residents of Hester-Lois Lane-Bayside Vista and Little Hollywood Twitter post.

**“We had a warm evening tonight! Thank you to San Francisco Police Department Bayview Stations Captain Troy Dangerfield. Captain Dangerfield came out to meet with Neighbors, listen to concerns, and answer....”**

# Safety Tips

## STAYING SAFE ON HALLOWEEN

San Franciscans have been celebrating Halloween for more than 200 years. We here at the San Francisco Police Department want to make sure you and yours enjoy this fun holiday as safely as possible, which is why we offer you this list of trick-or-treating tips:

### Watch out for your kids:

- Keep children off the streets after dark.
- Never let your kids go out with realistic replicas of firearms.
- Do not let them go trick-or-treating alone, or without an accompanying adult.
- If they do go out after dark, make sure they wear reflective clothing and carry a flashlight.
- Give your children a curfew and have them tell you what route they will be taking.
- Closely inspect any treats before anyone eats them. Cut up and wash fruit to make sure it is safe to consume.
- All costumes should be made of light-colored, fireproof material.
- Make sure masks and wigs are fireproof and do not impair vision.

### Remind your kids:

- Never enter a stranger's home.
- Never accept rides from strangers.
- Stay on the sidewalks, not the streets, and avoid backyards, shortcuts and alleys.
- Stick with your friends.

### Take extra care on Halloween night:

- Don't leave your home unattended.
- Keep pets inside your home or another safe place.
- Motorists should drive slowly, yield to young pedestrians and watch out for trick-or-treaters darting into the street.

If you suspect that candy may be tainted, please bring it to any of SFPD's [ten district police stations](#) for disposal.

## DIRECTORY

### EMERGENCY: 911

**Note:** When calling 911 on a cellular phone near a highway, the call is connected to The California Highway Patrol (CHP) dispatch center. In other areas in San Francisco, the call will connect directly to SF dispatch. You can also dial directly to SF dispatch: **415-553-8090**

**YOUR FEEDBACK**  
will help US serve YOU better!

### The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit [sanfranciscopolice.org/police-commendation-complaint](http://sanfranciscopolice.org/police-commendation-complaint) for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.

Contact the front desk officer and inform them that you want your medication disposed of. The officer will assist you.

Please note that once an item that had been disposed of inside the bin, we cannot retrieve it. So make sure your ring, cell phone or anything of value is not accidentally disposed of.
