Captain Robert Yick's Message

Friday, September 27, 2019

Dear Residents and Community Members,

Community safety is the number one concern for law enforcement. This month, I want to focus on pedestrian safety. In an effort to encourage pedestrian safety, we would like to remind the community to practice good pedestrian safety skills by following these safety tips:

Cross streets at a corner, using traffic signals where available and crosswalks.

- Always look left, right, and left again before crossing a street, and keep watching as you cross. Be aware that drivers have differing levels of eyesight and skill in operating motor vehicles.
- Pedestrians should be especially careful at intersections, where drivers may fail to yield the right-of-way to pedestrians while turning onto another street.

Make sure you are seen:

- a) Make eye contact with drivers when crossing busy streets.
- b) Wear bright colors or reflective clothing if you are walking near traffic at night.
- c) Carry a flashlight when walking in the dark.

Time: 5:00pm

• Walk on the sidewalk whenever possible. If sidewalks are not available, walk facing traffic on the edge of the road, as far from the travel lane as possible.

Walk defensively and be ready for unexpected events. Know what's going on around you and don't allow your vision to be blocked by clothing, hats, or items that you are carrying.

Watch the pedestrian signals, not the traffic signal, and follow the "WALK/DON'T WALK" lights (they're set up to help you cross safely). Look for pedestrian push buttons for crossing protection at signalized intersections.

Watch out for parked vehicles. Parking lots can be as dangerous as streets.

- Avoid alcohol and drugs as they can impair your ability to walk safely.
- When crossing, use all of your senses and **don't use your cell phone** for calls and texting.
- Use particular caution when crossing driveways and alley entrances. Drivers may not expect you to be there or see you.
- Adults should supervise children when crossing streets. Smaller children may be difficult for drivers to see and young children may not be able to judge whether it is safe to cross a street.

Motorists need to be vigilant of pedestrians and pedestrians need to be vigilant of motorists. Although motorists have more responsibility under the law when operating a motor vehicle on city streets, pedestrians have more at stake.

As a **reminder**, Central's Community Meeting will be held Thursday, October 17, 2019 at 5 p.m. at Grace Cathedral. The meeting is open to everyone from the Central District and it is a good way to discuss issues in the district.

If you have any questions or concerns that impact your neighborhood, please contact me at Robert.Yick@sfgov.org or call me at 415-315-2400.

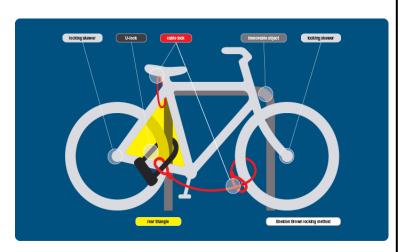

Thank you for your support.

RIDE ON!

Make Bicycle Theft a Thing of the Past

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

Make, model, serial number and complete description of the bicycle.

A photo of the purchase receipt

A photo of the bicycle

Please send an email at info@sfsafe.org with your name and address and we'll get you started with bike registration.

After your registration is complete, you will receive a sticker in the mail to place on your bike.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles to locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

See something. Say something.
