## Captain Jack Hart's Message

Wednesday Oct 2, 2019

On this 30<sup>th</sup> Anniversary of the Loma Prieta Earthquake, let us be more prepared today, than we were yesterday, for when the unimaginable strikes! Resilient neighborhoods are those that are prepared, connected, and capable of mobilizing to help ourselves, our neighbors, our blocks, and our communities.

Here are a few things to consider in this journey from preparation to awareness to mobilization:

- 1) To enhance district knowledge, go to [sfpdinglesidestation.com](http://sfpdinglesidestation.com) and signup for the station newsletter.
- 2) To enhance incident awareness, register for AlertSF notifications by texting your zip code to 888777.
- 3) To enhance capacity, gathering supplies and make a plan. Go to: [www.sf72.org](http://www.sf72.org).
- 4) To enhance community:
  - a. Go to [sfsafe.org](http://sfsafe.org) and consider joining/starting a neighborhood watch group.
  - b. Go to [sf-fire.org](http://sf-fire.org) and consider becoming a NERT-Trained Volunteer.
  - c. Go to [sanfranciscopolice.org/alert](http://sanfranciscopolice.org/alert) and consider becoming an ALERT member.
  - d. Go to [empowersf.org](http://empowersf.org) and consider hosting a neighborhood block party with the Neighborhood Empowerment Network (NEN).
  - e. Go to your local neighborhood meetings.

## Featured member of the Month **Officer Albert Tien**

**Ofc. Albert Tien was born and raised in Methuen, Massachusetts. He traveled extensively as an Infantry Service member of the United States Marine Corps., from Camp Pendleton to Indonesia, Sana'a, Yemen, Bucharest, and Romania. After his service, he moved to San Francisco and entered the Police Academy in 2017. He trained at Mission Station, completed his probationary year at Richmond Station, and now is at his permanent home: Ingleside. He is married and a father of one son (a second child is on the way!).**

**Currently, Ofc. Tien is assigned to the day shift where he is proactively addressing all of the traffic “hot spot” locations in the District. He can be seen conducting high visibility enforcement and traffic calming on the Mission, Alemany, Cortland, Geneva, Dolores, San Jose, Diamond Heights, Silver, Bayshore, and other high volume corridors, but also on the small streets that are overcrowded and dangerous. If you’ve ever sent an email to us on a traffic issue, Ofc. Tien has been there. If you see him out and about, check your speedometer and seat belt, then wave hello. We are grateful to have him at Ingleside serving our great community!**

## Featured Ingleside Community Member of the Month

# Rose Ann Harris

SF Native Rose Ann Harris was born at San Francisco General Hospital and raised in the Mission District. Rose attended St. Anthony's, Le Conte, the Lytton School, and Mission High School. After living in Visitacion Valley, she moved to the Excelsior in 1989 where she now resides.

Rose is an exemplary community member and volunteer. Rose volunteers for dozens of groups that support neighborhood connection and wellness, including the Excelsior District Improvement Association, the Outer Mission Merchants and Residents Association, McLaren Park Collaborative, the Excelsior Action Group, the Wildlife Conservation Network, Neighborhood Emergency Response Team, the District 11 Council, and others. Recently, she was honored as the Grand Marshall of Sunday Streets & the New Mission Terrace's July 4<sup>th</sup> Celebration, while also being a NEN Lifetime Achievement Award recipient. The late Hon. Mayor Ed Lee proclaimed October 28<sup>th</sup>, 2014 in her name for the City and County of San Francisco.

Rose's service mindset knows no bounds. Rose transformed her working life experiences as a waitress at Playland at the Beach, Zims, Mel's Diner, Ott's Drive-In, Mr. Brown's, The Cliff House, and PJ's Oyster Bed into being a selfless provider of food and service to every event she attends by reminding everyone: "food brings everyone together." This spirit was on full display at this year's National Night Out and also behind the scenes as she performs everyday heroics for her neighbors by taking them to doctor's appointments, shopping, and helping with their household tasks.

We are humbled by her generosity of spirit and are inspired by her to serve others regardless of cost or effort. For all of these reasons, Rose is our Featured Community Member of the Month.

## Sewer Replacement & Pavement Renovation

Job Order 2925J

### Project Description

S.F. Public Works has partnered with the San Francisco Public Utilities Commission to complete infrastructure improvements along Alemany Blvd. between Seneca Avenue and Congdon Street. Public Works will manage the project and we've hired D'Arcy & Harty Construction, Inc. to complete the work.

Construction is scheduled to begin in late June 2019 with completion expected in December 2020.

This project will include sewer main replacement, street base repairs, curb ramp and bulb-out installation, minor traffic signal work at the Santa Rosa Ave. and Silver Ave. intersections and repaving between Congdon Street and Seneca Avenue. Please note, not all blocks will include sewer main replacement work. Please visit our project webpage for additional information on which blocks will include sewer work.

Sewer service will not be interrupted during construction. Please continue to use your household plumbing per the usual.

Once the sewer work is complete, crews will begin preparations to repave the street. Preparations will include installation of curb ramps and bulb-outs followed by street base repairs. Street base repairs will require the contractor saw-cut sections of the roadway, remove the broken concrete and pour back fresh concrete. Replacing the street base now will improve the longevity of the new asphalt road.

Since there are several blocks included in this project, it may be weeks or months before we reach your block. We are sending you this notice in advance of any work on the project.

### Neighborhood Tip:

Please call 3-1-1 to report any issues in the neighborhood such as potholes, burnt-out traffic signals or streetlights, leaky fire hydrants, broken curbs or sidewalks, illegal dumping, etc. 311 is the primary customer service center for the City of San Francisco. They'll route your concern to the appropriate agency for follow-up.

### Impacts and Restrictions

Street parking may not be possible on the block during construction work hours. In some cases, parking may not be possible on part of the adjacent block as we taper the traffic lanes to accommodate the work zone. Please see posted barricade signs for exact work hours, days, and locations, because they may vary depending on the construction task. The "no parking" signs will be posted at least 72 hours in advance to alert motorists of parking restrictions.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. Please allow extra travel time during construction work hours.

Street cleaning restrictions will still be in effect.

We apologize for the inconvenience and thank you for your patience as we work to improve San Francisco.

For more information on this project or to sign-up for regular electronic project updates, please visit the project webpage.

Please hold on to this notice should you need our contact information during construction.

## Distracted Driving

Distracted driving is anything that takes your eyes or mind off the road. In the smartphone age, distracted driving is the most dangerous when drivers are using their cell phone behind the wheel.

Whether it is talking, emailing, texting, plugging in directions, using an app or scrolling through social media feeds, using a cell phone is not only dangerous, but also illegal.

In 2017, 3,166 people were killed in distracted driving related crashes across the country, or nearly 10 percent of all traffic deaths.

Using a phone to dial, talk or text triples the risk of a driver getting into a crash. Texting is the most alarming distraction. Sending or reading a text takes your eyes off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field with your eyes closed.

Other serious driver distractions such as eating, grooming, reaching for objects on the floor, changing clothes or talking with passengers are just as dangerous. The safest thing drivers can do is put down the phone, focus on the road and just drive.

### Distracted Driving Prevention

- ✓ Never Text and Drive
- ✓ Silence your phone before you drive
- ✓ Pull over to safe parking spot to make a call
- ✓ Don't text or call someone you know is driving

## Cell Phone Law

 Holding a phone while driving is illegal. Any electronic device must be used in a hands-free manner, such as speaker or voice commands. The law applies when at a stop sign or signal.

 To use a phone while driving, it must be mounted on the dashboard, windshield (seven-inch square in lower right corner or five-inch square in lower left corner), or center console.

 When the phone is mounted, drivers can swipe or tap the screen once to activate or deactivate a feature. It is illegal to swipe multiple times, enter information or text.

 A first offense ticket is \$162, with additional offenses costing even more.

 You may use your phone while holding it for true emergencies, like calling 911.

Be part of the solution by resisting the urge to talk or text while driving and "Go Safely, California."

# Park Smart!

## Safe Habits to Adopt:

**Turn off the ignition**  
Never leave your car running unattended

**Keep your vehicle & tires in good condition**  
to prevent breakdowns—stranding you in a dark or unfamiliar place

**Lock your doors**  
when you get in your car

**See something, say something**  
If you see a motorist in distress, call 9-1-1 versus stopping to help

**Clear your trunk**  
and take your valuables with you every time you leave your car

**If you are being followed,**  
drive to the nearest police or fire station—  
a populated area is a good default

## SAN FRANCISCO POLICE RESERVE OFFICER PROGRAM

The Police Reserve Officer Program is comprised of community members, such as yourself, and retired police officers who wish to volunteer as a Reserve Police Officer. These officers supplement the full-time officers in a variety of duties throughout the Department. This program is ideal for individuals who have an established career but always wanted to experience being Police Officer. Reserve Officers can enjoy the best of both worlds, maintain their chosen career while helping to police an internationally known city. There will be a Level III Reserve Police Academy starting on September 23, 2019 and it will conclude on December 4th. The Reserve Academy takes place on Mondays and Wednesdays from 6pm to 10pm and all day on Saturdays from 8am to 5pm. The cost for the Academy is 1765.00. This is the minimum requirement to be a Level III Reserve in the state of California. This is a volunteer position with great training opportunities and experiences seldom seen. The Level III Academy is 168 hours long. If you need additional information please call Sgt. Kin Lee at the Community Engagement Division at [1-415-558-5514](tel:1-415-558-5514) or email [KinYau.Lee@sfgov.org](mailto:KinYau.Lee@sfgov.org) or Email Retired Deputy Chief, Garret Tom at [Garret.Tom@sfgov.org](mailto:Garret.Tom@sfgov.org)
